A Love Untamed Feb 25 2022 They are called

Feral Warriors—an elite band of immortals who can change shape at will. Sworn to rid the world of evil, consumed by sorcery and seduction, their wild natures are primed for release . . . The newest member of the elite Feral Warriors brotherhood, Fox is eager to prove himself on the frontlines of battle against the Daemons. When paired with the legendary Ilina warrior Melisande, he expects the fierce beauty to quickly fall under the spell of his quite considerable charm. Instead, he finds himself spellbound by a woman who's his match in every way. Beneath Melisande's brittle exterior lies centuries of pain and a violent hatred of all shape-shifters—a hatred that slowly crumbles after she and Fox are caught in a deadly and cunning Mage trap and she glimpses a surprising depth in her far-too-seductive partner. Their survival demands unconditional trust—and their salvation surrender to a wild, untamed love.

Under Polaris Dec 02 2019 Washburn made a

concerted effort to learn the survival skills of the Inuit women and to understand their lives. She tells of their patience and gentle amusement as they helped her, their curiosity about her way of life, and their generosity in sharing meager resources.

Trial by Ice Mar 17 2021 “An extraordinary real-life adventure of men battling the elements and themselves, told with ice-cold precision.”

–Kirkus Reviews (starred review) In the dark years following the Civil War, America’s foremost Arctic explorer, Charles Francis Hall, became a figure of national pride when he embarked on a harrowing, landmark expedition.

With financial backing from Congress and the personal support of President Grant, Captain Hall and his crew boarded the *Polaris*, a steam schooner carefully refitted for its rigorous journey, and began their quest to be the first men to reach the North Pole. Neither the ship nor its captain would ever return. What transpired was a tragic death and whispers of murder, as well as a horrifying ordeal through the heart of an Arctic winter, when men fought starvation, madness, and each other upon the ever-shifting ice. *Trial by Ice* is an incredible adventure that pits men against the natural elements and their own fragile human nature. In this powerful true story of death and survival, courage and intrigue aboard a doomed ship, Richard Parry chronicles one of the most astonishing, little known tragedies at sea in American history. “ABSORBING . . . Suspense builds as Parry describes the events leading up to Hall’s ‘murder,’ then climaxes in horrifying detail.” –Publishers Weekly “RIVETING.”
