Rebel's Property (Book 3) Aug 19 2021 This is book 3 and the finale of the Satan's Martyrs MC romance series! He put me back together... just so he could break me again. He saved me in my darkest moment. But it was only for his own savage pleasure. I should've run away when I had the chance. It's too late. Because now, I belong to the rebel. HOPE I was reaching my breaking point when Killian came into my life. There was no hiding what he is—a beast. A rugged, savage beast. A beast who plays hard. Who takes control in ways I never knew I wanted. In ways I never knew I needed. I have to be careful around him. But when he leaves me gasping for more... When his words make me shiver at what's to come... I realize that I don't want him to let me go. Not now. Not ever. I want him to own me for good. KILLIAN The outlaw life has made me numb. Once upon a time, I was a fiery, vicious biker. Ready to ride 'til midnight and fight 'til dawn. I loved everything about the club: The patch with colors that terrified any man who dared think to challenge me. The tattoos and muscle that brought willing females flocking to my bed. The money that flowed in like a damn waterfall. It all made me feel like a god. But lately, I don't feel much of anything. My brother is finally out of prison. I should be happy. But instead.. I'm numb. Unfeeling. Uncaring. Until Hope walked in. Something about her wakes me up again. Maybe taking the curvy girl for a ride will rekindle the flame that used to burn so brightly inside me. But it turns out that she's far too innocent to be a part of my world. She isn't ready for this: The drugs. The violence. The darkness. But once you go biker, you never go back. And I don't care if she wants to run screaming for the hills. I'm gonna do what I always planned on doing: Pinning her to

my bed. Pressing my lips to her ear. And telling her her grim new reality: She's mine now. Forever.

Rebel Aug 26 2019 She's Penna Carstairs. The Renegade they call Rebel. FMX-treme Magazine's sexiest female athlete of the year. There's no rule in extreme sports she hasn't broken, No gender barrier she hasn't demolished. She's the woman I met in a bar in Vegas. The woman I illegally BASE jumped for. The woman I spent one insane, incredible night with. But now I'm screwed. Or rather...not screwed. Because the woman I can't get out of my head is the one woman I can never touch again. I'm Dr. Cruz Delgado—the youngest professor on this campus, And Penelope Carstairs just walked into my class. Each book in The Renegades series is a standalone story that can be enjoyed out of order. WALNECK'S CLASSIC CYCLE TRADER, JULY 2000 Sep 19 2021

The Mammoth Book of Bikers Mar 02 2020 The definitive collection of first-hand accounts of the world's outlaw motorcycle gangs Outlaw bikers consider themselves 'the last free people in society', unconstrained by the regulations that rule ordinary citizens. And they guard their privacy jealously. Drawing on 17 years of studying and participating in biker culture, Arthur Veno has compiled the ultimate collection of original biker writing. Here are insider accounts of landmark incidents in bike folklore, plus reprints of classic writing from biker-originated magazines, handouts, websites and books. Gangs featured include the Bandidos, Hells Angels, Henchmen MC, the Outlaws, the Mongols, Annihilators, the Diablos, Gypsy Jokers, the Rebels, the Straight Satans, and the Vagos. And with contributors such as Freewheelin' Frank (one-time secretary of Hells Angels), Edward Winterhalder (among the most powerful members of the Bandidos), and Sonny Barger (founder of the Hell's Angels). Also included are those rare accounts by outsiders that have managed successfully to 'look in' on the gangs: including Hunter S. Thompson in his 'Hell's Angels - A Strange and Terrible Modern Saga'; William Queen the undercover agent who infiltrated America's violent outlaw motorcycle gang the Mongols; and Daniel R. Wolf's account of riding with the Rebels.

Soul Rebel Apr 02 2020 A vampire took his soul. He wants it back. When Nolan Bishop meets a seductive redhead at a dark club in downtown Shreveport, little does he know that his soul will be gone as soon as she leaves the club. It doesn't take Nolan long to realize that Eva Sheridan, the succubus who now invades his dreams, has taken something from him. Through the underground network of the supernatural in New Orleans, he discovers he has seven days to destroy Eva before he turns into a sinister and feral vampire himself. In a race against all that is holy, Nolan encounters Eva's identical twin, Charity, who is still very much a human. As he begs for Charity's help in locating Eva, she realizes that his utmost desire is to kill her sister. Although Eva is a relentless succubus, Charity doesn't want to her sister to die. Now, it's up to Nolan to determine his own future. While Charity and Nolan grow closer, he struggles with destroying her sister. Can he choose between his humanity and his heart in a mere seven days? Rebel Blood Jun 24 2019 The year is 2015. A female prime minister is left with a big problem caused by her father, and she needs a special group of operatives to help her. A friend suggests a group that has been listed as CIA. Its leader is a man she once knew very well; he is the father of her twenty-year-old son. John Kelly was a soldier who commanded respect. After the former prime minister set him and his strike team up to take the fall for an international incident, Kelly and his men's army records and Australian citizenship are stripped from the books. In his younger days, Kelly dated the prime minister's daughter and fathered a child on her, making the man hate Kelly so much that he set out to destroy him and his men. Kelly reluctantly comes forward to help his old flame aware that her father still wants him destroyed. Then Kelly learns the truth about why he was banished from his own country. His highly trained team now has to save Australia as well as the Middle East from being gassed by a new world order wanting to take over the free world.

Young Rebels in Contemporary Chinese Cinema Jun 16 2021 In the 1980s, a new type of central character emerged in contemporary Chinese films - angry and alienated youth. Filmmakers treated youth as a separate category and showed them in urban situations behaving in unconventional and socially rebellious ways. Young Rebels in Contemporary Chinese Cinema looks for evidence in films that exemplify this trend.

Hell on Wheels Sep 27 2019 A gripping history of outlaw motorcycle club culture from its beginnings to the present day. In a world where most of us roll over when confronted by the power of authority, the antihero figure of the outlaw biker stands beyond the crowd, a beacon of social freedom. By choosing to live outside of society's conventions, the one-percenter has the inner strength to act on his own convictions. Though most of us are too timid to venture into these outer margins of society, the one-percenter not only enters those margins—he stomps on them. In Hell on Wheels, avid motorcyclist Bill Hayes dives deep into the world of the outlaw motorcyclist, exploring legendary clubs like the Hells Angels, the Bandidos, the Outlaws, the Vagos, the Pagans, the Mongols, and many others, allowing the reader to peer into motorcycle club culture. Featuring both modern and historical photos, as well as a rare collection of club memorabilia found in no other publication, Hell on Wheels traces the roots and development of motorcycle club culture: its origins in the years following World War II; the turbulent 1960s and the disco era; the transition of clubs from loose groups of hooligans to highly organized machines; and, more recently, the copious clashes with law enforcement amid the post-9/11 world of the Patriot Act. The one-percenter has become one of the most popular figures in outlaw culture, and Hell on Wheels is his story.

Buck Jones and the Rebel Riders Jan 12 2021 Buck Jones is a retired Vietnam war hero. He served three tours with the Green Beret Special Forces. Rebel With a Cause Jan 30 2020 Bestselling memoir of a true Kiwi hero whose can-do attitude is changing lives in the third world. Sir Ray Avery's story from childhood neglect to scientist, leader and philanthropist is riveting. He was the inaugural Kiwibank New Zealander of the Year in 2010 and the recipient of the Sir Peter Blake Medal for Leadership 2010, and was knighted in 2011. As a scientist and businessman, he has invented inexpensive lenses for cataract sufferers, low-cost and effective incubators for babies, and a number of other creative scientific and medicinal solutions for the third world. Sir Ray encourages other talented people to get on board and tackle some of the really big problems confronting the poor in developing countries. *Rebel With a Cause* is fascinating, deeply moving and, at times, very funny. Above all, it's an engaging read about how one man truly can change the world. 'The remarkable story of one of the most extraordinary lives ever lived - and one gets the sense that he's only just getting started. Mr Ray is one of the reasons it's so cool to live in New Zealand.' - Oscar Kightley 'Ray Avery is a remarkable individual who overcame the odds to become an inspiration to all New Zealanders. This is a man who believed in himself and rose above his circumstances to attain excellence.' - Prime Minister, John Key, presenting the Kiwibank New Zealander of the Year award

Begun as a journal for her daily thoughts, her blog ends up going viral. Along the way, Lisa discovers the truths and lies about those she has considered friends, learns more about Central Valley motorcycle gangs than she ever thought she needed to know, and unexpectedly ends up with a pantry full of sockeye salmon for

her cat, Eloise.

Rebel Without Borders Dec 11 2020 Discusses the realities of humanitarian aid, including the logistics of building camps for refugees and delivering clean water to towns amid the violence, abuse, and injustice in developing countries.

50 Things You Didn't Know About 1916 Feb 10 2021 Even those who know a great deal about the Easter Rising may not know that there were temporary ceasefires in the St Stephen's Green area, to allow the park attendants to feed the Green's ducks. Few know that the first shots of the rising were actually fired near Portlaoise and not in Dublin or indeed that both sides issued receipts: the rebels for food, the British for handcuffs. It features excerpts from a previously unpublished diary written by a member of the Jacob's garrison; the story of how rebel communications (being sent in a tin can from rooftop to rooftop) were interrupted by a British crackshot sniper and many other remarkable facts. *50 Things you didn't know about 1916* is a treasure trove of trivia and information that will appeal to the avid student of 1916 as well as the casual reader.

Two Wheels Good Apr 26 2022 NEW YORK TIMES EDITORS' CHOICE • A panoramic revisionist portrait of the nineteenth-century invention that is transforming the twenty-first-century world "The real feat of this book is that it takes us on a ride—across the centuries and around the globe, through startling history and vivid first-person reporting."—Patrick Radden Keefe, *New York Times* bestselling author of *Empire of Pain* The bicycle is a vestige of the Victorian era, seemingly at odds with our age of smartphones and ride-sharing apps and driverless cars. Yet we live on a bicycle planet. Across the world, more people travel by bicycle than any other form of transportation. Almost anyone can learn to ride a bike—and nearly everyone does. In *Two Wheels Good*, journalist and critic Jody Rosen reshapes our understanding of this ubiquitous machine, an ever-present force in humanity's life and dream life—and a flash point in culture wars—for more than two hundred years. Combining history, reportage, travelogue, and memoir, Rosen's book sweeps across centuries and around the globe, unfolding the bicycle's saga from its invention in 1817 to its present-day renaissance as a "green machine," an emblem of sustainability in a world afflicted by pandemic and climate change. Readers meet unforgettable characters: feminist rebels who steered bikes to the barricades in the 1890s, a prospector who pedaled across the frozen Yukon to join the Klondike gold rush, a Bhutanese king who races mountain bikes in the Himalayas, a cycle-rickshaw driver who navigates the seething streets of the world's fastest-growing megacity, astronauts who ride a floating bicycle in zero gravity aboard the International Space Station. *Two Wheels Good* examines the bicycle's past and peers into its future, challenging myths and clichés while uncovering cycling's connection to colonial conquest and the gentrification of cities. But the book is also a love letter: a reflection on the sensual and spiritual pleasures of bike riding and an ode to an engineering marvel—a wondrous vehicle whose passenger is also its engine.

Rebel's Quest Oct 09 2020 On a world torn by war, two women discover a love that defies boundaries, challenges allegiances, and that just might mean the survival—or destruction—of all they hold dear. Roshan O'Landha, a Gantharian resistance fighter, works hard to maintain her cover as a wealthy businesswoman as war on occupied Gantharat seems imminent. When the Onotharian forces strike an overwhelming blow to the resistance, Roshan sends a plea for help to Kellen O'Dal, Protector of the Realm. In the meantime, Roshan is forced to work closely with Andreia M'Aldovar, a woman she once cared for who now holds a pivotal position in the Onotharian interim government. Andreia also guards a secret, one that if known could cost her life at the hands of either the Onotharians or the resistance. As the two women struggle to prevent annihilation, Roshan is given the only order she may not be able to obey, not even to save Gantharat—assassinate Andreia M'Aldovar.

Angels in Leather Nov 02 2022 Love is never beautiful. It's dirty, and raw, and broken. That's what makes it perfect. It's two broken pieces forming together to make something whole, something worth fighting for. Axel Wraithe is my other piece. He's the biker who's been hunting me for a year, yet he's the one who can so easily break me. He wants what I have, and I want what he's got to give. Only he's fighting against himself, not willing to give it. He's got monsters in his heart, changing who he is, changing what he believes in. I'm the only one who can help him, and I won't stop until I've got the truth. I want to fix what's broken, but I can't do that without him. So I'll fight for my gorgeous, broken biker. I'll fight until our pieces fit back together.

Harmonyville Apr 14 2021 In the summer of 1986 in the rural town of Harmonyville, six adolescents battle for their town, first with an older group of kids, then with their growing nightmares. The younger Rebels' summers had always consisted of being attacked and picked on by the older boys (the Regulators) but a strange bicyclist disguising his motives sets forth an oncoming event that the Rebels have to prepare for. Promising to make the Rebels' nightmares end, the cyclist recites a chant that the Rebels worry will actually bring their worst fears to life. Using clues from their continuing nightmares, the Rebels prepare themselves the best they can for their upcoming battle, all while dealing with the Regulators constant hostility. Will their preparations be enough to save them and their town from the nightmares that are about to become real?

The Good Rebel Nov 29 2019 He argues that people can only be free if they are, in some robustly objective sense, both rational and moral. He develops a positive theory of personal freedom derived from a concept of good rebellion. Individuals who rebel against an oppressive society for the sake of an objective good furnish the most conspicuous example of human freedom in action."

Knights and Bikes: Rebel Bicycle Club Feb 22 2022 The friendship, magic, and laugh-out loud adventure continues in this hilarious chapter book series! Best friends Demelza and Nessa are always up for adventure. After all, what else is there to do

on the sleepy island of Penfurzy? The two girls have discovered a magic world of myth and legend in a submerged castle just off the island, and now, accompanied by their pet goose Captain Honkers, are on a quest to help a headless knight (or rather, a knight who is JUST a head) find treasure. They set off on their bikes and explore both the everyday and legendary worlds, and encounter everything from a sullen bully named Connan to a ghost train to an ancient tomb beneath a shuttered amusement park. Along the way, the two girls will become braver and even closer friends.

Rebel Friendships Jul 06 2020 Rebel Friendships considers the interplay between individuals and their friendships with social movements. The intersections between individual and community, the ways we experiment with social change, explore, create, and reduce the harms of modern living are the work of social movements. Yet, the process is rarely simple. Through auto-ethnographic reflections of experiences with the Beats, ACT-UP, Occupy Wall Street, anti-consumer, queer rights, and non-polluting transportation movements Shepard explores the way friendship infuses social movements with the social capital necessary to move bodies of ideas forward. Such innovation is rarely seen in more institutionalized social arrangements. Rebel Friendships offers a new take on the ties between friends who are connected through affinity and efforts aimed at social change.

True Trans Bike Rebel Jul 18 2021 True Trans Bike Rebel is the fifteenth issue of Taking the Lane feminist bike zine. This issue is dedicated to trans, genderqueer, and agender folks talking about the power of bicycling in their lives. Inside, a woman sets off on a long distance tour across the desert, where she finds the courage she needs to continue back at home; the executive director of a major advocacy organisation walks us through his coming-out process and the precedent it set; a young person survives school to find solace and identity in nature; contemplating the parallels of building a bicycle and crafting one's own body, and more!

The SEAL's Rebel Librarian Dec 31 2019 The second in the Alpha Ops novella series that features an alpha Navy SEAL and the librarian who brings him to his knees. Jack Powell never planned on leaving the Navy, but his final mission as a SEAL left him with a tremor and a bad case of nerves. He's home, taking some college classes and trying to figure out what comes next when he meets Erin Kent, a divorced college librarian with an adventurous bucket list and a mission to get her ex-husband's voice out of her head. Jack guides Erin through skydiving and buying the motorcycle of her dreams, blithely accepting Erin's promise that their relationship is purely temporary. But when Jack gets the chance to go back into the shadowy world of security contracting, can he convince Erin to break her word and join him on the adventure of a lifetime?

Rebels with a Cause Jan 24 2022 Where would America be without Harley-Davidson? And where would Harley-Davidson be without Americans who ride? Rebels With A Cause is a celebration of those riders - their passion for, their love affair with, the motorcycle of America. Here in their own words, riders energetically explain how their lives have become intimately intertwined with their bikes, why they have chosen the "Harley lifestyle" with such enthusiasm. From regular folks to celebrities to club members, these are Americans with a shared commitment, Americans whose lives have been changed and defined by their devotion to the Harley-Davidson motorcycle. Purchasing a Harley is a rebellious act. It's a rebellion against the status quo, a rebellion against the over-regulated, technology-heavy life that our culture has become. In Rebels With A Cause rejoice in this fond and colorful record of the people and machines involved in this most American expression of creative non-conformity.

The Ride 2nd Gear Rebel Edition Oct 21 2021 Men and motorcycles: a story that has vacillated somewhere between cult and cliché for years. Custom bikes, in particular, have a history that is deeply rooted in the spirit of freedom and change of the

1960s, as well as man's primal urge to build something with his own hands--or, in this case, tools. *The Ride 2nd Gear* is a showcase of the power and beauty of these bikes. *The Ride 2nd Gear* presents a stunning selection of recent custom motorcycles, as well as the small, local workshops around the globe in which they are built. Hotbeds of creativity and craftsmanship, these workshops are mostly run by single individuals and attract a small yet devoted community of fans and fellow builders. The custom bike community as a whole is united by its passion for the ride--one so strong that it is now attracting a younger generation. Whether alone or in a group of like-minded friends, in a city or in the countryside, just for the weekend or embarking on a long-distance road trip, these drivers are actively sharing and celebrating pure riding pleasure on their own unique motorcycles that are lovingly crafted with time, dedication, and technical expertise. From limited series to one-offs, *The Ride 2nd Gear* features the brilliant results of this process. Its pages are filled with bikes that offer extraordinary design and driving experiences. In fact, established brands are now acting on trends set by the custom scene whose bikes are often more radical and sophisticated because more attention can be paid to detail and each new idea can be fine-tuned to perfection. Some models shown in *The Ride 2nd Gear* stem from or are based on classic bobbers and choppers, Italian-style racing machines, plastic Japanese motorcycles, and rare BMWs or Triumphs, which may very well be up to 80 years old. Others are art bikes made for show or futuristic visions inspired by the aesthetics of science fiction, fantasy, or anime. But whether they preserve or radically expand on traditional craftsmanship, these custom machines are more agile, faster, and therefore more fun than anything produced in the past. Journalist and custom motorcycle expert Chris Hunter co-edited both this book and our previous release *The Ride*. Born in England, Hunter now lives with his family in New Zealand, where he runs the motorcycle website *Bike EXIF*. It is now the world's most popular showcase of custom bikes with millions of pageviews every month and a passionate global following.
