Childhood Fears Aug 31 2022 "I've known JG Faherty since he was an up-and-comer. Now he's arrived. Start reading him now-as in TODAY-so you won't have to play catch-up later." -F. Paul Wilson, author of the bestselling Repairman Jack series "Every horror novella should read like this, a non-stop thrill ride that amps up the terror with each chapter." -Russell James, author of Q Island, on The Bear Who Wouldn't Leave Four original novellas to make you hide under the covers! Ah, the carefree, sunny days of childhood. And oh, the terrifying, dark nights. Nights when you closed your eyes tight, afraid to open them and see the painted, eternally leering face of a clown mere inches from your own. Nights when you could look out your bedroom window and watch the scarecrows walk across the lonely cornfields. When every story or fairytale your parents told you seemed to include monsters. And when even the teddy bear by your side had fangs and plans of his own. Travel back to those nights of horror now with four original novellas by four wonderfully macabre authors. And...sleep tight!

Selected Writings Apr 02 2020 'There are few situations in life which are more difficult to cope with than an adolescent son or daughter during the attempt to liberate themselves' Anna Freud was one of the most creative and innovative thinkers in the history of psychoanalysis, whose pioneering work in child analysis and development revolutionized the treatment of the young. This essential anthology of her writings includes extracts from her classic *The Ego and the Mechanisms of Defence*, as well as papers on normal and pathological child development, on adolescence, trauma, aggression and analytical technique. Together they offer a definitive overview of her entire career, displaying the richness, variety and originality of her thinking. 'An achievement of the first importance ... underlines the clarity and cogency of Anna Freud's thinking, [and] makes it accessible to a wide audience' Clifford Yorke, former Medical Director, the Anna Freud Centre, London

Psalms and Hymns Extracted from Approved Authors ... Commonly Called Nunn's Selection. Third Edition, Much Enlarged and Improved Dec 11 2020

*Correspondence of John, Fourth Duke of Bedford: Selected from the Originals at Woburn Abbey. With an Introduction* Mar 26 2022

*The Selected Letters of Caroline Norton* Jul 30 2022 As the first nineteenth century woman to successfully campaign for women's rights legislation, Caroline Norton has been comparatively neglected and under-researched. There is, however, a current and growing interest in her life and work. This is a new three volume collection of the correspondence of Caroline Norton. The collection includes over 750 of her letters and also features an introduction by the editors, contextualising and embedding Caroline's literary and political achievements within the narrative of her letters.

Psalms and hymns revised and selected for public worship Aug 07 2020

*Notes on Herodotus Original and Selected from the Best Commentators by Dawson W. Turner* Oct 28 2019

*Dryden: Selected Poems* Jul 26 2019 Dryden: Selected Poems is drawn from Paul Hammond and David Hopkins's remarkable five-volume *The Poems of John Dryden*, and includes a generous selection of his most important work. The great satires, *MacFlecknoe* and *Absalom and Achitophel*, are included in full, as are his religious poems *Religio Laici* and *The Hind and the Panther*, along with a number of Dryden's translations from Horace, Ovid, Homer, and Chaucer. Each poem is accompanied by a headnote, which gives details of composition, publication, and reception. The first-rate annotations provide information on matters of interpretation and give details of allusions that might prove baffling to contemporary readers. Some 300 years after his death, Dryden: Selected Poems will enable new generations of readers to discover the poet of whom Eliot wrote: 'we cannot fully enjoy or rightly estimate a hundred years of English poetry unless we fully enjoy Dryden'.

*Correspondence of John, Fourth Duke of Bedford Selected from the Originals at Woburn Abbey with an Introduction by Lord John Russel* Feb 22 2022

Mastering Your Fears and Phobias: Workbook Jul 06 2020 *Mastery of Your Fears and Phobias, Second Edition, Workbook* outlines a cognitive-behavioral treatment program for individuals who suffer from specific fears and phobias, including fear of blood, heights, driving, flying, water, and others. The program described in this workbook has proved to be the most effective treatment available for fears and phobias to date. It has a success rate of up to 90% with as little as one treatment session. Based on the principles of cognitive-behavioral therapy (CBT), this workbook teaches clients about the nature of their fear and how to overcome it through exposures and changing their negative thoughts. *Treatments That Work™* represents the gold standard of behavioral healthcare interventions! DT All programs have been rigorously tested in clinical trials and are backed by years of research DT A prestigious scientific advisory board, led by series Editor-In-Chief David H. Barlow, reviews and evaluates each intervention to ensure that it meets the highest standard of evidence so you can be confident that you are using the most effective treatment available to date DT Our books are reliable and effective and make it easy for you to provide your clients with the best care available DT Our corresponding workbooks contain psychoeducational information, forms and worksheets, and homework assignments to keep clients engaged and motivated DT A companion website ([www.oup.com/us/ttw](http://www.oup.com/us/ttw)) offers downloadable clinical tools and helpful resources DT Continuing Education (CE) Credits are now available on select titles in collaboration with PsychoEducational Resources, Inc. (PER)

**A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: St. Ambrose: Select works and letters. 1896** Nov 09 2020

**Selected Offprints** Oct 21 2021

*Blood and Fears: How America's Bomber Boys of the 8th Air Force Saved World War II* Jan 30 2020 The heroic, dramatic, and sometimes tragic history of how the US 8th Air Force changed the course of World War II. The US 8th Air Force came of age in 1944. With a fresh commander, it was ready to demonstrate its true power: from Operation Argument in February—targeting German aircraft production plants—to bringing the Luftwaffe to battle over Berlin, the combined US Air Force-Royal Air Force forces' round-the clock campaign bottled up the German army in Normandy. Day after day, the American bomber boys watched their comrades burn to death in blazing bombers, or observed their comrades being thrown out of exploding aircraft without parachutes and sink with their crippled aircraft in the freezing North Sea. But by the following spring they had destroyed the Nazi's fighting spirit and saw Germany broken in two. In this authoritative history, Kevin Wilson reveals the blood and heroism of the 8th Air Force. At the same time, he opens up the lives of the Women's Army Corps and Red Cross girls who served in England with them and feared for the men in the skies, and he hasn't flinched from recounting the devastation of bombing or the testimony of shocked German civilians. Drawing on first-hand accounts from diaries, letters, and his personal audio recordings, the author has brought to life the ebullient Americans' interaction with their British counterparts, unveiling stories of humanity and heartbreak. Thanks to America's bomber boys and girls, the tide of World War II shifted forever.
