28 2019 Two classic love stories in a keepsake edition that will heat up your winter! The Winter Soldier Everyone in Jacobsville, Texas, steered clear of taciturn Cy Parks-everyone but the spirited Lisa Monroe, who electrified the formidable loner with her tantalizing kisses. Their fiery passion escalated when the soldier returned from the line of duty-and claimed Lisa as his bride, to shield her from a revenge-seeking desperado. Clearly Cy was getting mighty possessive of this enchanting woman who needed the type of safeguarding only he could provide. But who would protect the beguiling bride from him...' Cattleman's Pride He was strong, seductive and set in his ways. She was shy, unassuming and achingly innocent. Yet when Jordan made it his personal crusade to help Libby hold on to her beloved homestead, everyone in Jacobsville knew it was just a matter of time before wedding bells chimed. But a cattleman's pride was a force to be reckoned with. Could Libby accomplish what no woman had before and tame this Long, Tall Texan's restless heart?

*Porsche 912 Workshop Manual 1965-1968* Apr 14 2021 Originally published by Floyd Clymer this is a faithful reproduction of the 1969 publication of that manual. By far the most comprehensive manual ever published for the 912 Porsche it includes complete technical data, service and maintenance information and comprehensive detailed instructions for the repair and overhaul of all major and minor mechanical and electrical components, making it an invaluable resource for collectors and restorers of these classic automobiles. There are separate sections that deal with the repair and overhaul procedures for the engine, ignition system, fuel system, clutch, transmission, rear suspension, steering, front suspension, brakes, heater, exhaust and emission control system plus a detailed electrical system section including wiring diagrams. There is a comprehensive chapter on routine service, maintenance and tune ups plus detailed technical specifications and maintenance charts. In addition, there is a separate section that

includes a copy of the Factory Owner's Manual originally supplied with the car when it was new. This is a - must have - reference for any Porsche 912 enthusiast and would certainly assist in helping any potential purchaser better understand the inner workings prior purchasing of one of these classic automobiles. Out-of-print and unavailable for many years, this book is becoming increasingly more difficult to find on the secondary market and we are pleased to be able to offer this reproduction as a service to all Porsche enthusiasts worldwide. *Metropolitan Factory Workshop Manual* Dec 23 2021 A reproduction of the Floyd Clymer Factory Workshop Manual, as published in Clymer's Metropolitan Owners Handbook, for the 1954-1962 Austin/Nash/American Motors Metropolitan. When Clymer published the Metropolitan Owners Handbook he had to reduce the overall size of the workshop manual to fit his 5 x 8 inch book size. This reduction in size resulted in extremely small images and text. The VelocePress edition has been restored to the original print size which is more than 200% larger than the Clymer publication and consequently, much easier to read! A profusely illustrated manual that includes all of the data you would expect from a factory publication for the repair and overhaul of all major and minor mechanical and electrical components. There are separate sections that deal with the repair and overhaul procedures for the engine, cooling system, carburetion, exhaust system, clutch, A & B series transmission, shifting system, brakes and wheels, hubs and drums, rear axle, drive shaft, front suspension, steering gear, weather eye system, a detailed electrical service section plus an exhaustive 62 page body section that deals with all facets of the bodywork including the correct procedure for fitting replacement panels! This is a - must have - reference for any Metropolitan enthusiast and would certainly assist in helping any potential purchaser better understand the inner workings prior to purchasing one of these classic automobiles. Out-of-print and unavailable for many years, this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction as a service to all Metropolitan enthusiasts worldwide.
