*The Ultimate Guide to Tease & Denial* Aug 23 2019 DescriptionThe Ultimate Guide To Tease & Denial is more than just about what to do when you want to tease your guy sexually. It's about taking control of your sex-life and getting what you want from it. There is a step-by-step guide that will walk you through your first month of teasing so that you can get used to doing those things you need to do to make things better. A must read for chastity enthusiasts. Tease and denial has never been so simple. Whether you want to utilize chastity in your relationship or not, makes no difference in a modern, healthy relationship. Reading this book will give you insights into your partner's motivations like nothing before. You can take control of what you want and leave the rest to him."The Ultimate Guide to Tease & Denial is a refreshing outlook on the sexual aspect of female domination that many women find cumbersome. I remember the days when I thought being a tease was a bad thing but Mistress Ivey has completely changed my perspective with her book. She empowers women by teaching not only how to use our inherent sexual charm to mold men's behavior but why it is important to release that inner naughty girl that many of us were taught to hide. This book has opened so many new channels of thought for me as it clearly points out how vital it is to express my love for my partner by using my feminine charms to seduce him every day and in many exciting ways while keeping him hung up and thirsty for more."Te-Erika "Queenie" Patterson (Publisher)ConquerHim.ComCelebrating The Beauty of Female Led Relationships

The Ultimate Guide to Yin Yang Jul 14 2021 The first book to fully explore and explain the concept of yin yang, breaking it down in easy-to-follow terms for all those interested in Daoism, alternative medicine, martial arts and other Eastern fields of study. Illustrated with striking red/black graphics that make the concepts more accessible. The concept of yin yang can be found in some of the oldest writing in the world. It is fundamental to Chinese thought and the route to understanding most Chinese practices, from Traditional Chinese Medicine to Daoism and feng shui. It also offers us ways of enhancing our own lives, establishing greater balance not only in our own environment but also in the wider world if we can work with other people to follow nature's flow. The central question of the book is "What is yin yang?" Step by step, with plenty of helpful illustrations and graphics, it explores the history and changing uses of yin yang - not forgetting the pronunciation and spelling (why yinyang is actually better than yin yang). The book also makes suggestions for working with yin yang, from observing the landscape to get a sense of the ebb and flow of energy through the world, to studying the patterns of nature in order to take what you need but not too much, to approaching sex as a cosmic ritual. After reading this book, readers will understand how to position themselves so that yin yang fills their lives with abundance - how to be in the right place at the right time.
