Just exercise just what we have the funds for below as well as review **Creating A Character A Physical Approach To Acting** what you past to read!

Character Computing Jun 04 2020 The book gives an introduction into the theory and practice of the transdisciplinary field of Character Computing, introduced by Alia El Bolock. The latest scientific findings indicate that “One size DOES NOT fit all” in terms of how to design interactive systems and predict behavior to tailor the interaction experience. Emotions are one of the essential factors that influence people’s daily experiences; they influence decision making and how different emotions are interpreted by different individuals. For example, some people may perform better under stress and others may break. Building upon Rosalind Picard’s vision, if we want computers to be genuinely intelligent and to interact naturally with us, we must give computers the ability to recognize, understand, even to have and express emotions and how different characters perceive and react to these emotions, hence having richer and truly tailored interaction experiences. Psychological processes or personality traits are embedded in the existing fields of Affective and Personality Computing. However, this book is the first that systematically addresses this including the whole human character; namely our stable personality traits, our variable affective, cognitive and

motivational states as well as our morals, beliefs and socio-cultural embedding. The book gives an introduction into the theory and practice of the transdisciplinary field of Character Computing. The emerging field leverages Computer Science and Psychology to extend technology to include the whole character of humans and thus paves the way for researchers to truly place humans at the center of any technological development. Character Computing is presented from three main perspectives: ● Profiling and sensing the character ● Leveraging characters to build ubiquitous character-aware systems ● Investigating how to extend Artificial Intelligence to create artificial characters

Character Apr 14 2021 The long-awaited third volume of Robert McKee's trilogy on the art of fiction. Following up his perennially bestselling writers' guide *Story* and his inspiring exploration of the art of verbal action in *Dialogue*, the most sought-after expert in the storytelling brings his insights to the creation of compelling characters and the design of their casts. *CHARACTER* explores the design of a character universe: The dimensionality, complexity and arcing of a protagonist, the invention of orbiting major characters, all encircled by a cast of service and supporting roles.

A Wife of Noble Character Oct 28 2019 A juicy, sprawling comedy of manners about a group of thirtysomethings navigating friendship, love, and their fledgling careers among Houston's high-powered, oil-money elite Thirty-year-old Vivienne Cally is wealthy in name only. Orphaned as a child and raised by a cold but regal aunt, Vivienne was taught to rely on her beauty and Texas tradition, and is expected to marry a wealthy and respectable man who will honor the Cally name. Friends with Houston's richest and most prominent families, she's a beloved fixture at the social events big and small, and suffers no shortage of access to some of the city's most eligible bachelors. Preston Duffin has known Vivienne and her set since childhood. He's never shared their social aspirations or

their status but is liked and respected for his sharp wit and intelligence. About to graduate from a prestigious architecture program, he is both fascinated and repelled by this group of friends he sits on the cusp of. He's long admired Vivienne's beauty and grace, but isn't sure he holds any place in such a traditional life. Intrigued by Preston's ambitions and the extent to which he challenges the only way of life she's ever known, Vivienne both courts Preston's attention, and rebuffs his critiques of her predictable and antiquated priorities and values. Inspired by Edith Wharton's *The House of Mirth*, Yvonne Georgina Puig's *A Wife of Noble Character* shares the original novel's astute social commentary at the same time that it illuminates the trappings and rewards of coming of age that are wholly unique to the twenty-first century. Charming and shrewd at once, this Texas love story takes readers from Houston to Paris and Switzerland and back again, and will speak to both fans of Wharton and anyone who has every struggled to find their way in life.

Actresses of a Certain Character Apr 02 2020 "Information presented regarding birth, death, film credits and analyzes each player's unique talents, signature roles and career development.

Representative range of backgrounds, character types and career experiences including actresses such as Agnes Moorehead, Thelma Ritter, Beulah Bondi, Sara Allgood, and Jessie Ralph, among others. A fascinating tour through Hollywood's big studio era and the lives of its characters"--
Provided by publisher.

Creating Unforgettable Characters Mar 02 2020 In this book, Linda Seger shows how to create strong, multidimensional characters in fiction, covering everything from research to character block. Interviews with today's top writers complete this essential volume.

Creating Character Arcs Jul 06 2020 Explores the techniques of effective character development in the processing of writing novels to take the author's stories from good to great, including how to

determine which arc is right for your character, why you should never pit plot against character, and how to avoid the pitfalls of writing novels without character arcs.

Writing Memoir (Lit Starts) Apr 26 2022 A book of writing prompts from the San Francisco Writers' Grotto, authors of the bestselling 642 Things series Focus on a single aspect of the craft of writing with help from the San Francisco Writers' Grotto. Writing Memoir starts with a foreword by New York Times bestselling author Julie Lythcott-Haims, who offers pointers for crafting a compelling narrative from your own experiences. The rest of the book consists of prompts and space to think, providing opportunities to reframe aspects of your life in thoughtful and interesting ways. Among other ideas, you'll be asked to write: a virtual tour of your hometown a description of what's in your purse or wallet right now a list of all the lies you've told an account of a historical event from your own lifetime, in a way that reveals something significant about yourself Take to a café, on vacation, or on your morning commute and practice your creative writing a little bit at a time. Special Features Advice from a published writer, followed by prompts Part of the Lit Starts series, a collection of single-subject writing prompt books by the San Francisco Writers' Grotto Check out the other books in this series: Writing Action, Writing Character, Writing Dialogue, Writing Humor, and Writing Sci-fi and Fantasy.

[The Secrets to Creating Character Arcs](#) Jun 16 2021 Transform your story with a character your readers will remember long after they've turned the last page When you think of unforgettable characters from books you've read, who comes to mind? James Bond, Harry Potter, Scarlett O'Hara, Elizabeth Bennett, Atticus Finch, Sherlock Holmes? These are just some of the most iconic characters in fiction. They are so memorable that even decades or centuries later, they still captivate our imagination. But what exactly is it about them that keeps readers through generations so

invested in them? Despite their vast differences in age, gender, nationality, occupation, and personality, each of them has a special quality that makes us want to know them more. Whether it's James Bond's suave demeanor, Scarlett O'Hara's haughty vulnerability, or Atticus Finch's righteousness, we're hooked. Do you want to know how you too can create your own unforgettable characters that your readers will be dying to read about? Yes, it's rare to write such timeless characters - even some bestselling authors don't have widely recognizable protagonists. However, it's entirely possible to write characters that resonate strongly with your readers - and get them hooked on your story - no matter how new you are to the game. Writers apply certain rules and tricks with their characters to make their stories shine and keep their audience engrossed. And with this guide, you'll find out exactly what they are. In *The Secrets to Creating Character Arcs*, here is just a fraction of what you will discover: How your characters can make or break your story - and what you can do to make your characters more compelling 10 simple tricks to add more excitement to your plot without veering away from your main story How to take advantage of plot and structure to help develop your protagonist's journey The worst thing you can do for your character that will immediately make them unappealing and uninteresting How to make your readers relate to - and root for - an unlikable character A fun yet insightful exercise in character building that can help you make sure all your characters have their own unique individual personalities 2 letters that will speed up your writing process without sacrificing quality And much more. Writing your first story (or your latest one) can be intimidating. The stakes seem to be higher when writing down words rather than just saying them out loud. But remember that you're allowed to make mistakes, change things up, delete, and add to your story however many times you need to. Plus, with the techniques from this guide at your disposal, you can approach your writing with more confidence. Sometimes, all you

need to do is get started... and the ideas will just keep flowing from there. If you want to take your stories to the next level, then scroll up and click the "Add to Cart" button right now.

Scala Cookbook Jul 26 2019 Save time and trouble when using Scala to build object-oriented, functional, and concurrent applications. With more than 250 ready-to-use recipes and 700 code examples, this comprehensive cookbook covers the most common problems you'll encounter when using the Scala language, libraries, and tools. It's ideal not only for experienced Scala developers, but also for programmers learning to use this JVM language. Author Alvin Alexander (creator of DevDaily.com) provides solutions based on his experience using Scala for highly scalable, component-based applications that support concurrency and distribution. Packed with real-world scenarios, this book provides recipes for: Strings, numeric types, and control structures Classes, methods, objects, traits, and packaging Functional programming in a variety of situations Collections covering Scala's wealth of classes and methods Concurrency, using the Akka Actors library Using the Scala REPL and the Simple Build Tool (SBT) Web services on both the client and server sides Interacting with SQL and NoSQL databases Best practices in Scala development

Books That Build Character Oct 01 2022 Argues reading can develop positive values, and evaluates 300 books

I AM... a Character Aug 19 2021 I call my short story fiction genre "loose with the truth" because there is always, always, always a kernel of truth in the fiction I flash. Some members of my writers' groups have become confused after they read one of my short stories, certain it was a personal essay despite my disclaimer. Some have begun to weep because of strong emotion evoked by a tale of visiting a doctor. No one believes that a single picture can sprout a short story with a powerful dynamic. My fiction is often more believable than the non-fiction within my tale. As the famed

author, Robert Crais, says, "I'm just making sh** up"-- and, to some people, it resounds. I guess that makes me a story-teller, a talent that has evolved. I never fibbed when I was a kid. Did you? Some stories are powered by a rant or a personal pet peeve or an encounter that perplexed me. One of these grew into a book, compelled by a need to tell more, to show more, and to create. My opinions have long been submerged due to polite rules of culture, especially when raised in the '50s in the Midwest. Every Boomer-aged woman I know can recite, in the same sing-song tone: "If you can't say anything nice, don't say anything at all." I relaxed into this mantle of overt story-telling when I heard Fannie Flagg mention the same manner of upbringing in the South. She confessed to maintaining a rich inner dialogue--studded with sarcasm and sass--back--through life when hemmed in by polite politics of discourse. And, she mined this terrain to produce stories, her vision, her point of view, often hilarious, always cohesive, always whip-cracking smart with insights. And, a catalog of best-selling books. She is my icon for "slice of life" tales. I've exorcized demons, retorted in print to people who've been unkind, and changed my point of view with writing as an algorithm for life. I've gained empathy, deepened my resistance, and resolved problems that will never resolve in real life. I write to learn what I'm thinking rather than remain locked in my feelings. Sometimes I even write to process feelings. I write to feel less insecure. I can't, couldn't, won't imagine life without the ability to write. I think I'd go crazy . . . or else suffer emotional death. A kibosh of monumental proportion on my spunky spirit. As it is, I no longer "brain-bitch", a euphemism gleaned from one of my favorite Hoosiers . . . I write.

Plot Versus Character Jan 24 2022 What's more important to a story: a gripping plot or compelling characters? Literary-minded novelists argue in favor of character-based novels while commercial novelists argue in favor of plot-based stories, but the truth of the matter is this: The best fiction is

rich in both. Enter Plot Versus Character. This hands-on guide to creating a well-rounded novel embraces both of these crucial story components. You'll learn to:

- Create layered characters by considering personality traits, natural attributes, and backgrounds
- Develop your character's emotional journey and tie it to your plot's inciting incident
- Construct a three-act story structure that can complement and sustain your character arc
- Expose character backstory in a manner that accentuates plot points
- Seamlessly intertwine plot and character to create a compelling page-turner filled with characters to whom readers can't help but relate
- And much more

Filled with helpful examples and friendly instruction, Plot Versus Character takes the guesswork out of creating great fiction by giving you the tools you need to inject life into your characters and momentum into your plots.

[Creating a Character](#) Nov 02 2022 Actor and mime artist Moni Yakim reveals his time-tested techniques and step-by-step exercises for physically evoking a character. Beginning with a chapter on looking inward, Yakim gives exercises on discovering aspects of one's own character. Then he teaches the actor how to identify with qualities outside the self. Finally, he shows how to apply these techniques to 12 classical theatrical roles.

majestic cliff-top villa owned by the wealthy Compton family, up-and-coming artist Claire Hunter will marry handsome, charming Jack Compton, surrounded by close family, intimate friends...and a host of dark secrets. From the moment Claire sets foot on the island, something seems amiss. Skeletal remains have just been found. There are other, newer disturbances, too. Menacing texts. A ruined wedding dress. And one troubling shadow hanging over Claire's otherwise blissful relationship—the strange mystery surrounding Jack's first wife. Then a raging storm descends, the power goes out—and the real terror begins... Don't miss J.T. Ellison's next thriller, IT'S ONE OF US, coming February 2023!

The Road to Character Jan 30 2020 #1 NEW YORK TIMES BESTSELLER • David Brooks challenges us to rebalance the scales between the focus on external success—“résumé virtues”—and our core principles. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ECONOMIST With the wisdom, humor, curiosity, and sharp insights that have brought millions of readers to his New York Times column and his previous bestsellers, David Brooks has consistently illuminated our daily lives in surprising and original ways. In *The Social Animal*, he explored the neuroscience of human connection and how we can flourish together. Now, in *The Road to Character*, he focuses on the deeper values that should inform our lives. Looking to some of the world's greatest thinkers and inspiring leaders, Brooks explores how, through internal struggle and a sense of their own limitations, they have built a strong inner character. Labor activist Frances Perkins understood the need to suppress parts of herself so that she could be an instrument in a larger cause. Dwight Eisenhower organized his life not around impulsive self-expression but considered self-restraint. Dorothy Day, a devout Catholic convert and champion of the poor, learned as a young woman the vocabulary of simplicity and surrender. Civil rights pioneers A. Philip Randolph and Bayard Rustin

learned reticence and the logic of self-discipline, the need to distrust oneself even while waging a noble crusade. Blending psychology, politics, spirituality, and confessionals, *The Road to Character* provides an opportunity for us to rethink our priorities, and strive to build rich inner lives marked by humility and moral depth. "Joy," David Brooks writes, "is a byproduct experienced by people who are aiming for something else. But it comes." Praise for *The Road to Character* "A hyper-readable, lucid, often richly detailed human story."—*The New York Times Book Review* "This profound and eloquent book is written with moral urgency and philosophical elegance."—Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon* "A powerful, haunting book that works its way beneath your skin."—*The Guardian* "Original and eye-opening . . . Brooks is a normative version of Malcolm Gladwell, culling from a wide array of scientists and thinkers to weave an idea bigger than the sum of its parts."—*USA Today*

Character Oct 09 2020 "What creates success? Is it skill? Talent? Ambition? Luck? Expertise? Perhaps it's knowing the right people, saying the right things or simply being at the right place at the right time. It's none of the above. While a variety of factors form our abilities and influence the events in our lives, there is only one thing that creates genuine success: character. Character is a unique set of moral and ethical qualities that define what you believe in, what you stand for, and what you expect of yourself and others. London asserts that how you act on these qualities -- your statement of character -- will determine how far you will go; whether you will succeed or fail. Success is also distinctively defined as acting with honesty and integrity, performing to the best of your ability, and appreciating the people who helped you achieve your goals. Character : the ultimate success factor demonstrates how character -- expressed through attitude, action, and resilience -- drives success. Just some of the simple and tangible lessons covered by London include:

assessing your attitude; aligning yourself with the right people and organizations; envisioning goals; identifying opportunities; embracing change; speaking up; making decisions; accepting risk; overcoming fear; creating momentum. Based on the personal, corporate and military experiences of Dr. J. Phillip London, a successful defense industry executive, as well as many other real-life examples, this book presents the time-tested lessons behind character-driven success"--Dust jacket.

Creating Character: Bringing Your Story to Life Feb 22 2022 All fiction is character-driven, according to William Bernhardt, despite what you might have heard elsewhere. If your characters don't interest readers, even the most exciting plots will fail. "Action is character," Aristotle wrote, but what does that mean, and how can you use that fundamental principle to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story. Using examples spanning from The Odyssey to The Da Vinci Code, Bernhardt discusses the art of character creation in a direct and easily comprehended manner. The book also includes exercises designed to help writers apply these ideas to their own work. William Bernhardt is the author of more than fifty novels, including the blockbuster Ben Kincaid series of legal thrillers. Bernhardt is also one of the most sought-after writing instructors in the nation. His programs have educated many authors now published by major houses. He is the only person to have received the Southern Writers Gold Medal Award, the Royden B. Davis Distinguished Author Award (U Penn) and the H. Louise Cobb Distinguished Author Award (OSU), which is given "in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large." The Red Sneaker Writing Center is dedicated to helping writers achieve their literary goals. What is a red sneaker writer? A committed writer seeking useful instruction and guidance rather than obfuscation and attitude. Red

sneakers get the job done, and so do red sneaker writers, by paying close attention to their art and craft, committing to hard work, and never quitting. Are you a red sneaker writer? If so, this book is for you.

Lord of the Flies Sep 27 2019 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The Matrix and Meaning of Character Jul 18 2021 Character structures underlie everyone's personality. When rigidly defended, they limit us; yet as they become more flexible, they can reveal sources of animation, renewal and authenticity. The Matrix and Meaning of Character guides the reader into an awareness of the archetypal depths that underlie character structures, presenting an original developmental model in which current analytic theories are synthesised. The authors examine nine character structures, animating them with fairy tales, mythic images and case material, creating a bridge between the traditional language of psychopathology and the universal realm of image and symbol. This book will appeal to all analytical psychologists, psychoanalysts and psychotherapists who want to strengthen their clinical expertise. It will help clinicians to extend their clinical insights beyond a strictly behavioural, medical or cognitive approach, revealing the potential of the human spirit.

Divisadero Jun 28 2022 From the celebrated author of *The English Patient* and *In the Skin of a Lion* comes a remarkable new novel of intersecting lives that ranges across continents and time. In the 1970s in northern California, near Gold Rush country, a father and his teenage daughters, Anna and Claire, work their farm with the help of Coop, an enigmatic young man who makes his home with them. Theirs is a makeshift family, until it is riven by an incident of violence — of both hand and heart — that sets fire to the rest of their lives. Divisadero takes us from the city of San Francisco to the raucous backrooms of Nevada’s casinos, and eventually to the landscape of south central France. It is here, outside a small rural village, that Anna becomes immersed in the life and the world of a writer from an earlier time — Lucien Segura. His compelling story, which has its beginnings at the turn of the century, circles around “the raw truth” of Anna’s own life, the one she’s left behind but can never truly leave. And as the narrative moves back and forth in time and place, we discover each of the characters managing to find some foothold in a present rough-hewn from the past. Breathtakingly evoked and with unforgettable characters, Divisadero is a multi-layered novel about passion, loss, and the unshakable past, about the often discordant demands of family, love, and memory. It is Michael Ondaatje’s most intimate and beautiful novel to date.

Oh Boy, You're Having a Girl Dec 11 2020 Rules for Raising Little Girls "As the father of a daughter, I wish I'd read this very funny book sooner, if only to know that it's OK for a grown man to wear a tutu." - Dave Barry "Required reading for any parent who doesn't know pants from leggings." - Dan Zevin, author of *Dan Gets a Minivan: Life at the Intersection of Dude and Dad* It's easy to imagine how you'd raise a boy--all the golf outings, lawnmower lessons, and Little League championships you'd attend--but playing dad to a little princess may take some education. In *Oh Boy, You're Having a Girl*, Brian, a father of three girls, shares his tactics for surviving this new and

glittery world. From baby dolls and bedtime rituals to potty training and dance recitals, he leads you through all the trials and tribulations you'll face as you're raising your daughter. He'll also show you how to navigate your way through tough situations, like making sure that she doesn't start dating until she's fifty. Complete with commandments for restroom trips and properly participating in a tea party, *Oh Boy, You're Having a Girl* will brace you for all those hours playing house--and psych you up for the awesomeness of raising a daughter who has you lovingly wrapped around her little finger. "Somehow, Brian Klems has taken one of the most traumatic situations known to a father--having a daughter--and made it into something so completely hilarious you'll laugh until you've got oxygen deprivation!" - W. Bruce Cameron, author of *8 Simple Rules for Dating My Teenage Daughter*

The Book Thief Mar 14 2021 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist--books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Out of Character Nov 21 2021 It's friends-to-enemies-to-friends-to-lovers in this LGBTQIA+ Romance for fans of Red, White & Royal Blue and The Pros of Cons. Jasper Quigley is tired of being everyone's favorite sidekick. He wants to become the hero of his own life, but that's not going to happen if he agrees to help out his former best friend turned king of the jocks, Milo Lionetti. High school was miserable enough, thanks, and Jasper has no interest in dredging up painful memories of his old secret crush. But Milo's got nowhere else to go. His life is spiraling out of control and he's looking to turn things back around. Step one? Replace the rare Odyssey cards he lost in an idiotic bet. Step two? Tell his ex-best-friend exactly how he feels—how he's always felt. Jasper may be reluctant to reopen old wounds, but he never could resist Milo. There's a catch, though: if Milo wants his help, he's going to have to pitch in to make the upcoming children's hospital charity ball the best ever. But as the two don cosplay for the kids and hunt for rare cards, nostalgia for their lost friendship may turn into something even more lasting...

[The Compass of Character](#) Jun 24 2019 Just as a compass provides direction for an explorer, so does motivation provide direction for characters in fiction. The "compass" of character motivation is composed of four points: Lack, Yearning, Resistance, and Desire. In *The Compass of Character* you'll learn to deeply consider the key question "What does my character want?" and learn techniques to answer that question by writing realistic and empathetic characters without falling into formulaic, unsatisfying results that only diminish the character. Bestselling author and acclaimed writing instructor David Corbett provides writers with the essentials for building characters with motivations that range from clear to complex by exploring topics such as: • human yearning • pathological maneuvers • the pain of life vs. the promise of life • backstory and behavior • mechanics of growth and transformation • dramatizing mistaken desire and misbegotten yearnings •

moral arguments The key to fascinating characters is rendering subtle inner states in straightforward external circumstances, which requires a fundamental understanding of the simple building blocks of complex motivation as they manifest themselves in behavior, where complexity of purpose collides with the messy, indifferent world. *The Compass of Character* is the one book that can guide writers to that end with both instruction and inspiration.

The Character of Man Dec 31 2019

Grit May 16 2021 In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among *Grit*’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high

standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (*The Wall Street Journal*).

The Character in the Book Aug 31 2022 When the character in the book gets an invitation to visit his Auntie in her book, he's all set to go. But when he tries to get out of his book, he runs into some trouble. He can't get out at the top of the page, and he can't get out at the bottom. So he tries going forward -- and going forward works! By foot, on wheels, unfazed by the occasional mountain or river in his way, the plucky Character finally zips right out of his own book...and right into his auntie's. When the Character in the Book gets an invitation to visit his dear Auntie, he's all set to go. But when he tries to get out of his book, he runs into some trouble. bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Reviewed* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

The Recess Queen Jan 12 2021 An irrepressible new girl dethrones the reigning recess bully by becoming her friend in this infectious playground romp. Mean Jean was Recess Queen and nobody said any different. Nobody swung until Mean Jean swung. Nobody kicked until Mean Jean kicked. Nobody bounced until Mean Jean bounced. If kids ever crossed her, she'd push 'em and smoosh 'em lollapaloosh 'em, hammer 'em, slammer 'em kitz and kajammer 'em. Until a new kid came to school! Parents and teachers will appreciate the story's deft handling of conflict resolution (which happens without adult intervention). "A lively story about the power of kindness and friendship" -- Publishers Weekly "A lighthearted look at a serious topic in schools and on playgrounds everywhere..." -- School Library Journal "Great for reading aloud and joining in." -- Booklist

The Art of Character Oct 21 2021 Former private investigator and New York Times notable author David Corbett offers a unique and indispensable toolkit for creating characters that come vividly to life on the page and linger in memory. Corbett provides an inventive, inspiring, and vastly entertaining blueprint to all the elements of characterization—from initial inspiration to realization—with special insights into the power of secrets and contradictions, the embodiment of roles, managing the "tyranny of motive," and mastering crucial techniques required for memorable dialogue and unforgettable scenes. This is a how-to guide for both aspiring and accomplished writers

that renders all other books of its kind obsolete.

Creating Characters May 04 2020 A frequent problem area for fiction writers is characterization. If writers jump headlong into a story with only a fuzzy notion about the people who are in it, the result is a collection of characters who are cliched, stereotypical and not very interesting. *Creating Characters* is an easy to use reference work that looks at character development from many different angles. The book does not tell writers how to write. Instead, it generates a thought process by asking crucial questions about characters' internal and external traits, wants, needs, likes, dislikes, fears, beliefs, strengths, weaknesses, habits and backgrounds. Following these questions, the writer will find an ever deeper and wider array of options. Thus, *Creating Characters* helps writers delve as deeply into a character's psychology as they want. All characters, and the stories they people, can be made richer and more compelling.

Exploring Movie Construction and Production Nov 09 2020 *Exploring Movie Construction & Production* contains eight chapters of the major areas of film construction and production. The discussion covers theme, genre, narrative structure, character portrayal, story, plot, directing style, cinematography, and editing. Important terminology is defined and types of analysis are discussed and demonstrated. An extended example of how a movie description reflects the setting, narrative structure, or directing style is used throughout the book to illustrate building blocks of each theme. This approach to film instruction and analysis has proved beneficial to increasing students' learning, while enhancing the creativity and critical thinking of the student.

American Character Sep 19 2021 The author of *American Nations* examines the history of and solutions to the key American question: how best to reconcile individual liberty with the maintenance of a free society The struggle between individual rights and the good of the community

as a whole has been the basis of nearly every major disagreement in our history, from the debates at the Constitutional Convention and in the run up to the Civil War to the fights surrounding the agendas of the Federalists, the Progressives, the New Dealers, the civil rights movement, and the Tea Party. In *American Character*, Colin Woodard traces these two key strands in American politics through the four centuries of the nation's existence, from the first colonies through the Gilded Age, Great Depression and the present day, and he explores how different regions of the country have successfully or disastrously accommodated them. The independent streak found its most pernicious form in the antebellum South but was balanced in the Gilded Age by communitarian reform efforts; the New Deal was an example of a successful coalition between communitarian-minded Eastern elites and Southerners. Woodard argues that maintaining a liberal democracy, a society where mass human freedom is possible, requires finding a balance between protecting individual liberty and nurturing a free society. Going to either libertarian or collectivist extremes results in tyranny. But where does the "sweet spot" lie in the United States, a federation of disparate regional cultures that have always strongly disagreed on these issues? Woodard leads readers on a riveting and revealing journey through four centuries of struggle, experimentation, successes and failures to provide an answer. His historically informed and pragmatic suggestions on how to achieve this balance and break the nation's political deadlock will be of interest to anyone who cares about the current American predicament—political, ideological, and sociological.

Character Mar 26 2022 What is "character"? Since at least Aristotle's time, philosophers, theologians, moralists, artists, and scientists have pondered the enigma of human character. In its oldest usage, "character" derives from a word for engraving or stamping, yet over time, it has come to mean a moral idea, a type, a literary persona, and a physical or physiological manifestation

observable in works of art and scientific experiments. It is an essential term in drama and the focus of self-help books. In *Character: The History of a Cultural Obsession*, Marjorie Garber points out that character seems more relevant than ever today, omnipresent in discussions of politics, ethics, gender, morality, and the psyche. References to character flaws, character issues, and character assassination and allegations of “bad” and “good” character are inescapable in the media and in contemporary political debates. What connection does “character” in this moral or ethical sense have with the concept of a character in a novel or a play? Do our notions about fictional characters catalyze our ideas about moral character? Can character be “formed” or taught in schools, in scouting, in the home? From Plutarch to John Stuart Mill, from Shakespeare to Darwin, from Theophrastus to Freud, from nineteenth-century phrenology to twenty-first-century brain scans, the search for the sources and components of human character still preoccupies us. Today, with the meaning and the value of this term in question, no issue is more important, and no topic more vital, surprising, and fascinating. With her distinctive verve, humor, and vast erudition, Marjorie Garber explores the stakes of these conflations, confusions, and heritages, from ancient Greece to the present day.

What a Character! May 28 2022 From Mr. Clean to Mr. Bubble, from the wholesome Quaker Oats Man to the mischievous Trix Rabbit, advertising characters are as much a part of twentieth-century America as the familiar products they symbolize. Illustrated with vivid, full-color photographs, and accompanied by a fascinating text, this fanciful volume offers an entertaining look at the history and design of these pop culture icons, with their timeless appeal for consumers of all ages.

How to Write a Novel Nov 29 2019 Author and former literary agent Nathan Bransford shares his secrets for creating killer plots, fleshing out your first ideas, crafting compelling characters, and
