**Allies** Sep 30 2022 This book is for everyone. Because we can all be allies. As an ally you use your power-no matter how big or small-to support others. You learn, and try, and mess up, and try harder. In this collection of true stories, 17 critically acclaimed and bestselling YA authors get real about being an ally, needing an ally, and showing up for friends and strangers. From raw stories of racism and invisible disability to powerful moments of passing the mic, these authors share their truths. They invite you to think about

your own experiences and choices and how to be a better ally. There are no easy answers, but this book helps you ask better questions. Self-reflection prompts, resources, journaling ideas, and further reading suggestions help you find out what you can do. Because we're all in this together. And we all need allies. A donation of 5% net sales in the US will be donated to We Need Diverse Books

Savvy Ally Nov 20 2021 *The Savvy Ally: A Guide for Becoming a Skilled LGBTQ+ Advocate* is an enjoyable, humorous, encouraging, easy to understand guidebook for being an ally to the LGBTQ+ communities. It is chock full of practical and useful tools for LGBTQ+ advocacy, including: -Current and relevant information on identities and LGBTQ+ language -Tips for what to say and what not to say when someone comes out to you -LGBTQ+ etiquette and techniques for respectful conversations -Common bloopers to avoid -Tools for effectively navigating difficult conversations -Suggestions for addressing common questions and concerns -Actions for creating more LGBTQ+ inclusive spaces -Recommendations for self-care and sustainable allyship This book will be useful for teachers, counselors, social workers, nurses, medical technicians, and college professors, as well as parents who want to be supportive of their LGBTQ+ child, but don't know how. This is not a book about why to be an ally. This is a book about how to be an ally. The goal of *The Savvy Ally* is to create more confident, active allies who are effective advocates for change. This informative, entertaining, and supportive guidebook will surely jump-start even the most tentative ally.

**The Allies** Feb 21 2022 Best-selling author Winston Groom tells the complex story of how Franklin Roosevelt, Winston Churchill, and Joseph Stalin--the three iconic and vastly different Allied leaders--aligned to win World War II and created a new world order. By the end of World War II, 59 nations were arrayed against the axis powers, but three great Allied leaders--Franklin Roosevelt, Winston Churchill, and Joseph Stalin--had emerged to control the war in Europe and the Pacific. Vastly different in upbringing and political beliefs, they were not always in agreement--or even on good terms. But, often led by Churchill's enduring spirit, in the end these three men changed the course of history. Using the remarkable letters between the three world leaders, enriching narrative details of their personal lives, and riveting tales of battles won and lost, best-selling historian Winston Groom returns to share one of the biggest stories of the 20th century: The interwoven and remarkable tale, and a fascinating study of leadership styles, of three world leaders who fought the largest war in history.

**Military Strategies of the New European Allies** Oct 27 2019 This book analyses how and to what extent ex-communist states have adjusted their defence strategies since joining the EU and NATO, and how differences and similarities between their strategies can be explained. Between 1999 and 2013, four phases of enlargement took place when the European Union (EU) and NATO allowed 11 new former communist states to enter both organisations. These states share some common attributes and experiences related to strategic culture and common experiences during the Cold War era that can potentially explain similarities in behaviour and preferences among them. However, the strategic adjustments among these states are far from uniform. In an effort to explain these differences, the book introduces three intervening variables: (1) differences in relative power and position in the international system, (2) national geographical characteristics; and (3) historical experiences related to formative periods of state-building processes as well as wars and

armed conflicts. Empirically, the book strives to present and analyse the defence strategies of each of the new allies by conducting a structured focused comparison of official strategic documents from the twenty-first century for each of the 11 cases. Theoretically and methodologically, it introduces an analytical framework enabling us to explain both similarities and differences in the formulation of the strategies of the 11 states, and to shed light on their external and internal efforts to promote their strategic interest by operationalising the dependent variable - defence strategy. The analytical framework combines elements of structural realism with classical realism, and constructivist research on unit-level characteristics related to relative power and perceptions of strategic exposure. This book will be of much interest to students of strategic studies, European Union policy, NATO and International Relations in general.

*Hitler's Italian Allies* Aug 25 2019 Offering an innovative analytical cross-section of the Italian war effort, from society and culture through politics and war production, the author provides a striking portrait of the military institutions and regime that failed in mobilizing the nation's resources.

**Finding Allies, Building Alliances** Jun 15 2021 From Governor and White House cabinet member Mike Leavitt: how to find collaborative solutions to the greatest challenges Your business challenges extend far beyond you and your firm, to the competitors within your industry and the regulators outside it. Finding solutions to larger issues requires cooperation between diverse stakeholders, and in this rapidly changing world, only those able to adapt and network successfully will produce fast, competitive solutions. How can leaders successfully bridge divides and turn competitors into collaborators? Leavitt and McKeown explain how a well-chosen network can become a powerful alliance. Whether you're launching a new partnership, or rehabilitating one already in progress, *Finding Allies, Building Alliances* will help you find workable solutions to the most complex problems. Written by Mike Leavitt, former Governor of Utah who brought the 2002 Winter Olympics to Salt Lake City, former US Secretary of Health and human services, and former head of the EPA; with his former Chief of Staff and business partner Rich McKeown, co-founder of Leavitt Partners Includes a framework of 8 elements that will help any leader foster and maintain an effective, productive collaborative venture Shows how better collaboration can not only solve problems, but boost the competitiveness and resilience in all sectors *Finding Allies, Building Alliances* is essential reading for any business leader looking for transformative solutions and a sustainable future.

*Allies and Obstacles* Jan 23 2022 Parents of children with disabilities often situate their activism as a means of improving the world for their child. However, some disabled activists perceive parental activism as working against the independence and dignity of people with disabilities. This thorny relationship is at the heart of the groundbreaking *Allies and Obstacles*. The authors chronicle parents' path-breaking advocacy in arenas such as the right to education and to liberty via deinstitutionalization as well as how they engaged in legal and political advocacy. *Allies and Obstacles* provides a macro analysis of parent activism using a social movement perspective to reveal and analyze the complex—and often tense—relationship of parents to disability rights organizations and activism. The authors look at organizational and individual narratives using four case studies that focus on intellectual disability, psychiatric diagnoses,

autism, and a broad range of physical disabilities including cerebral palsy and muscular dystrophy. These cases explore the specific ways in which activism developed among parents and people with disabilities, as well as the points of alliance and the key points of contestation. Ultimately, *Allies and Obstacles* develops new insights into disability activism, policy, and the family.

**Sex Among Allies** May 27 2022 This study examines and illuminates how the lives of Korean prostitutes in the 1970s served as the invisible underpinnings to US-Korean military policies at the highest level.

**Modern Age Enemies & Allies** Jul 17 2021 You can't tell stories without characters and that's where *Enemies & Allies* comes in. This sourcebook for the Modern AGE RPG is the Game Master's one stop shop for NPCs and creatures, covering genres such as modern fantasy, horror, near future SF, technothrillers, and crime dramas. It also includes rules to help you develop your own creatures and NPCs from scratch and modify those from other Modern AGE resources. The book also includes new game systems for Heat (how much unwanted attention characters are attracting), geomantic places of power, and more. Give your Modern AGE campaign character with *Enemies & Allies*!

*The Aztec Eagles* Sep 06 2020 Aztec Eagles helped modernize the Mexican Air Force and demonstrated that Mexico could mount a successful expeditionary force. Significant as these achievements are, perhaps the unit's most important legacy is that the Aztec Eagles fought for honour and for Mexico as Allies in WWII, creating national pride throughout their homeland.

**Educating Activist Allies** Jun 23 2019 A CHOICE Outstanding Academic Title 2013! *Educating Activist Allies* offers a fresh take on critical education studies through an analysis of social justice pedagogy in schools serving communities privileged by race and class. By documenting the practices of socially committed teachers at an urban private academy and a suburban public school, Katy Swalwell helps educators and educational theorists better understand the challenges and opportunities inherent in this work. She also examines how students responded to their teachers' efforts in ways that both undermined and realized the goals of social justice pedagogy. This analysis serves as the foundation for the development of a curricular framework helping students to foster an "Activist Ally" identity: the skills, knowledge, and dispositions necessary to negotiate privilege in ways that promote justice. *Educating Activist Allies* provides a powerful introduction to the ways in which social justice curricula can and should be enacted in communities of privilege.

**Unlikely Allies** Jul 29 2022 From the author of *Without Precedent* and *Indivisible*, the gripping true story of how three men used espionage, betrayal, and sexual deception to help win the American Revolution. *Unlikely Allies* is the story of three remarkable historical figures. Silas Deane was a Connecticut merchant and delegate to the Continental Congress as the American colonies struggled to break with England. Caron de Beaumarchais was a successful playwright who wrote *The Barber of Seville* and *The Marriage of Figaro*. And the flamboyant and mysterious Chevalier d'Éon?—officer, diplomat, and sometime spy?—was the talk of London and Paris. Is the Chevalier a man or a woman? When Deane is sent to France to convince the French government to support the revolutionary cause, he enlists the help of Beaumarchais. Together, they successfully smuggle weapons, ammunition, and supplies to New England just in time for the crucial Battle of Saratoga, which turned the tide of the American Revolution. And the catalyst for

Louis XVI's support of the Americans against England was the Chevalier d'Éon, whose decision to declare herself a woman helped to lead to the Franco-American alliance. These three people spin a fascinating web of political intrigue and international politics that stretches across oceans as they ricochet from Versailles to Georgian London to the Pennsylvania State House (now Independence Hall) in Philadelphia. Each man has his own reasons for wanting to see America triumph over the British, and each contends daily with the certainty that no one is what they seem. The line between friends and enemies is blurred, spies lurk in every corner, and the only way to survive is to trust no one. An edge-of-your-seat story full of fascinating characters and lavish with period detail and sense of place, *Unlikely Allies* is Revolutionary history in all of its juicy, lurid glory.

**The Bombing of Auschwitz** Nov 08 2020 Could the Allies have prevented the deaths of tens of thousands of Holocaust victims? Inspired by a conference held to mark the opening of the US Holocaust Memorial Museum, this book brings together the key contributions to this debate.

*Allies & Assassins* Apr 13 2021 Sixteen-year-old Jared is the newly crowned Prince of All Archenfield, ascending the throne after his older brother's mysterious death. But Jared feels reluctant and unprepared to rule the Princedom and its dangerous and powerful court. Like each Prince of All Archenfield before him, Jared must rely on the Council of Twelve to advise him. But he knows he can just as easily be at their mercy--especially when it appears that one of the Twelve might have orchestrated his brother's untimely death. Propelled by his rage over the loss of his brother and wary of all his advisors, Jared can trust only Asta: a clever, strong-willed girl from the settlements, currently serving as the Physician's apprentice. Asta and Jared take it upon themselves to hunt down his brother's assassin--though the assassin may be hunting them, as well. Murder, betrayal, and intrigue abound in Justin Somper's thrilling YA series debut. Exploring the political machinations of the medieval-esque court and the lives that hang in the balance, *Allies & Assassins* is a gripping tale of a teen torn between duty and revenge.

**Grenade** Jul 05 2020 It's 1945, and the world is in the grip of war. Hideki lives with his family on the island of Okinawa, near Japan. When the Second World War crashes onto his shores, Hideki is drafted to fight for the Japanese army. He is handed a grenade and a set of instructions: Don't come back until you've killed an American soldier. Ray, a young American Marine, has just landed on Okinawa. This is Ray's first-ever battle, and he doesn't know what to expect -- or if he'll make it out alive. All he knows that the enemy is everywhere. Hideki and Ray each fight their way across the island, surviving heart-pounding ambushes and dangerous traps. But then the two of them collide in the middle of the battle... And choices they make in that single instant will change everything. Alan Gratz, New York Times bestselling author of *Refugee*, returns with this high-octane story of how fear and war tear us apart, but how hope and redemption tie us together. Reviews for *Refugee*: "An absolute must read for people of all ages" - Hannah Greendale, Goodreads "Like RJ Palacio's *Wonder*, this book should be mandatory reading..." - Skip, Goodreads "I liked how the book linked history with adventure, and combined to make a realistic storyline for all three characters" - AJH, aged 11, Toppsta

**How America's Allies Perceive U.S. Primacy - A Neorealist Approach with Focus on the Latest Iraq War** Oct 08 2020 Essay

from the year 2007 in the subject Politics - International Politics - Region: USA, grade: 1,0, University of Queensland, 12 entries in the bibliography, language: English, abstract: Nowadays, the United States of America is undoubtedly the most powerful country in the international arena. Its primacy in the world is chiefly based on its extraordinarily large military capabilities and strong economy. U.S. leaders and citizens consider the U.S. primacy to be a force for good, which is intrinsic to American exceptionalism, i.e. the idea that the USA can and should help make the world a better place. As former president William Clinton put it: the United States is a “beacon of hope to peoples around the world,” and is “indispensable to the forging of stable political relations.” However, there are plenty of other countries whose leaders and citizens are not pleased with U.S. primacy, some of them even considering it to be dangerous. Concerns of other states have grown since George W. Bush has become president who – by making use of U.S. primacy – has been embarking on a more unilateral foreign policy than his predecessor has. Even close allies have become more worried about the United States’ influence in world politics. In November 2003, some months after the latest U.S. invasion of Iraq, a poll conducted by BBC revealed that 53 percent of Europeans considered the United States to have a negative role on peace in the world. This essay illustrates why even the United States’ allies have reason to fear and actually do fear U.S. primacy. This thesis is going to be substantiated by analyzing in detail the opposition of Germany and France, both close allies of the United States, to George W. Bush’s plan to invade Iraq during the time that lead up to the invasion in March 2003. Initially, though, this essay is going to shed light on what makes the U.S. being the independent strongest actor in world politics and how its unilateralism can be made sense of in the context of the theory of structural realism, as outlined by Kenneth N. Waltz.

Allies Nov 01 2022 An instant New York Times bestseller! Alan Gratz, bestselling author of *Refugee*, weaves a stunning array of voices and stories into an epic tale of teamwork in the face of tyranny -- and how just one day can change the world. June 6, 1944: The Nazis are terrorizing Europe, on their evil quest to conquer the world. The only way to stop them? The biggest, most top-secret operation ever, with the Allied nations coming together to storm German-occupied France. Welcome to D-Day. Dee, a young U.S. soldier, is on a boat racing toward the French coast. And Dee -- along with his brothers-in-arms -- is terrified. He feels the weight of World War II on his shoulders. But Dee is not alone. Behind enemy lines in France, a girl named Samira works as a spy, trying to sabotage the German army. Meanwhile, paratrooper James leaps from his plane to join a daring midnight raid. And in the thick of battle, Henry, a medic, searches for lives to save. In a breathtaking race against time, they all must fight to complete their high-stakes missions. But with betrayals and deadly risks at every turn, can the Allies do what it takes to win?

Teachers as Allies Jun 27 2022 Nothing provided

*Lethal Allies: British Collusion in Ireland* Dec 10 2020 Farmers, shopkeepers, publicans and businessmen were slaughtered in a bloody decade of bombings and shootings in the counties of Tyrone and Armagh in the 1970s. Four families each lost three relatives; in other cases, children were left orphaned after both parents were murdered. For years there were claims that loyalists were helped and guided by members of the RUC and Ulster Defence Regiment. But, until now, there was no proof. Drawing on 15 years of research, and using

forensic and ballistic information never before published, this book includes official documents showing that the highest in the land knew of the collusion and names those whose fingers were on the trigger and who detonated the bombs. It draws on previously unpublished reports written by the PSNI's own Historical Enquiries Team. It also includes heartbreaking interviews with the bereaved families whose lives were shattered by this cold and calculated campaign.

**Outposts and Allies** May 03 2020 An account of the great transition from the U.S. Army's full mobilization in World War II to peacetime support of overseas forces and allies. Includes discussion of the military logistics of applying the Truman Doctrine; military assistance in China, the Philippines, Japan, and Indochina; and Western Hemisphere defense, Illustrated.

**The Polish Underground Army, the Western Allies, and the Failure of Strategic Unity in World War II** Jan 29 2020 Poland was the first country to stand up to Germany in 1939, and maintained an underground army during the years of World War II. The underground army was organized in occupied Poland in October 1939 and worked until April 1945, hoping to establish a legitimate authority in post-war Poland while liberating territory with the aid of Polish Forces from the west. This military history covers the attempts of General Wladyslaw Sikorski and his successor (General Kazimierz Sosnkowski) to integrate the Polish forces into Western strategy, and trying to have their clandestine forces (the Armia Krajowa) declared an allied combatant and legitimized by the Western powers before the eyes of both Germans and Soviets who sought Poland's destruction. The work opens with some general remarks on the inter-war period of 1919-1939, and then concentrates on the period of October 1939 through January 1945 and V-E Day. It covers such topics as Poland's part in the Norwegian and French Campaigns, the Battle of Britain, Polish Intelligence Services, Military Radio Network, Feluccas, the creation of the Polish Parachute Brigade, the German invasion of the Soviet Union, the Bomber Offensive, the Katyn graves, Polish air crews in RAF Transport Command, Tehran, Polish Wings in the 2nd Tactical Air Force, the Bardsea Plan, the invasion of Normandy, the Pierwsza Pancera, the Warsaw Uprising, Operation Freston, the disbanding of the Polish Home Army, and Yalta. A conclusion and several appendices (including a chronology, costs of the Polish forces based in the UK, list of Polish squadrons in UK, and the texts of Polish-British agreements) close the work.

**Uncommon Defense** Aug 06 2020 Evaluates the uncharacteristic 1832 support of the U.S. army by Native Americans against the Black Hawk tribe's effort to reoccupy previously ceded land in Illinois, analyzing allegiances from earlier wars as well as inter-tribal conflicts to offer insight into period motivations and long-term results.

**I Am Number Four: The Lost Files: Rebel Allies** Oct 20 2021 The perfect companion book to the New York Times bestselling I Am Number Four series! I Am Number Four: The Lost Files: Rebel Allies is a collection of three thrilling stories by Pittacus Lore. Originally published as the e-novellas The Fugitive, The Navigator, and The Guard, now, for the first time ever, they are together in one print volume. The Fugitive follows Mark James as he tries to track down Sarah Hart, evade the Mogadorians and the FBI, and discover the identity of the mysterious blogger he knows only as GUARD. The Navigator reveals the truth about the crew of the two Loric spaceships who escaped to Earth and shows what happened to the pilots after they arrived and parted ways with the Garde. The

Guard tells the story of the hacker who has been aiding the Lorien survivors from the shadows for years. She's determined to defeat the Mogs—and she just found her secret weapon. You know the truth about the Mogadorians' invasion of Earth and the Garde who will do anything to defeat them—yet there is still so much to learn. The stories in *Rebel Allies* will help you get the answers you seek, but they will not help you stop the coming war. Only the Garde can save our planet. But they are not alone. . . .

Our Secret Allies Sep 18 2021

**Ally** Feb 09 2021 NEW YORK TIMES BESTSELLER • Includes a new afterword about the Iran nuclear agreement, the 2016 presidential race, and the future of the U.S.-Israel alliance Michael B. Oren's memoir of his time as Israel's ambassador to the United States—a period of transformative change for America and a time of violent upheaval throughout the Middle East—provides a frank, fascinating look inside the special relationship between America and its closest ally in the region. Michael Oren served as the Israeli ambassador to the United States from 2009 to 2013. An American by birth and a historian by training, Oren arrived at his diplomatic post just as Benjamin Netanyahu, Barack Obama, and Hillary Clinton assumed office. During Oren's tenure in office, Israel and America grappled with the Palestinian peace process, the Arab Spring, and existential threats to Israel posed by international terrorism and the Iranian nuclear program. Forged in the Truman administration, America's alliance with Israel was subjected to enormous strains, and its future was questioned by commentators in both countries. On more than one occasion, the friendship's very fabric seemed close to unraveling. *Ally* is the story of that enduring alliance—and of its divides—written from the perspective of a man who treasures his American identity while proudly serving the Jewish State he has come to call home. No one could have been better suited to strengthen bridges between the United States and Israel than Michael Oren—a man equally at home jumping out of a plane as an Israeli paratrooper and discussing Middle East history on TV's Sunday morning political shows. In the pages of this fast-paced book, Oren interweaves the story of his personal journey with behind-the-scenes accounts of fateful meetings between President Obama and Prime Minister Netanyahu, high-stakes summits with the Palestinian leader Mahmoud Abbas, and diplomatic crises that intensified the controversy surrounding the world's most contested strip of land. A quintessentially American story of a young man who refused to relinquish a dream—irrespective of the obstacles—and an inherently Israeli story about assuming onerous responsibilities, *Ally* is at once a record, a chronicle, and a confession. And it is a story about love—about someone fortunate enough to love two countries and to represent one to the other. But, above all, this memoir is a testament to an alliance that was and will remain vital for Americans, Israelis, and the world.

**Refugee** Apr 01 2020 A tour de force from acclaimed author Alan Gratz (*Prisoner B-3087*), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A New York Times bestseller!**JOSEF** is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world . . . **ISABEL** is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America . . . **MAHMOUD** is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin

a long trek toward Europe . . . All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home.

**Unlikely Allies in the Academy** Mar 01 2020 A CHOICE Outstanding Academic Title 2012! *Unlikely Allies in the Academy* brings the voices of women of Color and White women together for much-overdue conversations about race. These well-known contributors use narrative to expose their stories, which are at times messy and always candid. However, the contributors work through the discomfort, confusion, and frustration in order to have honest conversations about race and racism. The narratives from Chicanas, Indigenous, Asian American, African American, and White women academicians explore our past, present, and future, what separates us, and how to communicate honestly in an effort to become allies. Chapters discuss the need to interrupt and disrupt the norms of interaction and engagement by allowing for the messiness of discomfort in frank discussion. The dialogues model how to engage in difficult dialogues about race and begin to illuminate the unspoken misunderstandings about how White women and women of Color engage one another. This valuable book offers strategies, ideas, and the hope for moving toward true alliances in the academy and to improve race relations. This important resource is for Higher Education administrators, faculty, and scholars grappling with the intersectionality of race and gender as they work to understand, study, and create more inclusive climates.

**Auschwitz and the Allies** Aug 18 2021 A thorough analysis of Allied actions after learning about the horrors of Nazi concentration camps—includes survivors' firsthand accounts. Why did they wait so long? Among the myriad questions of what the Allies could have done differently in World War II, understanding why it took them so long to respond to the horrors of the Nazi concentration camps—specifically Auschwitz—remains vital today. In *Auschwitz and the Allies*, Martin Gilbert presents a comprehensive look into the series of decisions that helped shape this particular course of the war, and the fate of millions of people, through his eminent blend of exhaustive devotion to the facts and accessible, graceful writing. Featuring twenty maps prepared specifically for this history and thirty-four photographs, along with firsthand accounts by escaped Auschwitz prisoners, Gilbert reconstructs the span of time between Allied awareness and definitive action in the face of overwhelming evidence of Nazi atrocities. “An unforgettable contribution to the history of the last war.” —*Jewish Chronicle*

**Hitler's Allies** Dec 30 2019 This book examines the significance of alliances in the international system, focusing on the dynamics between great and regional powers, and on the alliances Nazi Germany made during World War II, and their implications for Germany. It examines a variety of case studies and looks at how each of the respective states contributed to or weakened Nazi Germany's warfighting capabilities. The cases cover the principal Axis members Italy and Japan, secondary Axis allies Hungary and Romania, as well as neutral states that had economic and military significance for Germany, namely Bulgaria, Iran, Spain, Sweden, Switzerland, Turkey, and Vichy France. Additional case studies include topics such as the German attempts to cultivate Arab nationalism, focusing

on German involvement in the coup in Iraq against the pro-British government, and the wartime state of Croatia, whose creation was made possible by Germany, with the rivalry between Germany and Italy for control being a major focus. The book also includes a case study exploring the unique position of Finland among German allies as a democracy and how the country was essentially fighting a very different war from Nazi Germany. This will be of interest to students and academics with an interest in power dynamics in World War II, economic, political, strategic, and alliance theory, and scholarly debate on Nazism and Europe.

Herbal Allies May 15 2021 Twenty plants, including familiar trees like the aspen, birch, spruce, and poplar, as well as lesser-known plants like Labrador tea, cow parsnip, and buffalo berry, form the soul of herbalist Robert Rogers's medicine kit. *Herbal Allies* chronicles the journey that led Rogers to become an herbalist and shares his deep knowledge of the plants that shaped his practice. The author weaves personal experience, observations, knowledge from indigenous healers, and many years of expertise from his practice as a professional herbalist and clinical professor to present a unique and fascinating narrative that not only limns one man's vital connection to plants but also provides invaluable information on effectively using plant medicine for the prevention and treatment of a variety of health conditions.

*The Cold War* Jan 11 2021 *The Cold War* offers a brief but detailed treatment of one of the most complex eras of the 20th Century. In this book Dunabin delivers a balanced perspective on the key events and helps the reader to gain a deeper understanding of why they happened as they did.

**Better Allies** Aug 30 2022 Do you want to build a workplace culture that has a certain buzz? Where employees thrive and engagement survey scores soar? Where people from different backgrounds, races, genders, sexual orientations/identities, ages, and abilities are hired and set up for success? To create this kind of vibrant and supportive workplace, learn to practice active allyship. With the Better Allies® approach, it's something anyone can do. Since originally publishing *Better Allies* in 2019, Karen Catlin has amassed dozens of new scenarios and insights through her talks, workshops, and community interactions. In this fully revised second edition, you'll learn to spot situations where you can create a more inclusive culture, along with straightforward steps to take and changes to make. Catlin, a highly-sought after expert on allyship, will show you how to: Attract and hire a diverse workforce? Amplify and advocate for others? Give effective and equitable performance feedback? Use more inclusive language? Run inclusive conferences and events Read this book to learn the Better Allies® approach, level-up your ally skills, and create a culture where everyone can do their best work and thrive.

Allies at War Jun 03 2020 The authors interrogate the current U.S./European relationship, discussing the role of NATO after the fall of the Berlin Wall, recent tensions between the Bush Administration and European leaders, and the role of both parties in settling the Israeli/Palestinian crisis. 30,000 first printing.

**Natural Allies** Dec 22 2021 *Natural Allies*, based on painstaking research begun more than 30 years ago when Anne Frior Scott was preparing her now-classic *The Southern Lady*, is clear and highly readable. It will appeal not only to historians and sociologists but

also to anyone working with or studying voluntary organizations. "Both an engaging survey of existing scholarship and a plea for additional research. . . . With wry humor and impassioned scholarship Anne Frior Scott teaches us that the more we are able to learn about women . . . 'the more we will understand about the society that has shaped us all.'" -- New York Times Book Review

*Germany's Eastern Front Allies* (2) Nov 28 2019 The Baltic nations Estonia, Latvia and Lithuania enjoyed a brief independence between the World Wars before being annexed by the USSR in 1940. The grim experience of Soviet occupation made it inevitable that after the German invasion of Russia in 1941 they would fight beside the Wehrmacht as allies against the Red Army while always hoping for restored independence. That hope was crushed again in 1944-45; yet 'Forest Brother' guerrillas continued to fight against hopeless odds for years after the second Soviet occupation. This extraordinary story is illustrated here with rare photos, insignia charts, tables of units and detailed uniform plates.

**Forgotten Allies** Mar 25 2022 The sacrifice of the Oneida Indians in securing American independence is captured in this story that also provides details about and insights into Oneida culture and how it was shaped, changed, and molded throughout years of contact with the American colo

**Pacific Adversaries Volume Three** Sep 26 2019 Pacific Adversaries conveys detailed stories of aerial warfare in the South Pacific, chosen because both Japanese and Allied records can be matched for an accurate accounting. This third volume describes confrontations between the air arm of the Imperial Japanese Navy (IJN) and the Allies in New Guinea and the Solomons.

*Why the Allies Won* Apr 25 2022 Explains how the Allies regained military superiority after 1942, and discusses important campaigns, naval battles, industrial strength, fighting ability, leadership, and moral issues

The Conduct of the Allies, and of the Late Ministry, in Beginning and Carrying on the Present War Jul 25 2019

**Allies** Mar 13 2021 Dwight D. Eisenhower once remarked that "the history of alliances is a history of failure." This provocative, absorbing work, based on a study by the General and written by his son, is a history of one of the great exceptions, the most successful military alliance the world has ever seen—the Anglo-American military alliance of World War II. At once a study of the prodigious undertaking that brought millions of men and women together to defeat the Axis and a portrait of the great personalities who built and sustained the alliance, *Allies* offers vivid glimpses of war at the working level: on a convoy crossing the Atlantic, with a secret landing party on the coast of northern Africa, and with armored units in Tunisia. Eisenhower has crafted a powerful narrative and a most valuable contribution to the literature of World War II.
