[You Can Too! Civil Rights Champions CART 6-Pack](#) Feb 11 2021 What do Rosa Parks, Ruby Bridges, Franklin D. Roosevelt, and Martin Luther King Jr. have in common? They are civil rights champions! Featuring TIME For Kids content, this nonfiction title introduces students to the subject of civil rights, and discusses its importance to minorities, women, and the disabled. The detailed photos and sidebars, text features, stimulating facts, and clear, informational text will engage students as they build their critical literacy skills and academic vocabulary. Students will be inspired to become civil rights champions as they are engaged in reading. This 6-pack includes six copies of this title and a culturally responsive, shared-reading focused lesson plan.

[Youth Climate Courts](#) Apr 15 2021 This book focuses on Youth Climate Courts, a bold new tool that young people in their teens and twenties can use to compel their local city or county government to live up to its human rights obligations, formally acknowledge the climate crisis, and take major steps to address it. Tom Kerns shows how youth climate leaders can form their own local Youth Climate Court, with youth judges, youth prosecuting attorneys, and youth jury members, and put their local city or county government on trial for not meeting its human rights obligations. Kerns describes how a Youth Climate Court works, how to start one, what human rights are, what they require of local governments, and what governmental changes a Youth Climate Court can realistically hope to accomplish. The book offers young activists a brand new, user-friendly, cost-free, barrier-free, powerful tool for forcing local governments to come to terms with their obligation to protect the rights of their citizens with respect to the climate crisis. This book offers a unique new tool to young climate activists hungry for genuinely effective ways to directly move governments to aggressively address the climate crisis.

[You Choose: The Voting Rights Act of 1965](#) Apr 27 2022 You're a U.S. citizen, so why are you being denied your right to vote? Even after civil rights legislation passes, many minorities are still being turned away from polls. It's not fair, and you will fight for your right to have a say in your government. Will you: Brave violence while registering voters during the 1964 Freedom Summer in Mississippi? Witness brutality as you protest in the 1965 Selma March? Join the Chicano Movement to secure voting rights for Hispanic immigrants? YOU CHOOSE offers multiple perspectives on history, supporting Common Core reading standards and providing readers a front-row seat to the past.

[Your Special Education Rights](#) Nov 03 2022 Drawing on decades of experience, Jennifer Laviano, a high-profile special education attorney, and Julie Swanson, a sought-after special education advocate, help parents of students with disabilities navigate their school systems to get the services they need for their children. Parents will find no other book on special education like [Your Special Education Rights](#). Julie and Jennifer demystify the federal laws that govern the rights of public school children with disabilities and explain how school districts often ignore or circumvent these laws. They pull the curtain back on the politics of special education, exposing truths that school districts don't want you to know, such as the fact that teachers are often under extraordinary pressure not to spend resources on services. Most importantly, they outline the central rights you and your child have regarding your child's education. Did you know that you can refer your child for a special education evaluation? That you can ask for a second opinion if you disagree with the results of some or all of the testing? That you are entitled to parent counseling, training, and more? They also show you how to take that knowledge and apply it to advocating for your child. Here's what you need to know about the paperwork you will have to complete, detailed information on how to advocate for your child and how to craft language in documents that benefit your child, and more. Filled with vital information and invaluable resources, [Your Special Education Rights](#) gives you the information you need to help your child succeed in school and beyond.

[Do You Know Your Rights?](#) Nov 22 2021 Most American teens know that when they turn eighteen they can vote, or that they have the right to free speech or to a twelfth-grade education. But what about other rights? Through expert advice and interviews with teens, readers will learn about their rights as consumers and employees, rights to health care and access to information, and their rights when they are in abusive situations or when they break the law.

[What You Should Know about Your Pension Rights](#) Jun 17 2021

[The Right to Know](#) May 29 2022 We speak of the right to know with relative ease. You have the right to know the results of a medical test or to be informed about the collection and use of personal data. But what exactly is the right to know, and who should we trust to safeguard it? This book provides the first comprehensive examination of the right to know and other epistemic rights: rights to goods such as information, knowledge and truth. These rights play a prominent role in our information-centric society and yet they often go unnoticed, disregarded and unprotected. As such, those who control what we know, or think we know, exert an influence on our lives that is often as dangerous as it is imperceptible. Beginning with a rigorous but accessible philosophical account of epistemic rights, Lani Watson examines the harms caused by epistemic rights violations, drawing on case studies across medical, political and legal contexts. She investigates who has the right to what information, who is responsible for the quality and circulation of information and what epistemic duties we have towards each other. This book is essential reading for philosophers, legal theorists and anyone concerned with the protection and promotion of information, knowledge and truth. .

[The Right to Privacy](#) Sep 08 2020

[Safe Abortion](#) Mar 03 2020 At a UN General Assembly Special Session in 1999, governments recognised unsafe abortion as a major public health concern, and pledged their commitment to reduce the need for abortion through expanded and improved family planning services, as well as ensure abortion services should be safe and accessible. This technical and policy guidance provides a comprehensive overview of the many actions that can be taken in health systems to ensure that women have access to good quality abortion services as allowed by law.

[The Christian Bill of Rights](#) Dec 12 2020 A while ago when I was teaching in Victory Christian Center in Tulsa, my friend asked me to look up rights that we have as children of God by faith in Christ Jesus. I started and in two weeks I came up with thirteen rights, our Christian Bill of Rights. When the blueprint of all mankind was created by God He added some ingredients that manifested as rights for all mankind. So, simply because you were created by God you have these rights; so let me tell you about them even though you should already know. While that may not be the correct terminology, it does tell you what I am talking about; the rights that you have in America, Spain, Mexico or whatever country you are in. That's right; I said in because an American may break the law in Japan and not understand that he did something illegal because it is legal in America but not in Japan. If a Chinese man comes to America he cannot do things here that he was free to do in China. In this book, as in all my books, I begin the research: I want you to continue. There is plenty more Scripture and plenty more to learn. But if I did all your research for you, I wouldn't be a good teacher; would I?

[Your Rights in the Workplace - The Things Your Boss Won't Tell You](#) Oct 29 2019

[You Have No Rights](#) Jul 07 2020 A collection of sobering true accounts about everyday Americans whose civil liberties have been compromised by policies instituted after September 11 includes the stories of a woman who was fired after placing a Kerry/Edwards bumper sticker on her car, a teacher who was investigated after assigning an Iraq War essay, and a woman who was questioned after posting an anti-Bush sign in her yard. Original.

[Mineral Land Rights](#) Jun 29 2022 "Ms. Louie has managed to explain the concept of ownership of mineral rights in layman's terms. This is a useful book for landowners and industry members alike." - David Younggren, QC, lawyer, and landowner "Get informed quickly with this plain-language guide to mineral land. Mineral Land Rights provides a wealth of information, and LeVonne Louie's 35+ years of land experience place her in a unique position to deliver all fundamental concepts of mineral land in an intelligent yet concise and easy-to-read format." - Joan Dornian, oil and gas lawyer "Accurate, informative, plain-language explanations of any regulatory field ought to be welcome contributions to any literature. LeVonne Louie's new book certainly fits this bill." - Fenner Stewart, Assistant Professor of Law at the University of Calgary, in Resources: Canadian Institute of Resources Law Mineral land is one of the most basic components of the oil and gas industry, but it's often misunderstood. If you're a landowner, do you know which rights you have and what to do if an oil and gas company approaches you to lease or drill on your land? If you're an oil and gas industry professional, are you lacking critical knowledge about mineral land that could enhance the work you do every day? Mineral Land Rights: What You Need to Know is a concise, jargon-free and definitive guide that simplifies a complex subject, written by a true expert in the field.

**Parliamentary Debates. Official Report May 05 2020**

**Fundamental Rights and the Legal Obligations of Business Oct 10 2020** Corporations can significantly affect the fundamental rights of individuals. This book investigates what legal obligations they have to respect, protect and realise these rights. In doing so, it addresses important conceptual issues surrounding fundamental rights. From an investigation of existing legal models, a clear structural similarity surfaces in how courts make decisions about corporate obligations. The book seeks to systematise, justify and develop this emergent 'multi-factoral approach' through examining key factors for determining the substantive content of corporate obligations. The book defends the use of the proportionality test for ascertaining corporations' negative obligations and outlines a novel seven-step test for determining their positive obligations. The book finally proposes legal and institutional reforms - on both the national and international levels - designed to enhance the quality of decision-making surrounding corporate obligations, and embed fundamental rights within the corporate structure and the minds of key decision-makers.
