**Elway** Feb 21 2022 The unauthorized biography of John Elway, Hall of Fame Quarterback, two-time Super Bowl Champion, now President of Football Operations and General Manager of the Denver Broncos. John Elway's historic moments are known by two-word phrases. He was at the center of the wildest play in college football history, simply known as "The Play." Before he signed a pro contract, there was "The Trade." His NFL career included "The Drive" and "The Fumble," and, of course, "The Helicopter," one of the most iconic highlights in Super Bowl lore. There are so many memorable comeback victories and heroic plays that people have to make lists rather than consider Elway in the context of any singular event. Yet Elway's story is filled with one challenge after another. At Stanford, he never played in a Bowl game. He was ripped for being petulant after refusing to sign with the Baltimore Colts when he was drafted No. 1 overall, and later for his failure to get along with coach Dan Reeves. Over the first 10 years of his career, Elway led Denver to three Super Bowls, but lost in progressively worse fashion each time. Finally, after fifteen years of perseverance, Elway led the Broncos to back-to-back championships, including the biggest upset in Super Bowl history. Elway won the MVP award in his final Super Bowl and then walked away from the game. Within four years, Elway's father and twin sister both died, and he went through a difficult divorce. Reeling in his post-retirement, he returned to football . . . at the bottom, running the Colorado Crush of the Arena Football League. He waited more than a decade to return to his beloved Broncos. While many people doubted him initially, Elway navigated the Broncos through massive changes and to victory in Super Bowl 50, making Elway the rare Hall of Famer to win a title both on and off the field. Elway has put his passion for competition on display in a way that only a handful of other NFL greats have ever done, and Elway is the most complete look at one of the most accomplished legends in the history of American sports.

[Through My Eyes LP](#) Jun 03 2020 Over the last five years, Tim Tebow has established himself as one of the greatest college football quarterbacks in history and a top prospect in the NFL. During that time he's won two BCS national championships with the University of Florida, become the first sophomore in NCAA history to win the Heisman Trophy, and, in the face of public scrutiny, been selected in the first round of the NFL draft by the Denver Broncos. Now Tebow reveals how his faith, his family values, and his drive to succeed have made him the person and the athlete he is today. The son of Christian missionaries, Tebow details his life both on the field and off, taking you from his birth in the Philippines, to his homeschooled

upbringing, to his record-setting college career and his rookie season in Denver. What emerges is a captivating portrait of a man whose passions demand the best from teammates, whose words inspire faith in others, and whose heart leaves nothing on the field.

**Peyton Manning and the Denver Broncos - the Comeback 5,477 Yards, 55 Tds, and His Return to the Super Bowl** Dec 22 2021 Peyton Manning and the Denver Broncos had an amazing season on their way to Super Bowl XLVIII ( 48 ). Manning's success is a true comeback story as just two years before he was sidelined with a possible career-ending neck injury. Few predicted that he'd have the best season of his life in 2013. The Broncos had many exciting moments, including battles against top teams such as the Patriots and the Chiefs, a 105-yard kickoff return for a score, and Denver kicker, Matt Prater, setting the all-time longest field goal record at 64 yards. *Slow Getting Up* Sep 30 2022 Nate Jackson's *Slow Getting Up* is an unvarnished and uncensored memoir of everyday life in the most popular sports league in America—and the most damaging to its players—the National Football League. After playing college ball at a tiny Division III school, Jackson, a receiver, signed as a free agent with the San Francisco 49ers, before moving to the Denver Broncos. For six seasons in the NFL as a Bronco, he alternated between the practice squad and the active roster, eventually winning a starting spot—a short, tenuous career emblematic of the average pro player. Drawing from his own experience, Jackson tells the little known story of the hundreds of everyday, "expendable" players whose lives are far different from their superstar colleagues. From scouting combines to training camps, off-season parties to game-day routines, debilitating physical injuries—including degenerative brain conditions—to poor pensions and financial distress, he offers a funny, and shocking look at life in the NFL, and the young men who risk their health and even their lives to play the game.

**Td** Oct 20 2021 On a sun-filled January day, running back Terrell Davis stood atop a fire truck that slowly wound through downtown Denver during the Broncos' Super Bowl victory parade while 650,000 raucous fans were chanting "TD! TD! TD!" It was a moment of exhilaration and accomplishment for Terrell, whose record-setting, three-touchdown performance against the Green Bay Packers earned him the Super Bowl XXXII MVP. As he waved and gave the Mile High Salute, Terrell couldn't help but think of how unbelievable it all was, how it had taken so much to get to this shining moment. "If I were to jump outside my body and get a chance to read my life story, I would say, 'Man, that's amazing.' I've never heard, seen, or read a story like this--never." Terrell had faced hurdles that make carrying a football seem easy in comparison. There were blinding migraine headaches that had haunted him from the age of seven and almost removed him from the Super Bowl; a capricious father, who toughened Terrell in unorthodox ways, yet helped mold him into the person and player he is today; an arrest in college that could have cost him everything he ever wanted; a contentious relationship with his head coach at the University of Georgia that made him more determined than ever. At Lincoln High School, before being switched to fullback during his senior year, Terrell was a nose guard, attracting scant attention from colleges. At Long Beach State, his college of choice, the football program folded two seasons after Terrell arrived. At Georgia, Terrell saw his stock and reputation almost irreparably damaged, all leading to him becoming the 196th player and 21st running back selected in the 1995 NFL draft. Finally, in his rookie year with the Broncos, he battled from being a sixth-string running back to starter in the span of only one summer. Not since his Pop Warner days, when he was known as "Boss Hogg," was he thought of as a go-to guy, and now, here he was, one of the NFL's top players. **TD: Dreams in Motion** is a candid and surprising autobiography, unlike any sports book. It takes you on a journey through Terrell's life and into his mind and heart. It explains how Terrell has been able to maintain the edge that others have lost. It spells out the origins of the Mile High Salute that became a nationally recognized sports symbol and celebration. It discusses the unique relationship he shares with his mother, a remarkable and compassionate woman. Perhaps most important, **TD: Dreams in Motion** is inspirational. It helps you understand why Terrell has been able to persevere while others he has known have veered off the road. Terrell will overwhelm you not with his moves on the football field, but with his words on the page. Searing and gut-wrenching, lighthearted and funny, honest and real, this is Terrell Davis's own story, the memoirs of a champion.

**Son of Bum** Sep 18 2021 Legendary football coach and Super Bowl champion with the Denver Broncos, Wade Phillips, recalls his life in football and memories of his father, NFL head coach Bum Phillips, in a book perfect for a Father's Day gift. "Having played for and against Wade Phillips, the first word that comes to my mind is respect. SON OF BUM is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family."—Peyton Manning In his memoir Son of Bum, decorated NFL coach Wade Phillips shows that the roots of his knowledge come from his father, Bum Phillips. A beloved character in NFL history, Bum taught Wade from the beginning that "coaching isn't bitching," as well as how to have perspective on the game during tough times. These are lessons that apply both on the field and off, and Wade has passed this wisdom down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players to be winners on and off the field. And though his defensive concepts are revolutionary, he would say they begin with common sense. Son of Bum is more than one man's memoir—it's a story of family and football and a father who inspired his son.

It's a positive, exciting thrill-ride for all ages. It's a frightening and intriguing look at how the game could be manipulated." - Dan Pastorini; Pro Bowl Quarterback "I cheer Kevin (Bakko) for writing a fast moving, fun, futuristic novel that thoroughly entertained me. And he found no need to load the book with the smut that has been filling most sports books to date." - Phil Villapiano; Super Bowl Champion Linebacker "If John Grisham and Issac Asimov got together to write a novel about pro football - this is what they would write. You have to read it to believe it " - Jeff Nixon; Former Player, and Editor / Nat'l Advocacy Committee Member of 'Fourth and Goal Assists' "Kevin Bakko does a great job of conveying the spirit of the players and their drive to be the World Champions of NFL football. He also points out the price that players pay to play in the NFL both mentally and physically." - Carl Mauck; Thirty-Four Year NFL Veteran Player and Assistant Coach "THE ULTIMATE GAME is a book that honors the NFL alumnus of yesterday, today, and tomorrow." - George Martin; Super Bowl Champion Defensive End and President of the NFL Alumni Association IMAGINE THE MOST TECHNOLOGICALLY ADVANCED VIDEO FOOTBALL GAME EVER CREATED. IMAGINE SOME OF THE GREATEST PRO PLAYERS TO EVER STEP ON THE GRIDIRON AT THE CONTROLS. NOW IMAGINE BOTH, MANIPULATING A REAL NFL FOOTBALL TEAM... WITHOUT THEIR KNOWLEDGE... WITHOUT THEIR CONSENT. 2019 is the 100th Anniversary of the National Football League, and the Houston Texans have just won their second Super Bowl in a row. Now comes their quest for an unprecedented third consecutive trip to the championship game. Yet accomplishing this extraordinary feat will not be left to either dutiful preparation or divine providence. A glory-driven head coach (Walt Griffin) and a narcissistic neuroscientist in need of human guinea pigs (Dr. John McLane) have combined forces to reach the final phase of their respective life's ambition. But murder, mayhem, and the pursuit of answers to gut-wrenching questions are driving veteran All-Pro quarterback Rod Mackenna to make sense of the resulting toll that has been taken by his team, his teammates, and his long - but no longer - unrequited love interest. On the day of the Super Bowl - with the final piece to an unimaginable puzzle firmly in his grasp - Griffin and McLane catch Mac within the confines of the clandestine command center used by their band of former gridiron heroes to control the active players, on-the-field, like a macabre video game. Only the threat of harm to his (now) fiancée keeps Mac on the sideline with a bogus injury as the final contest of the season kicks off."

**No Plan B** Aug 18 2021 Peyton Manning won the Super Bowl, hosted Saturday Night Live, and threw 399 touchdown passes during 14 amazing years as an NFL quarterback. Then he got fired. Indianapolis no longer valued Manning, a four-time winner of the league's Most Valuable Player award. Get this: The Colts cut the most-liked athlete in America. "And I'm glad they did," Denver Broncos executive John Elway said. The Broncos made the most buzz-worthy signing in the history of NFL free agency during March of 2012. Despite missing a season with a neck injury that threatened to end his brilliant career, Manning was acquired to lead the Broncos back to Super Bowl glory. "We don't have a Plan B," Elway declared, as he presented Manning with an orange No. 18 jersey. "We're going [with] Plan A!" Even for a quarterback as decorated as Manning, his task in Denver was daunting. At age 36, Manning had to relearn to throw the football with a right arm that had suffered extensive nerve damage. The new quarterback in town had to convert devout fans of Tim Tebow, who won games in the name of Jesus. A brutal early season schedule left the Broncos with a 2-3 record, as whispers grew the old Pro Bowler had lost his touch. What happened next is one of those great comeback stories that make us fall in love with sports. Manning went from washed up to nearly unbeatable. He led Denver to 11 consecutive victories to close the regular season. More important, Manning lifted the Broncos back to the elite status that had been slipping away since Elway retired as quarterback in 1999. How did Manning do it? On the practice field, he can be a perfectionist who is a pain in the ass. On the team plane, he can be a comedian who has teammates rolling in the aisles. To get inside football's most beautiful mind, award-winning journalist Mark Kiszla takes readers from raucous locker rooms to quiet film rooms for a behind-the-scenes look at Manning's remarkable revival. Football is a violent game. Life can be a contact sport. Before moving to Denver, Manning was sacked 231 times by NFL defenders, but never harder than the 232nd, when Colts owner Jim Irsay hit him with a shot that shook the veteran QB to his core. So the toughest question for Manning was the same as the uncertainty facing any proud worker who has been slapped with a termination note: How does a man respond after he gets knocked on his butt?

Manning is the master of the no-huddle offense. But, with his physical ability fading and anything less than a championship considered failure, Manning has never had to beat the clock with such urgency. There's no time to waste. No excuses. No looking back. No Plan B.

**What Have You Done Now, Eugene?** May 03 2020 Gene Mingo grew up as a mischievous kid in Akron, Ohio, with a challenging childhood and love for high school football. After a stint in the US Navy, he found his way back to football. In 1960, he joined the American Football League as a placekicker, halfback, and return specialist for the Denver Broncos but that was just the beginning. Gene has been inducted into the America Football League Hall of Fame, reflecting an illustrious career that included the first punt return for a touchdown in the AFL and two years spent leading the AFL in scoring. History considers him to have been the first African American placekicker in the AFL. Life isn't lived only on the football field, however; outside the game, number twenty-one had troubles. Perhaps due to finding success too quickly, Gene developed a tendency to fall in with a bad crowd. His poor choices led to near tragedy, but he always found a home on the football field. Gene Mingo's story isn't simple. It wasn't easy being a black man in a white man's world, and Gene had some internal demons of his own as well. Still, his story is that of legend, and the trials and tribulations of this spectacular athlete deserve to be remembered forever.
