Dare to Repair May 16 2021 This is NOT your father's home repair book! And it's not your husband's, your brother's, your boyfriend's, or the guy's next door. Dare to Repair is a do-it-yourself book for every woman who would rather be self-reliant than rely on a super or contractor. Dare to Repair demystifies these home repairs by providing information that other books leave out. In Dare to Repair, you'll learn how to: Take the plunge -- from fixing a leaky faucet to cleaning the gutters. Lighten up -- from removing a broken light bulb to installing a dimmer switch. Keep your cool -- from maintaining a refrigerator's gasket to changing the

rotation of a ceiling fan. Get a handle on it -- from replacing a doorknob to repairing a broken window. Play it safe -- from planning a fire escape route to installing a smoke detector.
