Transmedia Storytelling and the Apocalypse Feb 10 2021 This book confronts the question of why our culture is so fascinated by the apocalypse. It ultimately argues that while many see the post-apocalyptic genre as reflective of contemporary fears, it has actually co-evolved with the transformations in our mediascape to become a perfect vehicle for transmedia storytelling. The post-apocalyptic offers audiences a portal to a fantasy world that is at once strange and familiar, offers a high degree of internal consistency and completeness, and allows for a diversity of stories by different creative teams in the same story world. With case studies of franchises such as *The Walking Dead* and *The Terminator*, *Transmedia Storytelling and the Apocalypse* offers analyses of how shifts in media industries and reception cultures have promoted a new kind of open, world-building narrative across film, television, video games, and print. For transmedia scholars and fans of the genre, this book shows how the end of the world is really just the beginning...

Richard Matheson's I Am Legend Feb 22 2022 A lone human survivor in a world that is overrun by vampires, Robert Neville leads a desperate life in which he must barricade himself in his home every night and hunt down the starving undead by day.

I Am Legend as American Myth Jan 12 2021 Richard Matheson's 1954 novel *I Am Legend* has spawned a series of iconic horror and science fiction films, including *The Last Man on Earth* (1964), *The Omega Man* (1971) and *I Am Legend* (2007). The compelling narrative of the last man on earth, struggling to survive a pandemic that has transformed the rest of humanity into monsters, has become an American myth. While the core story remains intact, filmmakers have transformed the details over time, reflecting changing attitudes about race and masculinity. This reexamination of Matheson's novel situates the tale of one man's conflicted attitude about killing racialized "others" within its original post-World War II context, engaging the question of post-traumatic stress disorder. The author analyzes the several film adaptations, with a focus on the casting and interpretations of protagonist Robert Neville.

Richard Matheson's Censored and Unproduced I Am Legend Screenplay Jan 24 2022 While there have been three adaptations of Richard Matheson's classic novel *I AM LEGEND* none of the scripts have followed the novel. Matheson wrote a script in the 1950s which did. It was purchased by Hammer Films in England. However, both the British and U.S. censor boards wanted extensive alterations that neither Matheson nor Hammer Films were willing to make. **RICHARD MATHESON'S CENSORED AND UNPRODUCED I AM LEGEND SCREENPLAY** is the script Matheson wrote and how he envisioned his novel being filmed. The book includes the script, history of the

screenplay as well as the U.S. Censor Board letter outlining their objections.

Hunted Past Reason Aug 07 2020 The bestselling author of such classic novels as *I Am Legend* and *What Dreams May Come*, Richard Matheson is one of the twentieth century's acknowledged masters of suspense. *Hunted Past Reason* is a major literary event: Matheson's first new novel in seven years—and a gripping tale of madness, paranoia, and murder. It's supposed to be just an ordinary camping trip, two old acquaintances hiking through the wilderness toward a remote cabin in the woods of northern California. Bob Hansen, a middle-aged family man and author, isn't anticipating anything worse than sore muscles and maybe a few chilly nights. But the enforced isolation of the hike soon exposes long-hidden rivalries and resentments between Bob and his guide through the forest, a fading TV actor whom Bob has known for several years. The deeper they get into the primeval wilderness and the farther from civilization, the greater the tension between the two men becomes—until the simmering hostility erupts into a terrifying life-or-death struggle for survival. Two men entered the woods, but only one may emerge alive. *Hunted Past Reason* is a nail-biting thriller in the classic Matheson tradition. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Mouse on the Mile Jul 06 2020 The Green Mile, Stephen King's #1 New York Times bestselling novel, was first published twenty years ago in six original paperback installments. Inspiration for the Oscar-nominated film starring Tom Hanks about an innocent man on death row, The Green Mile is now available for the first time in e-serial form. The Mouse on the Mile is Volume Two. Paul Edgecombe's story continues with the addition of two characters, one a new prisoner awaiting his own date with "Old Sparky," Cold Mountain's electric chair. He's William "Wild Bill" Wharton, a killer with an aim to cause as much trouble as he can before his execution date. The other newcomer is a mouse. Called Steamboat Willy by the guards who first noticed him, he's later renamed Mr. Jingles by Eduard Delacroix, another of the death row inmates who eventually takes in the mouse and makes him his pet—a bit of cold comfort for a man condemned to walk the Green Mile.

Though known by many for novels like I Am Legend and his sixteen Twilight Zone episodes, Matheson truly shines in his chilling, masterful short stories. Stephen Spielberg and J.J. Abrams. Matheson revolutionized horror by taking it out of Gothic castles and strange cosmos and setting it in the darkened streets and suburbs we recognize as our own. He infused tales of the fantastic and supernatural with dark explorations of human nature, delving deep into the universal dread of feeling alone and threatened in a dangerous world. *The Best of Richard Matheson* brings together his greatest hits as chosen by Victor LaValle, an expert on horror fiction and one of its brightest talents, marking the first major overview of Matheson's legendary career. "[Matheson is] the author who influenced me most as a writer." -Stephen King "Richard Matheson's ironic and iconic imagination created seminal science-fiction stories . . . For me, he is in the same category as Bradbury and Asimov." -Steven Spielberg "He was a giant, and YOU KNOW HIS STORIES, even if you think you don't." -Neil Gaiman For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. Visions Deferred Dec 11 2020 Three versions of Richard Matheson's classic novel I AM LEGEND have been filmed, but NONE have faithfully captured Matheson's novel. Matheson himself wrote a script for I AM LEGEND which was purchased by Hammer Films. Sadly, the US and British Censor Boards demanded changes both Matheson and the filmmaker refused to make. For the first time the reader can see Matheson's vision for his novel, far different than any of the film adaptations. Two other unproduced scripts fill out the 525-page book -- "The Distributor" and "Sweethearts and Horrors." Mark Dawidziak edited the "I Am Legend" section with his insightful analysis. Includes an afterword by R.C. Matheson.
