The Lion and the Tiger Sep 07 2020 "How did a few thousand people from a small, windswept island in the northern seas end up ruling a far distant subcontinent with a population of millions? Were the British in India intent on development or exploitation? Were they really the 'civilizing' influence they claimed? And what were Britain's greatest legacies - democracy and the rule of law, or cricket and an efficient railway system? Best-selling historian Denis Judd tells the epic story of the British impact upon India, capturing the essence of what the Raj really meant both for the British and their Indian subjects."--BOOK JACKET.

The Tiger and the Pangolin Feb 10 2021 This original and wide-ranging work examines historical perceptions of nature in China and the relationship between insider and outsider, state and village, top-down conservation policy and community autonomy. After an introduction to the history of wildlife conservation and nature reserve management in China, the book places recent tiger conservation efforts in the context of a two-thousand-year gazetteer of tiger attacks--the longest running documentation of human-wildlife encounters for any region in the world. This record offers a unique perspective on the history of the tiger as a dynamic force in the political culture of China. While the tiger has long been identified with political authority, the Chinese pangolin and its earthly magic have exerted a powerful influence in the everyday lives of those working and living in the fields and forests. Today the tiger and the pangolin, government officials and village communities, must work together closely if wildlife habitat

conservation programs are to succeed. Extensive fieldwork in the Meihuashan Nature Reserve and other protected areas of western Fujian have led the author to advocate a landscape ecological approach to habitat conservation. By linking economic development to land use practices, he makes a strong case for integrating nature conservation efforts with land tenure and other socio-ecological issues in China and beyond.

Through the Eye of the Tiger Jul 30 2022 "Hey, yo, Jim . . . This is Sylvester Stallone. Give me a call . . ." It was these words that would set Jim Peterik on the road to rock 'n' roll immortality. After he and his Survivor bandmates recorded "Eye of the Tiger" for the Rocky III soundtrack, the song would go on to earn a Grammy, an Oscar nomination, reach triple platinum status—and become one of the most recognizable tunes in music history. But there's much more to the story of Survivor and its founding member, Jim Peterik, than meets the eye. As one of the most prolific songwriters of his generation, Peterik has cowritten songs with some of the most famous bands and artists of our time, including 38 Special ("Caught Up in You," "Hold on Loosely"), Sammy Hagar ("Heavy Metal"), The Beach Boys, The Doobie Brothers, REO Speedwagon, Cheap Trick, and many more. Now, for the first time, Peterik is sharing his stories. Filled with tales from Peterik's life in rock 'n' roll, *Through the Eye of the Tiger* documents his early days of success with The Ides of March ("Vehicle"), through the often torturous power struggles within Survivor, and the giddy highs that accompany a trail of worldwide hits. From going to a party in Led Zeppelin's hotel room (and turning right back out the door) to escorting a disoriented Janis Joplin back to her hotel room after opening her show in Calgary, Peterik's accounts will surprise and delight. *Through the Eye of the Tiger* is more than just a memoir of a songwriting legend; it's a classic rock 'n' roll story told through the eyes of someone who has lived through it all—and through the Eye of the Tiger.

Dance of the Tiger Sep 19 2021 Björn Kurtén's compelling novel gives the reader a detailed picture of life 35,000 years ago in Western Europe. One of the world's leading scholars of Ice Age fauna, Kurtén fuses extraordinary knowledge and imagination in this vivid evocation of our deepest past. This novel illuminates the lives of the humans who left us magnificent paintings in the caves of France and Spain.

Mike the Tiger Aug 19 2021 Mike the Tiger has symbolized the spirit and resolve of Louisiana State University for nearly seventy years. Fiercely confident, keenly competitive, and marvelously clever, the only live Bengal tiger to reside on a college campus reigns nobly from his home just outside of Tiger Stadium in Baton Rouge. LSU fans proudly vaunt the superiority of their mascot over the dog, bird, reptile, and pig emblems of other college teams, but few may know the complete history of the "Mikes" who have intimidated opponents and inspired the faithful since 1936. In this delightful volume, David G. Baker and W. Sheldon Bivin, Mike's most recent veterinarians, combine behind-the-scenes anecdotes with vivid period photographs to debunk the myths, confirm the legends, and tell the never-before fully told story of "the roar of LSU." The authors begin by explaining the Civil War origins of LSU's fighting tiger tradition and describing early representations of the mascot. They then chronicle the reigns of each of the five Mikes: Mike I (1936-1956), who enjoyed late-night joyrides through Baton Rouge courtesy of his student caretakers; the mysterious Mike II (1956-1958), who legend says was actually two tigers; Mike III (1958-1976), the only tiger to witness a national championship football season; Mike IV (1976-1990), who both escaped his habitat and was held hostage in it; and Mike V (1990-present), reported by his caretakers to have the most amiable personality to date. Over one hundred photographs bring the animals to life and attest to the university community's enduring devotion to its five-hundred-pound pet. Throughout, Baker and Bivin offer fascinating details about the unique challenges of keeping a school icon that is still very much a wild animal. They also cover many basic facts about tigers and their conservation. Through the efforts of all who have cared for the Bengal mascot, Mike the Tiger's role has expanded beyond rallying school spirit to include educating hundreds of thousands of people about one of the earth's most magnificent creatures.

Waking the Tiger: Healing Trauma Jul 18 2021 Now in 24 languages. Nature's Lessons in Healing Trauma... *Waking the Tiger* offers a new and hopeful vision of trauma. It views the human animal as a unique being, endowed with an instinctual capacity. It asks and answers an intriguing question: why are

animals in the wild, though threatened routinely, rarely traumatized? By understanding the dynamics that make wild animals virtually immune to traumatic symptoms, the mystery of human trauma is revealed. *Waking the Tiger* normalizes the symptoms of trauma and the steps needed to heal them. People are often traumatized by seemingly ordinary experiences. The reader is taken on a guided tour of the subtle, yet powerful impulses that govern our responses to overwhelming life events. To do this, it employs a series of exercises that help us focus on bodily sensations. Through heightened awareness of these sensations trauma can be healed.

The I of the Tiger Nov 09 2020 What does it mean to be an athlete? Why is mental health in sports so important? In *The I of the Tiger*, retired athlete and sports researcher, Kimberly Carducci, analyzes the psychology behind forming an athlete identity and its impact on mental health in today's sports world. With a basis of who we are as athletes, Carducci guides readers through the toughest moments athletes face along their journey (defeat, injury, retirement) and how to get through them. **Critically Acclaimed Reviews** "The I of the Tiger (clever title, isn't it?) goes to the core of what being an athlete means in all its glory and pain. Readers of this excellent book will walk away with both a deeper understanding of having an athletic identity and a toolbox to embrace it in the healthiest way possible." - Jim Taylor, Ph.D., former world-ranked athlete and author of *Train Your Mind for Athletic Success: Mental Preparation to Achieve Your Sports Goals* "I had the opportunity to get my hands on the manuscript prior to the release, and it turned out to be something I wish I had access to early on in my career." - Dr. Markus Rogan, Austrian Olympian & Psychotherapist **About the Book** This important book brings together an insightful and valuable mix of personal knowledge as well as top-rated research that greatly contributes to the emerging framework and understanding between mental health and athleticism. It is time to change the narrative and further challenge the stigma of mental health in sport. *The I of the Tiger* is packed with practical, insightful, and engaging ideas, narratives, and concepts to help athletes identify and work through mental blocks, struggles, irrational beliefs, and other common mental challenges athletes face throughout their careers. *The I of the Tiger* is a must read for any athletes wishing to uncover the factors shaping their identity and its impact on their understanding of the sport they love. In today's sports world, uncovering the athlete identity and improving mental wellness is essential for all athletes.

The Tiger Book Apr 14 2021 A simple introduction to the habits and behavior of tigers, with illustrations and a brief text.

The Tiger Jun 28 2022 A gripping story of man pitted against nature's most fearsome and efficient predator. Outside a remote village in Russia's Far East a man-eating tiger is on the prowl. The tiger isn't just killing people, it's murdering them, almost as if it has a vendetta. A team of trackers is dispatched to hunt down the tiger before it strikes again. They know the creature is cunning, injured, and starving, making it even more dangerous. As John Vaillant re-creates these extraordinary events, he gives us an unforgettable and masterful work of narrative nonfiction that combines a riveting portrait of a stark and mysterious region of the world and its people, with the natural history of nature's most deadly predator.

The Tiger Rising Oct 28 2019 A National Book Award finalist by Newbery Medalist Kate DiCamillo. Walking through the misty Florida woods one morning, twelve-year-old Rob Horton is stunned to encounter a tiger—a real-life, very large tiger—pacing back and forth in a cage. What's more, on the same extraordinary day, he meets Sistine Bailey, a girl who shows her feelings as readily as Rob hides his. As they learn to trust each other, and ultimately, to be friends, Rob and Sistine prove that some things—like memories, and heartache, and tigers—can't be locked up forever. Featuring a cover illustration by Stephen Walton.

Don't Wake Up the Tiger Dec 31 2019 Tiger is fast asleep. But — oh dear! — she's completely blocking the way. Just how will the animals get past without waking her up? Luckily, Frog has an excellent idea. Holding his balloon, he floats right over sleeping Tiger! Fox is next, followed by Tortoise, Mouse, and Stork, but it will be tricky for them all to get past without Tiger noticing. It's good that the reader is there to help keep Tiger asleep, but where exactly are the animals going with all those big shiny balloons?

All the Way to the Tigers Nov 29 2019 One of NPR's Best Books of the Year From the author of *Nothing to Declare*, a moving travel narrative examining healing, redemption, and what it means to be a solo woman on the road. In February 2008, a casual afternoon of ice skating derailed the trip of a lifetime. Mary Morris was on the verge of a well-earned sabbatical, but instead she endured three months in a wheelchair, two surgeries, and extensive rehabilitation. One morning, when she was supposed to be in Morocco, Morris was lying on the sofa reading *Death in Venice*, casting her eyes over these words again and again: "He would go on a journey. Not far. Not all the way to the tigers." Disaster shifted to possibility and Morris made a decision. When she was well enough to walk again, she would go "all the way to the tigers." So begins a three-year odyssey that takes Morris to India on a tiger safari in search of the world's most elusive apex predator. Written in over a hundred short chapters accompanied by the author's photographs, this travel memoir offers an elegiac, wry, and wise look at a woman on the road and the glorious, elusive creature she seeks.

The Tiger Who Came to Tea Party Book Mar 02 2020 Share in fifty years of magic... Celebrate your very own special moment with this incredible book containing all you need for your own party; based on the classic story of Sophie and her extraordinary teatime guest that was first published fifty years ago!

The Tiger Aug 31 2022 It's December 1997, and a man-eating tiger is on the prowl outside a remote Russian village. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. As the trackers sift through the gruesome remains of the victims, they discover that these attacks aren't random: the tiger is apparently engaged in a vendetta. Injured, starving, and extremely dangerous, the tiger must be found before it strikes again. As he re-creates these extraordinary events, John Vaillant gives us an unforgettable portrait of this spectacularly beautiful and mysterious region. We meet the native tribes who for centuries have worshipped and lived alongside tigers, even sharing their kills with them. We witness the arrival of Russian settlers in the nineteenth and early twentieth centuries, soldiers and hunters who greatly diminished the tiger populations. And we come to know their descendants, who, crushed by poverty, have turned to poaching and further upset the natural balance of the region. Beautifully written and deeply informative, *The Tiger* circles around three main characters: Vladimir Markov, a poacher killed by the tiger; Yuri Trush, the lead tracker; and the tiger himself. It is an absolutely gripping tale of man and nature that leads inexorably to a final showdown in a clearing deep in the taiga.

Blood of the Tiger Jun 16 2021 *Blood of the Tiger* takes readers on a wild ride to save one of the world's rarest animals from a band of Chinese billionaires. Many people think wild tigers are on the road to recovery, but they are in greater danger than ever—from a menace few experts saw coming. There may be only three thousand wild tigers left in the entire world. More shocking is the fact that twice that many—some six thousand—have been bred on farms, not for traditional medicine but to supply a luxury-goods industry that secretly sells tiger-bone wine, tiger-skin décor, and exotic cuisine enjoyed by China's elite. Two decades ago, international wildlife investigator J. A. Mills went undercover to expose

bear farming in China and discovered the plot to turn tigers into nothing more than livestock. Thus begins the story of a personal crusade in which Mills mobilizes international forces to awaken the world to a conspiracy so pervasive that it threatens every last tiger in the wild. In this memoir of triumph, heartbreak, and geopolitical intrigue, Mills and a host of heroic comrades try to thwart a Chinese cadre's plan to launch billion-dollar industries banking on the extinction of not just wild tigers but also elephants and rhinos. Her journey takes her across Asia, into the jungles of India and Nepal, to Russia and Africa, traveling by means from elephant back to presidential motorcade, in the company of man-eaters, movie stars, and world leaders. She finds reason for hope in the increasing number of Chinese who do not want the blood of the last wild tigers to stain their beloved culture and motherland. Set against the backdrop of China's ascendance to world dominance, *Blood of the Tiger* tells of a global fight to rein in the forces of greed on behalf of one of the world's most treasured and endangered animals. From the Hardcover edition.

The Tiger's Wife Jul 06 2020 NATIONAL BOOK AWARD FINALIST • NEW YORK TIMES BESTSELLER •
"Spectacular . . . [Téa Obreht] spins a tale of such marvel and magic in a literary voice so enchanting that the mesmerized reader wants her never to stop."—Entertainment Weekly Look for Téa Obreht's second novel, *Inland*, now available. **NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Michiko Kakutani, The New York Times • Entertainment Weekly • The Christian Science Monitor • The Kansas City Star • Library Journal** Weaving a brilliant latticework of family legend, loss, and love, Téa Obreht, the youngest of *The New Yorker's* twenty best American fiction writers under forty, has spun a timeless novel that will establish her as one of the most vibrant, original authors of her generation. In a Balkan country mending from war, Natalia, a young doctor, is compelled to unravel the mysterious circumstances surrounding her beloved grandfather's recent death. Searching for clues, she turns to his worn copy of *The Jungle Book* and the stories he told her of his encounters over the years with "the deathless man." But most extraordinary of all is the story her grandfather never told her—the legend of the tiger's wife. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • O: The Oprah Magazine • The Economist • Vogue • Slate • Chicago Tribune • The Seattle Times • Dayton Daily News • Publishers Weekly • Alan Cheuse, NPR's All Things Considered** "Stunning . . . a richly textured and searing novel."—Michiko Kakutani, *The New York Times* "[Obreht] has a talent for subtle plotting that eludes most writers twice her age, and her descriptive powers suggest a kind of channeled genius. . . . No novel [this year] has been more satisfying."—*The Wall Street Journal* "Filled with astonishing immediacy and presence, fleshed out with detail that seems firsthand, *The Tiger's Wife* is all the more remarkable for being the product not of observation but of imagination."—*The New York Times Book Review* "That *The Tiger's Wife* never slips entirely into magical realism is part of its magic. . . . Its graceful commingling of contemporary realism and village legend seems even more absorbing."—*The Washington Post*
Riding the Tiger Oct 09 2020 Beauty, grace and power make the tiger one of the world's most loved animals, yet it is precisely these qualities that have been its downfall. Poaching for skins and body parts, loss of habitat and prey and conflicts between people and wild tigers have caused catastrophic declines in tiger numbers throughout their range. If wild tigers are to survive through the next century, we must act now. *Riding the Tiger* is a comprehensive, scientific and eminently readable account of the problems and possible solutions of securing a future for wild tigers. Lavishly illustrated in full colour, it is written by leading conservationists working throughout Asia. It is a vital information resource for tiger conservationists in the field, necessary reading for serious students of carnivore conservation and conservation biologists in general, and an accessible overview of tiger conservation for general readers.

***The Tiger in the House* Mar 26 2022** The case of a lost little girl forces a child services worker to confront her own past in the *New York Times* bestselling author's "compelling page-turner" (*Publishers Weekly*). Though she loves her job at Portland, Maine's child services agency, Delia Lamont is feeling burned out. In fact, it's gotten bad enough that she's ready to leave the job and start a seaside bakery with her sister. But then a call comes in: a five-year-old girl has been found at the side of the road. The girl reveals that her first name is Hayley, but little more. The only clues to her family lead to a shadowy web of danger that reaches unsettlingly close to Delia's own life. As she seeks to discover where Hayley belongs, Delia is forced to reexamine her own painful history. With no guide but her own flawed instincts, Delia must decide how deeply she can afford to venture into Hayley's case as it threatens to lead her into dark corners of her own soul. "The *Tiger in the House* is teeming with excitement and heart-stirring emotion. A natural storyteller, Sheehan will draw you in with her finely crafted characters and hold you tight until the

very end.” —Heather Gudenkauf

The Tiger and the Wolf Jan 24 2022 The first book in a new fantasy series from award-winning author Adrian Tchaikovsky "A classically brilliant fantasy writer, a pusher of boundaries, a great storyteller" Paul Cornell "It's addictively brilliant! The protagonist is vivid and sympathetic - and I love both the story and the world Adrian has created. It's meticulously thought out and utterly believable" John Gwynne the bleak northern crown of the world, war is coming. Maniye's father is the Wolf clan's chieftain, but she's an outcast. Her mother was queen of the Tiger and these tribes have been enemies for generations. Maniye also hides a deadly secret. All can shift into their clan's animal form, but Maniye can take on tiger and wolf shapes. She refuses to disown half her soul so escapes, rescuing a prisoner of the Wolf clan in the process. The killer Broken Axe is set on their trail, to drag them back for retribution. The Wolf chieftan plots to rule the north and controlling his daughter is crucial to his schemes. However, other tribes also prepare for strife. Strangers from the far south appear too, seeking allies in their own conflict. It's a season for omens as priests foresee danger and a darkness falling across the land. Some say a great war is coming, overshadowing even Wolf ambitions. A time of testing and broken laws is near, but what spark will set the world ablaze?

The Tiger Prince Dec 11 2020 A magnificently illustrated Chinese folklore tale about a tigress, a seer, a King, and the prince, who must leave his family and learn the ways of the tigers so that the war between man and animal can end. Deep in the Great Forest, a tigress is mourning the death of her tiger babies who have been killed by hunters. Seeking revenge, she attacks the villages, destroying houses and prompting the king to gather his army. But a seer named Lao Lao warns the king that if he angers the tigress further she will destroy the kingdom. Lao Lao counsels the king to give his own son to the tigress and promises that no harm will come to the boy. The next morning, the king brings the prince to the edge of the Great Forest and tells him, "Now you must go on alone." To end the war between man and animal, the prince must forget his human ways and begin to learn what tigers know. *The Tiger Prince* was inspired by *The Tigress*, a late Shang dynasty bronze vessel in the Cernuschi Museum in Paris depicting a scene from the Chinese folktale of a baby raised by a tigress.

The Tiger that Isn't May 04 2020 "Numbers have become the all-powerful language of public argument. Too often, that power is abused and the numbers bamboozle. This book shows how to see straight through them -- and how to seize the power for yourself."--Page 2 of cover.

Year of the Tiger May 16 2021 This groundbreaking memoir offers a glimpse into an activist's journey to finding and cultivating community and the continued fight for disability justice, from the founder and director of the Disability Visibility Project In Chinese culture, the tiger is deeply revered for its confidence, passion, ambition, and ferocity. That same fighting spirit resides in Alice Wong. Drawing on a collection of original essays, previously published work, conversations, graphics, photos, commissioned art by disabled and Asian American artists, and more, Alice uses her unique talent to share an impressionistic scrapbook of her life as an Asian American disabled activist, community organizer, media maker, and dreamer. From her love of food and pop culture to her unwavering commitment to dismantling systemic ableism, Alice shares her thoughts on creativity, access, power, care, the pandemic, mortality, and the future. As a self-described disabled oracle, Alice traces her origins, tells her story, and creates a space

for disabled people to be in conversation with one another and the world. Filled with incisive wit, joy, and rage, Wong's Year of the Tiger will galvanize readers with big cat energy.

Dancing with the Tiger Jun 04 2020 Taut, acidly witty, menacingly erotic, and often absolutely terrifying: this is a literary thriller of propulsive force that introduces a powerful storyteller. *An Edgar Finalist for Best First Novel *Semifinalist for the 2017 VCU Cabell First Novelist Award It begins when a meth-addicted grave robber unearths the death mask of Montezuma, setting off a violent struggle for its possession. There is the drug lord who employs him, who would kill for that mask. There is the expat American collector, sinister and possibly mad. There is the greatly respected curator, who for a fee will provide provenances for his country's looted artifacts, and his long-suffering housekeeper, a deeply religious lesbian in a culture of machismo, who despises her patron. And there is the looter himself, who has stolen the mask and is now running for his life. Above all, there is Anna Ramsey, an American with a history of bad choices, who has hidden behind a mask all her adult life. A deeply wounded woman, Anna knows that masks protect and conceal. Anna is a heroine for our times, as she searches for the courage to remove her mask and show her true face.

A dying land. A cat-and-mouse game that can only end in bloodshed. Esha lost everything in the royal coup—and as the legendary rebel known as the Viper, she's made the guilty pay. Now she's been tasked with her most important mission to date: taking down the ruthless General Hotha. Kunal has been a soldier since childhood. His uncle, the general, has ensured that Kunal never strays from the path—even as a part of Kunal longs to join the outside world, which has only been growing more volatile. When Esha and Kunal's paths cross one fated night, an impossible chain of events unfolds. Both the Viper and the soldier think they're calling the shots, but they're not the only players moving the pieces. As the bonds that hold their land in order break down and the sins of the past meet the promise of a new future, both the soldier and the rebel must decide where their loyalties lie: with the lives they've killed to hold on to or with the love that's made them dream of something more.

The Tiger Oct 01 2022 It's December 1997, and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. As the trackers sift through the gruesome remains of the victims, they discover that these attacks aren't random: the tiger is apparently engaged in a vendetta. Injured, starving, and extremely dangerous, the tiger must be found before it strikes again. As

he re-creates these extraordinary events, John Vaillant gives us an unforgettable portrait of this spectacularly beautiful and mysterious region. We meet the native tribes who for centuries have worshipped and lived alongside tigers, even sharing their kills with them. We witness the arrival of Russian settlers in the nineteenth and early twentieth centuries, soldiers and hunters who greatly diminished the tiger populations. And we come to know their descendants, who, crushed by poverty, have turned to poaching and further upset the natural balance of the region. This ancient, tenuous relationship between man and predator is at the very heart of this remarkable book. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters, and how early Homo sapiens may have fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator that can grow to ten feet long, weigh more than six hundred pounds, and range daily over vast territories of forest and mountain. Beautifully written and deeply informative, *The Tiger* circles around three main characters: Vladimir Markov, a poacher killed by the tiger; Yuri Trush, the lead tracker; and the tiger himself. It is an absolutely gripping tale of man and nature that leads inexorably to a final showdown in a clearing deep in the taiga.

The Tiger Nov 02 2022 It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

The Tiger Rising Oct 21 2021 A National Book Award finalist by Newbery Medalist Kate DiCamillo. Walking through the misty Florida woods one morning, twelve-year-old Rob Horton is stunned to encounter a tiger—a real-life, very large tiger—pacing back and forth in a cage. What's more, on the same extraordinary day, he meets Sistine Bailey, a girl who shows her feelings as readily as Rob hides his. As they learn to trust each other, and ultimately, to be friends, Rob and Sistine prove that some things—like memories, and heartache, and tigers—can't be locked up forever. Featuring a new cover illustration by Stephen Walton and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.
