Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Shouting at the Rain Jan 13 2021 From the

author of the New York Times bestseller *Fish in a Tree* comes a compelling story about perspective and learning to love the family you have. Delsie loves tracking the weather--lately, though, it seems the squalls are in her own life. She's always lived with her kindhearted Grammy, but now she's looking at their life with new eyes and wishing she could have a "regular family." Delsie observes other changes in the air, too--the most painful being a friend who's outgrown her. Luckily, she has neighbors with strong shoulders to support her, and Ronan, a new friend who is caring and courageous but also troubled by the losses he's endured. As Ronan and Delsie traipse around Cape Cod on their adventures, they both learn what it means to be angry versus sad, broken versus whole, and abandoned versus loved. And that, together,

As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

Witch Hunts in Europe and America Apr 27 2022 Covering witch hunts from Germany to New England, this concise encyclopedia is a fascinating reference on the hunt to find and persecute those who practiced witchcraft. *A Popular History of Gibraltar, Its Institutions, and Its Neighbourhood on Both Sides of the Straits, and a Guide Book to Their Principal Places and Objects of Interest ...* Jun 05 2020

The European Witch-Hunt Jun 25 2019 The European Witch-Hunt seeks to explain why thousands of people, mostly lower-class women, were deliberately tortured and killed in the name of religion and morality during three centuries of intermittent witch-hunting throughout Europe and North America. Combining perspectives from history, sociology, psychology and other disciplines, this book provides a comprehensive account of witch-hunting in early modern Europe. Julian Goodare sets out an original interpretation of witch-hunting as an episode of ideologically-driven persecution by the 'godly state' in the era of the Reformation and Counter-Reformation. Full weight is also given to the context of village social relationships, and there is a detailed analysis of gender issues. Witch-hunting was a legal operation, and the courts' rationale for interrogation under torture is explained. Panicking local elites, rather than central governments, were at the forefront of witch-hunting. Further chapters explore folk beliefs about legendary witches, and intellectuals' beliefs about a secret conspiracy of witches in

league with the Devil. Witch-hunting eventually declined when the ideological pressure to combat the Devil's allies slackened. A final chapter sets witch-hunting in the context of other episodes of modern persecution. This book is the ideal resource for students exploring the history of witch-hunting. Its level of detail and use of social theory also make it important for scholars and researchers.

Report of the State School Book Commission, 1923 Jul 27 2019

The Selected Writings of Leigh Hunt Nov 10 2020 This edition makes available in a single edition all of Hunt's major works, fully annotated and with a consolidated index. The set will include all of Hunt's poetry, and an extensive selection of his periodical essays.

Hunt for Justice Jun 29 2022 NOW IN PAPERBACK! "A true story that reads like a mystery."—Tony Hillerman "A suspenseful page-turner and a tale of true courage." —Ted Kerasote, author of *Bloodties* "Schroeder illuminates an unusual, insular world with unflinching grit."—Publishers Weekly For thirty years Lucinda Delaney Schroeder held an unusual government position: She was one of a handful of women special agents with the U.S. Fish and Wildlife Service. In August 1992 she accepted an assignment that forever changed her life. The petite blonde left behind her husband and seven-year-old daughter in Wisconsin and posed as a divorcee big-game hunter in Alaska in order to infiltrate an international ring of poachers out for trophy wildlife. A *Hunt for Justice* takes readers along during Schroeder's dangerous mission. More than an adventure or true-crime tale, it is the story of a woman surviving in a male-dominated field, a woman against the wilderness, and a wife and mother risking it all for a cause she believes in. Selected for the 2007 Amelia Bloomer Project list of recommended feminist literature for young readers.

Commercial and Financial Chronicle and Hunt's Merchant's Magazine Oct 29 2019

We're Going on a Lion Hunt Oct 02 2022 This charming version of a well-known chant takes place on the African savanna In this beautifully illustrated rendition of a well-known children's chant, two sisters are looking not for a bear but for a lion—a lion that lives on the African

savanna, where the girls go through swishy-swashy long grass, a splashy-splashy lake, and a Big Dark Cave. When they finally meet their lion, they have to run, run, run through it all again to get back home. Young readers will enjoy the playful language and beautiful paintings that reset a familiar story in a far-off part of the world.

Hudson and the Missing Tiger Apr 03 2020

When Juliette's Tiger goes missing, The Waterford Detectives are on the case. Hudson and Maddux star in two stories - Hudson and the Missing Tiger and Hudson and the Treasure Hunt. In this side-by-side classroom edition, the stories are presented in English on the left pages and in Spanish on the right pages. With translation by elementary teacher, Carmen Vargas Breval, This first entry in The Waterford Detective series is ideal for youngsters who are studying a foreign language.

Mayflower Jan 31 2020 When Tona's husband dies at sea she is left alone to fend for both herself and her sons. She opens a tavern and attempts to live a normal life, even finding another handsome man to fall in love with. It seems that for Tona, however, it never just rains, but pours. She is soon faced with yet another cruel disappointment. 'Mayflower' and its vivid descriptions tell the tale of one woman's misfortune, her courage, and the strength of the human spirit. One of Vicente Blasco Ibáñez's most famous novels for a reason, the true-to-life

nature of his writing reflect his own experiences with a life of hardships. Vicente Blasco Ibáñez (1867 - 1928) was born in Valencia, Spain. Despite being best known for his work as a novelist, he was also a respected journalist and politician. He reflects his own experiences moving in these circles through his work, as his characters often seem to fall victim to less than favorable social and environmental conditions. Among his most important works are "The Four Horsemen of the Apocalypse", "Our Sea", "La Bodega", and "Mayflower".

The Armature of Conquest Dec 12 2020 Focusing on certain key first-hand narratives of the discovery, exploration and conquest of the New World, the author views various journals, letters and other documents not merely as narratives of facts and events, but as literary expressions of the dynamics of the writer's experience. Bodmer uses early Spanish chronicles to take the reader on a journey of exploration into the ideology of conquest and how it fared in the face of New World realities. What emerges is a detailed analytical history of the gradual awakening of a critical consciousness concerning accepted versions of the discovery and conquest of America.

[The Anaya Deceit](#) Jun 17 2021

[Murder on a Mystery Tour](#) Jul 31 2022 The "consistently witty" Agatha Award-winning author presents a tale of murder in a country mansion (Mystery News). With their fortunes dwindling, Reggie and his wife, Midge, have turned the family mansion into an English country inn. When Midge gets a call from an old classmate who arranges "mystery tours" for visiting Americans, she happily agrees to host one of these staged-murder events. But the tour seems to be a disaster from the get-go, with lots of arguing and complaining among those involved. Then, after a massive snowstorm, a real murder takes place—and it's up to the amateur sleuths to solve the case before the killer checks them out permanently. Praise for Marian Babson "Marian Babson's name on a mystery is a guarantee of quality writing wrapped around an unusual crime." —Houston Chronicle

[For the Glory of God](#) Mar 15 2021 Rodney Stark's provocative new book argues that,

Downloaded from
certainunalienablerights.com on
December 4, 2022 by guest

whether we like it or not, people acting for the glory of God have formed our modern culture. Continuing his project of identifying the widespread consequences of monotheism, Stark shows that the Christian conception of God resulted--almost inevitably and for the same reasons--in the Protestant Reformation, the rise of modern science, the European witch-hunts, and the Western abolition of slavery. In the process, he explains why Christian and Islamic images of God yielded such different cultural results, leading Christians but not Muslims to foster science, burn "witches," and denounce slavery. With his usual clarity and skepticism toward the received wisdom, Stark finds the origins of these disparate phenomena within monotheistic religious organizations. Endemic in such organizations are pressures to maintain religious intensity, which lead to intense conflicts and schisms that have far-reaching social results. Along the way, Stark debunks many commonly accepted ideas. He interprets the sixteenth-century flowering of science not as a sudden revolution that burst religious barriers, but as the normal, gradual, and direct outgrowth of medieval theology. He also shows that the very ideas about God that sustained the rise of science led also to intense witch-hunting by otherwise clear-headed Europeans, including some celebrated scientists. This conception of God likewise yielded the Christian denunciation of slavery as an abomination--and some of the fiercest witch-hunters were devoted participants in successful abolitionist movements on both sides of the Atlantic. For the Glory of God is an engrossing narrative that accounts for the very different histories of the Christian and Muslim worlds. It fundamentally changes our understanding of religion's role in history and the forces behind much of what we point to as secular progress.

The Perilous Hunt Dec 24 2021 In the symbolic language of ballads, a lady's costly dress tells of the beauty of the body beneath it or of the wearer's happiness; a lost hawk or hound foreshadows the hunter's fate long before the plot reaches a turning point. In her original and far-reaching study of such familiar narrative elements, Edith Randam Rogers adds much to our understanding of poetic expression in the ballad tradition. In focusing on individual motifs

as they appear in different ballads, different languages, and different periods, Rogers proves the existence of a reliable lingua franca of symbolism in European balladry. Lines or even whole stanzas that have defied interpretation often come to life when the reader is aware of the meaning of a particular motif in such an international vocabulary of images. Thus this book makes available important new critical tools sure to have significant results for ballad scholarship.

The History of the Death Valley Region Jan 01 2020 A comprehensive history of the Death Valley Region. Beginning with the native people who inhabited the area and the eventual discovery of the area by Europeans. The book details the history of the area from its initial development of mining and transportation to its eventual development into tourism and becoming a National Park. The book includes many maps and vintage photographs of the region.

Pieces of Eight Sep 01 2022 Twentieth-century sleuthing methods are linked with the romance and mystery of the past in this true story of a treasure hunt that has yielded millions. Over 250

years ago a Spanish treasure armada was wrecked on the Florida reefs, and ten richly laden vessels were sunk. In time they were forgotten. In the 1940's Kip Wagner, then a Florida construction man, picked up the first clues to the location of the wrecked ships. They were scarce: occasional blackened silver coins discovered here and there along the beach. But Kip Wagner's imagination was fired, and with the help of his friend and physician, Dr. Kelso, he began the long research and search operations that are described in this engrossing book. They were joined by a small group of other men and formed the Real Eight Corporation appropriately named for the Spanish ocho reales, or piece of eight. Most of the team had other jobs, some of them at nearby Cape Kennedy, and could hunt treasure only in their spare time. But they persisted. The work was arduous, at times dangerous. There were setbacks, disappointments, grueling underwater ordeals. But in time the rewards were sensational -thousands of silver pieces of eight and golden doubloons, silver bars and bullion, gold ingots, gold rings and pendants, priceless Chinese porcelain, a gold necklace appraised by a museum at \$50,000, three million dollars in treasure recovered so far by this band of hard-working, adventurous, persistent men.
