We Set the Dark on Fire Feb 22 2022 "We Set the Dark on Fire burns bright. It will light the way for a new generation of rebels and lovers." -NPR "Mejia pens a compelling, gripping story that mirrors real world issues of immigration and equality." -Buzzfeed Five starred reviews!! In this daring and romantic fantasy debut perfect for fans of The Handmaid's Tale and Latinx authors Zoraida Córdova and Anna-Marie McLemore, society wife-in-training Dani has a great awakening after being recruited by rebel spies and falling for her biggest rival. At the Medio School for Girls, distinguished young women are trained for one of two roles in their polarized society. Depending on her specialization, a graduate will one day run a husband's household or raise his children. Both paths promise a life of comfort and luxury, far from the frequent political uprisings of the lower class. Daniela Vargas is the school's top student, but her pedigree is a lie. She must keep the truth hidden or be sent back to the fringes of society. And school couldn't prepare her for the difficult choices she must make after graduation, especially when she is asked to spy for a resistance group desperately fighting to bring equality to Medio. Will Dani cling to the privilege her parents fought to win for her, or will she give up everything she's strived for in pursuit of a free Medio—and a chance at a forbidden love?

Integrity Selling for the 21st Century Aug 07 2020 "I have observed several hundred salespeople who were taught to use deceptive practices like 'bait and switch' and encouraged to play negotiation games with customers... In the same industry, I have observed countless people who had been taught to sell with high integrity. Ironically, their customer satisfaction, profit margins, and salesperson retention were significantly higher." – Ron Willingham If you've tried manipulative, self-focused selling techniques that demean you and your customer, if you've ever wondered if selling could be more than just talking people into buying, then *Integrity Selling for the 21st Century* is the book for you. Its concept is simple: Only by getting to know your customers and their needs – and believing that you can meet those needs – will you enjoy relationships with customers built on trust. And only then, when you bring more value to your customers than you receive in payment, will you begin to reap the rewards of high sales. Since the publication of Ron Willingham's enormously successful first book, *Integrity Selling*, his sales program has been adopted by dozens of Fortune 500 companies, such as Johnson & Johnson and IBM, as well as the American Red Cross and the New York Times. In his new book, *Integrity Selling for the 21st Century*, Willingham explains how his selling system relates to today's business climate – when the need for integrity is greater than ever before. *Integrity Selling for the 21st Century* teaches a process of self-evaluation to help you become a stellar salesperson in any business climate. Once you've established your own goals and personality traits, you'll be able to evaluate them in your customers and adapt your styles to create a more trusting, productive relationship. Drawing upon Willingham's years of experience and success stories from sales forces of the more than 2,000 companies that have adopted the *Integrity Selling* system, Ron Willingham has created a blueprint for achieving success in sales while staying true to your values.

Take a Hint, Dani Brown Jul 30 2022 Named one of the Best Romances of 2020 by Apple, Kirkus, PW, Washington Post, NPR, BookPage, OprahMag, EW, Insider, Buzzfeed, Bustle, and Amazon! USA Today bestselling author Talia Hibbert returns with another charming romantic comedy about a young woman who agrees to fake date her friend after a video of him "rescuing" her from their office building goes viral... Danika Brown knows what she wants: professional success, academic renown, and an occasional roll in the hay to relieve all that career-driven tension. But romance? Been there, done that, burned the T-shirt. Romantic partners, whatever their gender, are a distraction at best and a drain at worst. So Dani asks the universe for the perfect friend-with-benefits—someone who knows the score and knows their way around the bedroom. When big, brooding security guard Zafir Ansari rescues Dani from a workplace fire drill gone wrong, it's an obvious sign: PhD student Dani and former rugby player Zaf are destined to sleep together. But before she can explain that fact to him, a video of the heroic rescue goes viral.

Suddenly, half the internet is shipping #DrRugbae—and Zaf is begging Dani to play along. Turns out his sports charity for kids could really use the publicity. Lying to help children? Who on earth would refuse? Dani's plan is simple: fake a relationship in public, seduce Zaf behind the scenes. The trouble is, grumpy Zaf is secretly a hopeless romantic—and he's determined to corrupt Dani's stone-cold realism. Before long, he's tackling her fears into the dirt. But the former sports star has issues of his own, and the walls around his heart are as thick as his... um, thighs. The easy lay Dani dreamed of is now more complex than her thesis. Has her wish backfired? Is her focus being tested? Or is the universe just waiting for her to take a hint? "Talia Hibbert is a rockstar! Her writing is smart, funny, and sexy..." - Meg Cabot, #1 New York Times bestselling author of the Little Bridge Island and Princess Diaries series Featured in OprahMag, Bustle, Parade, PopSugar, New York Post, Essence, Travel & Leisure, Ms. Magazine, TheSkimm, Betches, Shondaland, BuzzFeed and more...

After having a nationally televised panic attack, Dan Harris knew he had to make some changes. A lifelong nonbeliever, he found himself on a bizarre adventure involving a disgraced pastor, a mysterious self-help guru, and a gaggle of brain scientists. Eventually, Harris realized that the source of his problems was the very thing he always thought was his greatest asset: the incessant, insatiable voice in his head, which had propelled him through the ranks of a hypercompetitive business, but had also led him to make the profoundly stupid decisions that provoked his on-air freak-out. Finally, Harris stumbled upon an effective way to rein in that voice, something he always assumed to be either impossible or useless: meditation, a tool that research suggests can do everything from lower your blood pressure to essentially rewire your brain. 10% Happier takes readers on a ride from the outer reaches of neuroscience to the inner sanctum of network news to the bizarre fringes of America's spiritual scene, and leaves them with a takeaway that could actually change their lives.

Influences of the Will May 04 2020 Your will is constantly being engaged with daily decisions. It's time you take control over the influences that have been directing your will! The advertising and marketing world have studied how we react to life for years, while most people turn and look the other way on the topic of the will. We have measured the will from a performance perspective for far too long while denying that the will is a part of our identity that connects us to God and constantly looking at what happens instead of examining why things happen. Becoming aware of the influences of the will allows us the freedom of pursuing God's will and our life's purpose. We no longer have to discuss free will without a clear perspective on how it relates to the responsibilities of freedom. It's time to begin using our will to create God's glory and call our purpose into order by acknowledging our dominion over our will and the relationships it engages. Hermon Cotton searches out the scriptures to explore what God has revealed to us about the influences of the will and how it relates to everyday life. This book is

equipped with scripturally sound tools and insights for understanding the influences of the will's impact on everyday life. You can align your desires, plans, and motives with God's will for a purposeful and meaningful life. In this book, you will learn • how the influences of the will impact your everyday life and shapes your destiny, • how to understand how your will relates to God's plan on earth • how the influences of the will can help you become the overcomer God called you to be, and • how to align your will with the Holy Spirit and reflect God's glory. Plus, thoughtful moments are included with each main topic for reflection and application. The Thoughtful moments include a concluding concept, foundational scripture, and thoughtful questions that will reinforce your grasp on the influences on your will as you begin living to make God's glory known. God doesn't want you blind to marketing strategies that engage your will daily. He has already given you the identity of his child made in his image and likeness. So now it time to use our will like Jesus Christ, our model for aligning our will with God's will. So start reading your copy of Influences of the Will today and dive into a deeper understanding of your God-designed will as it relates to everyday life!

The Empty Chair Nov 21 2021 A profound and heart-wrenching work of spiritual storytelling from the internationally acclaimed author of Dead Stars Celebrated for his "up-to-the-nanosecond insider's knowledge of the L.A. scene" (The Washington Post), Bruce Wagner takes his storytelling in a radically new direction with two linked novellas. In First Guru, a gay Buddhist living in Big Sur achieves enlightenment in the horrific aftermath of his child's suicide. In Second Guru, Queenie, an aging wild child, returns to India to complete the spiritual journey of her youth. Told in ravaged, sensuous detail to a fictional Wagner by two strangers on opposite sides of the country, years apart from each other, these stories illuminate the random, chaotic nature of human suffering and the miraculous strength of the human spirit.

Start-up Nation Jun 16 2021 START-UP NATION addresses the trillion dollar question: How is it that Israel-- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the "Israel effect", there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.

The Brand-Driven CEO Jan 24 2022 "The Brand-Driven CEO demonstrates how senior leadership can use their brand to align and guide the behaviours, decisions, and operations of their organization in order to drive brand and shareholder value. Author David Kincaid delivers practical assessments and game plans for senior executives and managers across functional areas, clarifying the confusion between brand and marketing management. He introduces the "New 4Ps" of brand management: people, process, IP, and partnerships. This paradigm shift equips business leaders with a new approach to managing growth, profitability, risk, and sustainable value creation. Using real life, current case studies from today's fastest growing and most valuable brands - including Starbucks, Apple, and BMW - this book reveals how big businesses are being led and managed as integrated business systems and not by marketing departments. The Brand-Driven CEO includes criteria to conduct your own brand self-assessment and a step-by-step roadmap that can be applied to help transform your brand and its management."--

How to Fulfil Divine Purpose Jan 12 2021 A study by an American University once revealed that 97 percent of the world's population have no goal and work for the 3 percent who have. This is a great tragedy; that 97 percent of people in all walks of life wake up each day, drudge through life, and go back to sleep for a lifetime without knowing why they came to earth. The sad thing is that among these daydreamers are great men and women originally destined by their Maker to be movers and shakers of our planet. The only reason they are wandering in the desert of life is because they have not found their true north. We all know that man is created in the image and likeness of God, which means that what is possible with God is possible with man. When put to the test, human beings have been known to perform mighty feats. Scientists call it hysterical strength, and there have been many reported stories of this happening, where an individual exercises superhuman strength in a time of great need. A famous case of this happened in 1960. Angela Carvallo's son was trapped under a car, and upon waiting for help, she took the rescue into her own hands and lifted the car off him, allowing him to crawl out of harm's way. In this insightful book, Pastor MKO argues that you do not have to settle for mediocrity and anonymity. You are capable of achieving the highest possible dream for which your Maker created you. All you need to do is find your true place on earth, and you will rock the universe! *How to Fulfil Your Divine Purpose* is a life-changing book that must be read by anyone who is going somewhere.
