Comprehending as capably as promise even more than extra will have enough money each success. next to, the publication as well as sharpness of this **The Inauguration Of Barack Obama A Photographic Journal** can be taken as competently as picked to act.

Obama: the Call of History Oct 28 2019 NEW EDITION WITH EXPANDED TEXT, WITH A FOREWORD BY JON MEACHAM: The original edition of *Obama: The Call of History* (2017) was the first full-fledged pictorial history of President Barack Obama's two terms in office to be published as he stepped down. Now comes an updated version that expands the narrative account and adds new perspective from author Peter Baker, Chief White House Correspondent for The New York Times. In this new edition, Baker reports on new details about the final months of the Obama presidency as Russia sought to intervene in American democracy, and assesses the impact of Donald Trump's presidency on Barack Obama's legacy. Baker chronicles a period of great hope, tumult, accomplishments, and, yes, failure. This is the story of a young president who took on the worst financial disaster since the Great Depression, forged a controversial health care program, watched anxiously in the Situation Room after approving the raid that killed Osama Bin Laden and endured mid-term election defeats. In a presidency buffeted by one crisis after another, he struggled with the Syrian civil war, a Russian invasion of its neighbor, the rise of the Islamic State, and, at home, often violent racial strife and recalcitrant Congress. "His first line in the history books was written the day he won office as the first African-American president, but he was determined to offer more than simply a new complexion in the Oval Office," writes Baker, Chief White House Correspondent for The New York Times, about the 44th president of the United States. Inspiring in a crowded stadium yet difficult behind the scenes, Obama was a master politician who loathed politics. To many, he was an enigma, often seen through the lens of the observer--a liberal zealot to the right, an overeager compromiser to the left. "I am a Rorschach test," he once noted. But he was the dominant figure of his age. After eight eventful years, he would never be the same--and neither would be his country. Featuring expanded text, this fully updated chronicle of *Obama: The Call of History* is an in-depth account of Barack Obama's years in office, as well as an examination of his legacy as it stands today.

Dream Big Dreams Apr 26 2022 From former Chief Official White House Photographer Pete Souza comes a book for young readers that highlights Barack Obama's historic presidency and the qualities and actions that make him so beloved. Pete Souza served as Chief Official White House Photographer for President Obama's full two terms. He was with the President during more crucial moments than anyone else - and he photographed them all, capturing scenes both classified and candid. Throughout his historic presidency, Obama engaged with young people as often as he could, encouraging them to be their best and do their best and to always "dream big dreams." In this timeless and timely keepsake volume that features over seventy-five full-color photographs, Souza shows the qualities of President Obama that make him both a great leader and an extraordinary man. With behind-the-scenes anecdotes of some iconic photos alongside photos with his family, colleagues, and other world leaders, Souza tells the story of a president who made history and still made time to engage with even the youngest citizens of the country he served. By the author of *Obama: An Intimate Portrait*, the definitive visual biography of Barack Obama's presidency, *Dream Big Dreams* was created especially for young readers and not only provides a beautiful portrait of a president but shows the true spirit of the man.

American Grown Jun 24 2019 #1 NEW YORK TIMES BESTSELLER • The former First Lady, author of *Becoming*, and producer and star of *Waffles + Mochi* tells the inspirational story of the White House Kitchen Garden and how gardens can transform our lives and the health of our communities. Early in her tenure as First Lady, despite being a novice gardener, Michelle Obama planted a kitchen garden on the White House's South Lawn. To her delight, she watched as fresh vegetables, fruit, and herbs sprouted from the ground. Soon the White House Kitchen Garden inspired a new conversation all across the country about the food we feed our families and the impact it has on the nutrition and well-being of our children. In *American Grown*, Mrs. Obama invites you inside the White House Kitchen Garden, from the first planting to the satisfaction of the seasonal harvest. She reveals her early worries and struggles--would the new plants even grow?--and her joy as lettuce, corn, tomatoes, collards and kale, sweet potatoes and rhubarb flourished in the freshly tilled soil. She shares the stories of other gardens that have moved and inspired her on her journey across the nation. And she offers what she learned about planting your own backyard, school, or community garden. *American Grown* features: • a behind-the-scenes look at every season of the garden's growth • unique recipes created by White House chefs • striking original photographs that bring the White House garden to life • a fascinating history of community gardens in the United States From a modern-day vegetable truck that brings fresh produce to underserved communities in Chicago, to Houston office workers who make the sidewalk bloom, to a New York City school that created a scented garden for the visually impaired, to a garden in Winston-Salem, North Carolina, that devotes its entire harvest to those less fortunate, *American Grown* isn't just the story of a single garden. It's a celebration of the bounty of our nation and a reminder of what we can all grow together.

Shade Nov 21 2021 From Pete Souza, the #1 New York Times bestselling author of *Obama: An Intimate Portrait*, comes a potent commentary on the Presidency -- and our country. As Chief Official White House Photographer, Pete Souza spent more time alongside President Barack Obama than almost anyone else. His years photographing the President gave him an intimate behind-the-scenes view of the unique gravity of the Office of the Presidency -- and the tremendous responsibility that comes with it. Now, as a concerned citizen observing the Trump administration, he is standing up and speaking out. *Shade* is a portrait in Presidential contrasts, telling the tale of the Obama and Trump administrations through a series of visual juxtapositions. Here, more than one hundred of Souza's unforgettable images of President Obama deliver new power and meaning when framed by the tweets, news headlines, and quotes that defined the first 500

days of the Trump White House. What began with Souza's Instagram posts soon after President Trump's inauguration in January 2017 has become a potent commentary on the state of the Presidency, and our country. Some call this "throwing shade." Souza calls it telling the truth. In *Shade*, Souza's photographs are more than a rejoinder to the chaos, abuses of power, and destructive policies that now define our nation's highest office. They are a reminder of a President we could believe in, and a courageous defense of American values.

Homeland Jan 30 2020 *Homeland* is the remarkable memoir of George Obama, President Obama's Kenyan half brother, who found the inspiration to strive for his goal—to better the lives of his own people—in his elder brother's example. In the spring of 2006, George met his older half brother, then-U.S. senator Barack Obama, for the second time—the first was when he was five. The father they shared was as elusive a figure for George as he had been for Barack; he died when George was six months old. George was raised by his mother and stepfather, a French aid worker, in a well-to-do suburb of Nairobi. He was a star pupil and rugby player at a top boarding school in the Mount Kenya foothills, but after his mother and stepfather separated when he was fifteen, he was deprived of the only father figure he had ever known. Now left angry, rebellious, and troubled, his life crashed and burned. George dropped out of school and started drinking and smoking hashish. From there it was only a short step to the gangland and a life of crime. He gravitated to Nairobi's vast ghetto, and in the midst of its harsh existence discovered something wholly unexpected: a vibrant community and a special affinity with the slum kids, whom he helped survive amid grinding poverty and despair. When he was twenty, he and three fellow gangsters were arrested for a crime they did not commit and imprisoned for nine months in the hell of a Nairobi jail. In an extraordinary turn of events, George went on to represent himself and the other three at trial. The judge threw out the case, and George walked out of jail a changed man. After winning his freedom, George met his American brother for a second time, and was left with a strong impression that Barack would run for the American presidency. George was inspired by his older brother's example to try to change the lives of his people, the ghetto-dwellers, for the better. Today, George chooses to live in the Nairobi ghetto, where he has set up his own community group and works with others to help the ghetto-dwellers, and especially the slum kids, overcome the challenges surrounding their lives. "My brother has risen to be the leader of the most powerful country in the world. Here in Kenya, my aim is to be a leader amongst the poorest people on earth—those who live in the slums." George Obama's story describes the seminal influence Barack had on his future and reveals his own unique struggles with family, tribe, inheritance, and redemption.

Becoming Mar 02 2020 An intimate, powerful, and inspiring memoir by the former First Lady of the United States #1 NEW YORK TIMES BESTSELLER • WATCH THE EMMY-NOMINATED NETFLIX ORIGINAL DOCUMENTARY • OPRAH'S BOOK CLUB PICK • NAACP IMAGE AWARD WINNER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America—the first African American to serve in that role—she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare. In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her—from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it—in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations—and whose story inspires us to do the same.

Dream Big Dreams Mar 14 2021 From former Chief Official White House Photographer Pete Souza comes a book for young readers that highlights Barack Obama's historic presidency and the qualities and actions that make him so beloved. Pete Souza served as Chief Official White House Photographer for President Obama's full two terms. He was with the President during more crucial moments than anyone else – and he photographed them all, capturing scenes both classified and candid. Obama Nov 09 2020 Photographs and text trace Barack Obama's journey from his birth in Hawaii, through his political career in Chicago and his primary and presidential campaigns, to his inauguration in 2009.

The Inauguration of Barack Obama Jun 28 2022 Photographs of the inauguration of the forty-fourth president feature scenes of his arrival by rail, the opening concert, volunteer activities, and all the events of Inauguration Day itself, along with the text of his inaugural address.

Barack Obama Sep 19 2021 Presents photographs of the inauguration of President Barack Obama, including scenes from his arrival, the opening celebration, the parade, and the inaugural balls, and includes the text of his inaugural address.

A Promised Land Aug 26 2019 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy – and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith

of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in A Promised Land is the former president's candour' David Olusoga, Observer

Celebrating the Inauguration of Barack Obama in Pictures Jun 16 2021 "Photographs illustrate the inauguration of President Barack Obama from the whistle stop train tour to the inaugural balls"--Provided by publisher.

Powell -- The Obama portraits and the National Portrait Gallery as a site of secular pilgrimage / Kim Sajet -- The presentation of the Obama portraits : a transcript of the unveiling ceremony.

Dreams from My Father Sep 27 2019 #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."--Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."--Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."--The New York Times Book Review "Obama's writing is incisive yet forgiving. This is a book worth savoring."--Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."--Charlayne Hunter-Gault, author of *In My Place* "*Dreams from My Father* is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."--Marian Wright Edelman

The President's Photographer Jul 26 2019 A companion to November 2010 National Geographic TV special explores the work of the nine official White House photographers, from JFK through today, in a book that includes 150 historic photos.

Renegades Dec 11 2020 NEW YORK TIMES BESTSELLER • Two longtime friends share an intimate and urgent conversation about life, music, and their enduring love of America, with all its challenges and contradictions, in this stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. *Renegades: Born in the USA* is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes: • Original introductions by President Obama and Bruce Springsteen • Exclusive new material from the *Renegades* podcast recording sessions • Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches" • Springsteen's handwritten lyrics for songs spanning his 50-year-long career • Rare and exclusive photographs from the authors' personal archives • Historical photographs and documents that provide rich visual context for their conversation In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favorite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.

The Post-American World Apr 14 2021 Explores how the rapid rise of such nations as China, India, and Brazil is countering America's previous dominance over the global economy, geopolitics, and culture, and shares advice on how the United States can thrive in the face of international changes.

Go High: The Unstoppable Presence and Poise of Michelle Obama Feb 10 2021 The editor of *Hugs from Obama* presents this photographic celebration of the former first lady's elegance and strength in *Go High: The Unstoppable Presence and Poise of Michelle Obama*. Featuring more than 50 full-color photographs illustrating her warmth, wisdom, and belief in a bright future, this one-of-a-kind collection highlights Michelle Obama's compassion, verve, and dynamic approach to unifying people from all walks of life. Each picture is accompanied by some of her most compelling words—inspirational quotes sharing her earnest expression that the United States of America is a place of unity, fairness, vitality, and optimism. A perfect gift book for mothers and graduates, *Go High* revisits the beloved first lady's heartfelt embrace of the American people, and her persistent encouragement to always lift one another up, reach higher, and rise to the occasion.

The West Wing and Beyond Jul 06 2020 Go behind the scenes of the *West Wing*—into the Oval Office and Situation Room, aboard Air Force One, and beyond—with #1 bestselling author and former presidential photographer Pete Souza. Pete Souza has spent more time in the Oval Office than almost any person in history. During the Obama administration alone, Souza was inside the presidential bubble for more than 25,000 hours and made nearly 2 million photographs. The result is an unprecedented view of how our democracy really works. Now Souza invites you into the inner sanctum of the American presidency, sharing rarely seen photographs and untold stories of life and work in the White House and traveling with the President around the world. *The West Wing and Beyond* takes you behind the scenes of consequential moments and traditions with the people who define our nation's highest office—from the senior White House staff to the Oval Office valets. It delivers new insights into the role of the Secret Service, the seriousness of decisive meetings in the West Wing, and even some fun moments aboard Air Force One. Brimming with gorgeous photographs paired with fascinating storytelling, *The West Wing and Beyond* offers a one-of-a-kind look into the personalities, intrigues, and fascinating details that comprise the modern presidency. It is an essential book for every citizen who believes in American democracy.

The Rise of Barack Obama May 16 2021 A collection of exclusive photographs with explanatory text captures Barack Obama's political career, from his first day in the U.S. Senate to the early months of his presidential campaign.

Obama: The Historic Campaign in Photographs Jan 12 2021 Through 150 striking color photographs, Obama: The Historic Campaign in Photographs charts the road to Barack Obama's nomination as the first African American to lead the presidential ticket of a major party. Announcing his campaign in Springfield, Illinois, on February 10, 2007, Obama stood on the grounds of the Old State Capitol, where Abraham Lincoln delivered his famous "House Divided" speech against slavery in 1858. During an eighteen-month campaign, from the snows of Iowa to the hunt for Democratic "superdelegates," this junior senator from Chicago confounded the party establishment and rewrote the playbook on modern presidential campaigning. This amazing collection of photographs captures the public and private moments of his journey, and offers a unique window into one of the great triumphs in American politics.

Yes We Did Feb 22 2022 "Eight years in the White House went by so fast. That's why I'm so grateful that Lawrence was there to capture them. I hope you enjoy his work as much as I do." --From the foreword by Barack Obama When Lawrence Jackson took the job as White House photographer in early 2009, he knew he'd have a front row seat to history. What he didn't expect was the deep personal connection he would feel, as a fellow African American, with the President of the United States. Yes We Did is filled with Lawrence's intimate photographs and reflections, as well as first-person recollections from President Obama, everyday citizens, and notable personalities including Bono, Stephen Curry, Valerie Jarrett, Admiral Mike Mullen, and others. The book is a celebration of the most inclusive and representative White House in history - where in between momentous and pivotal decisions, the President and First Lady opened the doors of the People's House to schoolkids, athletes, senior citizens, hip-hop artists, and more. For anyone who misses the humanity, grace, and undefinable "cool factor" of the Obama White House, this warm and inspiring book provides an affirming, proud, and focused lens on our history.

Chasing Light Jul 18 2021 A New York Times Best Seller A collection of striking and intimate photographs of Michelle Obama-many never before seen-coupled with personal reflections and behind-the-scenes stories from Official White House Photographer Amanda Lucidon, presented in a deluxe format. Michelle Obama is one of the most admired First Ladies in history, known for her grace, spirit, and beauty, as well as for the amazing work she did during her tenure to promote girls' education, combat childhood obesity, and support military families. In Chasing Light, former White House photographer Amanda Lucidon, who spent four years covering the First Lady, shares a rare insider's perspective, from documenting life at the White House to covering domestic and overseas travel. This collection of 150 candid photos-many previously unreleased-and Amanda's narrative reflections reveal just what makes Mrs. Obama so special. From an affectionate moment with her daughters atop the strikingly empty Great Wall of China to exuberant moments with schoolchildren and quiet moments between the First Lady and President Obama, the photos are a vibrant, candid, and beautiful celebration of the First Lady, capturing the qualities and strengths that have made Mrs. Obama so beloved.

Hugs from Obama Aug 31 2022 A photographic celebration of Obama's warmth and compassion America needs a hug from Obama now more than ever, and this beautiful collection of photographs and quotations showcases President Obama's wit, grace, wisdom, and warmth. As you pore over these pages, you'll be transported back to an era when leadership and dignity went hand in hand. Alongside touching images of our 44th president embracing his fellow citizens are some of his most inspirational and timely quotes, such as, "There's not a liberal America and a conservative America - there's the United States of America" and "We're the ones we've been waiting for. We are the change that we seek."

Obama: An Intimate Portrait Oct 01 2022 Relive the extraordinary Presidency of Barack Obama through White House photographer Pete Souza's behind-the-scenes images and stories in this #1 New York Times bestseller -- with a foreword from the President himself. During Barack Obama's two terms, Pete Souza was with the President during more crucial moments than anyone else -- and he photographed them all. Souza captured nearly two million photographs of President Obama, in moments highly classified and disarmingly candid. Obama: An Intimate Portrait reproduces more than 300 of Souza's most iconic photographs with fine-art print quality in an oversize collectible format. Together they document the most consequential hours of the Presidency -- including the historic image of President Obama and his advisors in the Situation Room during the bin Laden mission -- alongside unguarded moments with the President's family, his encounters with children, interactions with world leaders and cultural figures, and more. Souza's photographs, with the behind-the-scenes captions and stories that accompany them, communicate the pace and power of our nation's highest office. They also reveal the spirit of the extraordinary man who became our President. We see President Obama lead our nation through monumental challenges, comfort us in calamity and loss, share in hard-won victories, and set a singular example to "be kind and be useful," as he would instruct his daughters. This book puts you in the White House with President Obama, and is a treasured record of a landmark era in American history.

Michelle Obama Nov 02 2022 With 140 photographs, inspiring quotes, and excerpts from historic speeches, this stunning volume celebrates beloved First Lady Michelle Obama. Although the book focuses on 2007 to 2016, it also covers the pre-White House years, from childhood to law school to Obama's first campaign. It also explores her family life; "First Lady Firsts"; TV appearances and official trips; main health, social, and education projects; and role as glamorous First Hostess at State Dinners and other events.

Obama: An Intimate Portrait reproduces Souza's most iconic photographs in exquisite detail, more than three hundred in all. Some have never been published. These photographs document the most consequential hours of the Presidency--including the historic image of President Obama and his advisors in the Situation Room during the bin Laden mission--alongside unguarded moments with the President's family, his encounters with children, interactions with world leaders and cultural figures, and more. Souza's photographs, with the behind-the-scenes captions and stories that accompany them, communicate the pace and power of our nation's highest office. They also reveal the spirit of the extraordinary man who became our President. We see President Obama lead our nation through monumental challenges, comfort us in calamity and loss, share in hard-won victories, and set a singular example to "be kind and be useful," as he would instruct his daughters. The result is a portrait of exceptional intimacy and a stunning record of a landmark era in American history.

Re-experience the ear-to-ear grins and laughter that President Obama shared with the world, and reminisce about a presidential tenure that spread as much joy as it did optimism. Together with these uplifting photographs is a collection of the most humorous one-liners, playful jokes, and good-natured quips to come from the 44th President of the United States. Enjoy this fun celebration of a presidency that was defined not just by leadership, integrity, and hope, but also by warmth, charisma, and laughter.

Barack Before Obama Mar 26 2022 A People Pick of the Week One of USA Today's 5 Books Not to Miss One of Forbes' 5 Books to Read in December A personal, intimate photographic celebration of President Barack Obama, featuring over 200 rare and never-before seen images from the years prior to his presidency, from photographer, friend, and former aide David Katz In 2004, David Katz worked alongside then Senate-hopeful Barack Obama as a photographer and personal aide. He spent approximately six days a week alongside the future president as Obama campaigned across downstate Illinois, and the two developed a close, professional, and personal relationship. What began as a long-shot Senate run culminated with the election of America's first African American president in 2008, which Katz also photographed. During this time, David

was never without his camera, capturing quotidian scenes from the life of a man who would soon become known the world over: a dad playing with his small daughters; a young unknown politician walking the streets of New York by himself with no one noticing; a devoted husband lovingly making faces at his wife in an elevator. In 2004, after seeing the unique and touching photographs David had amassed, Annie Leibovitz gave him some advice: "Don't release these photos of Obama for at least fifteen years. They need time to age." Now, fifteen years later, *Barack Before Obama* is the treasury of these photographs. Pulled from an archive of more than ninety thousand images, every photograph in this volume is like nothing that has been seen before: the ease in which David captures the spirit and essence of one of our most beloved first families is unparalleled, and it is in this affectionate familiarity that his photographs sing. Warm, engaging captions tell the stories behind the photos—the surprise meeting with Nelson Mandela, the back room conversation before the rally, the emotion after sending one of the Obamas' daughters off to school—bringing readers closer than ever to the spirit and motivation behind the extraordinary man who became our forty-fourth president. *Barack Before Obama* is a unique collection of images illustrating the making of an American icon. A moving document of an historic moment, it's the perfect gift for all those who want to remember it.

Chasing Light Jan 24 2022 A collection of striking and intimate photographs of Michelle Obama—many never before seen—coupled with personal reflections and behind-the-scenes stories from Official White House Photographer Amanda Lucidon, presented in a deluxe format. Michelle Obama is one of the most admired First Ladies in history, known for her grace, spirit, and beauty, as well as for the amazing work she did during her tenure to promote girls' education, combat childhood obesity, and support military families. In *Chasing Light*, former White House photographer Amanda Lucidon, who spent four years covering the First Lady, shares a rare insider's perspective, from documenting life at the White House to covering domestic and overseas travel. This collection of 150 candid photos—many previously unreleased—and Amanda's narrative reflections reveal just what makes Mrs. Obama so special. From an affectionate moment with her daughters atop the strikingly empty Great Wall of China to exuberant moments with schoolchildren and quiet moments between the First Lady and President Obama, the photos are a vibrant, candid, and beautiful celebration of the First Lady, capturing the qualities and strengths that have made Mrs. Obama so beloved.
