Just exercise just what we provide below as competently as review **The Mortgage Own Your Home Without It Owning You** what you behind to read!

**Music in The Girl's Own Paper: An Annotated Catalogue, 1880-1910** Mar 26 2022 Nineteenth-century British periodicals for girls and women offer a wealth of material to understand how girls and women fit into their social and cultural worlds, of which music making was an important part. The Girl's Own Paper, first published in 1880, stands out because of its rich musical content. Keeping practical usefulness as a research tool and as a guide to further reading in mind, Judith Barger has catalogued the musical content found in the weekly and later monthly issues during the magazine's first thirty years, in music scores, instalments of serialized fiction about musicians, music-related nonfiction, poetry with a musical title or theme, illustrations depicting music making and replies to musical correspondents. The book's introductory chapter reveals how content in The Girl's Own Paper changed over time to reflect a shift in women's music making from a female accomplishment to an increasingly professional role within the discipline, using 'the piano girl' as a case study. A comparison with musical content found in The Boy's Own Paper over the same time span offers additional insight into musical content chosen for the girls' magazine. A user's guide precedes the chronological annotated catalogue; the indexes that follow reveal the magazine's diversity of approach to the subject of music.

**An Ox of One's Own** Jul 18 2021 Shulgi-simti is an important example of a woman involved in sponsoring

religious activities though having a family life. An Ox of One's Own will be of interest to Assyriologists, particularly those interested in Early Mesopotamia, and scholars working on women in religion. An Ox of One's Own centers on the archive of a woman who died about 2050 B.C., one of King Shulgi's many wives. Her birth name is unknown, but when she married, she became Shulgi-simti, "Suitable for Shulgi." Attested for only about 15 years, she existed among a court filled with other wives, who probably outranked her. A religious foundation was run on her behalf whereby courtiers, male and female, donated livestock for sacrifices to an unusual mix of goddesses and gods. Previous scholarship has declared this a rare example of a queen conducting women's religion, perhaps unusual because they say she came from abroad. The conclusions of this book are quite different. An Ox of One's Own lays out the evidence that another woman was queen at this time in Nippur while Shulgi-simti lived in Ur and was a third-ranking concubine at best, with few economic resources. Shulgi-simti's religious exercises concentrated on a quartet of north Babylonian goddesses.

*McClellan's Own Story* Aug 19 2021 Born in Philadelphia on December 3, 1826, George B. McClellan graduated from West Point in 1846 before serving in the Mexican War. At the start of the Civil War, McClellan was put in a position of leadership and after a successful campaign in Virginia he was given command of the Army of Potomac, one of the Union's strongest armies. He led the Peninsular campaign with almost 100,000 troops under his command. marching toward Richmond. Although McClellan was a brilliant administrator who possessed good strategic sense, the record shows that he was overcautious and consistently overestimated the strength of his adversaries, always demanding more men and supplies before undertaking offensive action. In 1862, McClellan disagreed with Abraham Lincoln and advanced on Richmond from the east instead of moving directly, against the Confederates at Manassas, Virginia. Although the Union army was successful during the Peninsular campaign, their failure to take Richmond, the Confederate capital, gave the South new motivation. Dissatisfied with the campaign and McClellan, Lincoln replaced him with Henry W. Halleck as commander-in-chief. After the defeat of the Union army. in the Second Battle of Bull Run, . he was again placed in active command of the Army of the Potomac. His overcautiousness at the battle of Antietam on September 17, 1862, led to a draw instead of a Union victory. Because of the heavy Union losses, he was again relieved of his command by Lincoln for the duration of the war. The

Democratic Party nominated McClellan in 1864 as its candidate for president a peace platform, but Abraham Lincoln defeated him. After serving as governor of New Jersey From 1878 to 1881, McClellan died in Orange, New Jersey on October 29, 1885.

**How to Beat A Woman at Her Own Games** Aug 26 2019 In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

**Be Your Own Sunshine** Aug 07 2020 Be Your Own Sunshine is a collection of four works by James Allen that sum up the hows, whys and whats of taming the mind and its infinite energies, of channelizing the power of positive thinking, and striking a balance between the inner world of our thoughts as against the outer world of action. As A Man Thinketh maps out the way in which our thoughts can affect our physical, mental, emotional and social health. It also discusses ways in which we can use our visions and ideas to lead us to peace of mind. From Passion to Peace is a step by step discussion on conquering the factors within us that hinder us from achieving success. Man: King of Mind, Body and Circumstance aims at freeing us from the slavery of our negative and binding thoughts, enabling us to conquer our inhibitions and set our spirit free. Foundation Stones to Happiness and Success help us lay the foundation for a stronger self, with the right balance of thoughts, speech and its implementation in action.

**Own It** Nov 02 2022 A Wall Street Journal and Washington Post Bestseller, Own It is a new kind of career

playbook for a new era of feminism, offering women a new set of rules for professional success: one that plays to their strengths and builds on the power they already have. Weren't women supposed to have "arrived"? Perhaps with the nation's first female President, equal pay on the horizon, true diversity in the workplace to come thereafter? Or, at least the end of "fat-shaming" and "locker room talk"? Well, we aren't quite there yet. But does that mean that progress for women in business has come to a screeching halt? It's true that the old rules didn't get us as far as we hoped. But we can go the distance, and we can close the gaps that still exist. We just need a new way. In fact, there are many reasons to be optimistic about the future, says former Wall Street powerhouse-turned-entrepreneur Sallie Krawcheck. That's because the business world is changing fast—driven largely by technology—and it's changing in ways that give us more power and opportunities than ever...and even more than we yet realize. Success for professional women will no longer be about trying to compete at the men's version of the game, she says. And it will no longer be about contorting ourselves to men's expectations of how powerful people behave. Instead, it's about embracing and investing in our innate strengths as women—and bringing them proudly and unapologetically, to work. When we do, she says, we gain the power to advance in our careers in more natural ways. We gain the power to initiate courageous conversations in the workplace. We gain the power to forge non-traditional career paths; to leave companies that don't respect our worth, and instead, go start our own. And we gain the power to invest our economic muscle in making our lives, and the world, better. Here Krawcheck draws on her experiences at the highest levels of business, both as one of the few women at the top rungs of the biggest boy's club in the world, and as an entrepreneur, to show women how to seize this seismic shift in power to take their careers to the next level. This change is real, and it's coming fast. It's time to own it.

**A Kid of Their Own** Dec 31 2019 In this fresh and funny follow-up to the Ezra Jack Keats Honor Book *A Crow of His Own*, rooster Clyde is forced to adjust to new roommates on the farm when Fran the goat and her kid, Rowdy, take up residence. Can Clyde handle having a new kid in town? Rooster Clyde has just settled in and found his voice when everyone demands that he take his hard-earned crow down a notch so as to not disturb newcomer Rowdy. That doesn't sit well with Clyde. Neither does the fact that motherly goose Roberta seems to have taken the new animals' side. The farm community learning to deal with a young member of the group is the main story in text and is paired

with a wordless story in illustrations that shows Farmer Jay and Farmer Kevin getting ready for their adopted child to arrive on the farm.

**The Vocal Annual, Or Singer's Own Book for 1831** Mar 14 2021

**Dover Masterworks: Color Your Own Van Gogh Paintings** Oct 09 2020 Express your creativity with 30 meticulously rendered black-and-white drawings of van Gogh masterpieces. Bring alive skillful adaptations of Sunflowers, Starry Night, Self-Portrait with Bandaged Ear and Pipe, The Church at Auvers, and many more. From great works of the Italian Renaissance to masterpieces from the Impressionist movement, the Dover Masterworks series offers more experienced colorists the opportunity to re-create some of the world's most famous paintings. The illustrations are printed on only one side of perforated pages, making it easy for artists to remove and display their finished pieces. The original paintings are included in full color on the inside covers for reference.

**Upon Our Own Ground: 1956 to 1964** Jun 28 2022

**They Did What Was Right in Their Own Eyes** Apr 14 2021 Pastor Gary Pleasant writes this eye-opening book from the office of a Prophet. God has allowed him to help the reader see through scripture, the dangers of living life blindly. "Out of all my writings, this has cut me to the core of my being." — Gary L. Pleasant

**Run Your Own Corporation** May 16 2021 "I've set up my corporation. Now what do I do?" All too often business owners and real estate investors are asking this question. They have formed their protective entity – be it a corporation, LLC or LP – and don't know what to do next. "Run Your Own Corporation" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "Start Your Own Corporation", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author

Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.

**Hidden in His Own Story** Dec 11 2020 Hidden in His Own Story is an invitation to reconsider and re-imagine both the humanity and divinity of Jesus. It is an invitation to people who are not familiar with the Bible stories and have only heard them through other sources, also to many who have rejected traditional interpretations of the stories as religious dogma, and to many people who are so steeped in the stories that they have become cliché. Even the most clever storyteller or writer of fiction can never totally disguise or deny their personal influence on the story. And most of us have had the experience of someone beginning a story with, "I know a person who . . ." when in fact that "person" is the one telling the story. Why not imagine the same when Jesus says, "Once there was a man . . . ?"

*Own Goals* Jan 24 2022 Terrorism, military response and the lessons from history that governments still fail to grasp. This book argues that whilst the overriding purpose of counter-insurgency is political the actual campaign is invariably seen as military. The expense, death and trauma of the military action usually mean that political purposes come a poor second in terms of popular and governmental aims. Rhodesia provided an example of the disastrous consequences of such an approach. Political judgments were invariably based upon popular assessments of the Africans stemming from the beliefs of the Pioneers; in other words they were founded on ignorance. Likewise military strategies and tactics owed much to those established in the 1890s. These are largely seen through the career of Captain Charles Lendy RA, a fan of the machine gun and "shock and awe." His experiences were reflected by the Rhodesian Army in the 1970s and so units who consistently branded themselves as the best anti-terrorist forces in the world lost.

Our Own Agendas Nov 21 2021 Twenty-eight women - students, professors, administrators, and graduates of McGill University - reflect on their lives. With emotions that range from humour to angst, they discuss the problems they encountered and the achievements they made. Coming from different cultures, environments, professions, and age groups, the authors of these essays have their own agendas and individual styles. Yet amid this diversity they

deal with recurring themes that give vivid insights into what it means to be a woman in Canada in the 1990s. They write about relationships, careers, illness, children, sexuality, sexism, violence, religion, the arts, misfortune, and good luck. Monique Bégin, former minister of Health in Pierre Trudeau's cabinet, recounts her experiences in the male-dominated world of politics. Annie Iserhoff, a Cree teacher who was sent to residential schools as a child, describes her encounters with prejudice. Jane Poulson discloses the pain of going blind during her final year of medical studies and her bitter struggle to triumph over impossible odds.

*Being Your Own Guide* Jul 06 2020

*On Your Own North Carolina Small Claims Court* Jan 30 2020 If you are interested in representing yourself or your business in Small Claims Court in North Carolina in order to collect your debts or settle disputes, ON YOUR OWN - NORTH CAROLINA SMALL CLAIMS COURT is the book for you! Employing an attorney to represent you or your business may or may not make economic sense. The debt you are seeking to recover may be less than the fee charged by an attorney. While it may be economically desirable for an attorney to represent you or your business in Small Claims Court in some situations, you may find it more advantageous to represent yourself or your business ON YOUR OWN. An individual or business with a small claim may wish to pursue the indebtedness without an attorney, but may not possess sufficient knowledge about the way the court operates to feel competent to do so. If the debt is too small to justify employing an attorney or if the case never gets to court because the plaintiff does not have an adequate amount of knowledge of his or her interests, the debt goes unpaid. The plaintiff loses either way, because the debt is still not paid. By reading and studying this book, you will gain knowledge to assist you in maintaining more control over your bottom line. Larger net profits are important for any business enterprise. The materials contained on the pages of this book will show you how to better manage your company's small claim debt collection efforts by effectively using the Small Claims Court. You should be able to significantly increase your odds of collecting your judgment in Small Claims Court -- a court specifically designed by state law for the litigant with multiple small claims. ON YOUR OWN - NORTH CAROLINA SMALL CLAIMS COURT is a book that offers basic guidance to the individual who has never been to Small Claims Court, yet provides material that should be of assistance to the individual who has represented himself or his business on a regular basis. I cannot

overemphasize methodical study and understanding of the law. If this book is read with care and understood, it will be helpful to you in the collection of small claims and the settlement of disputes. Mary Anne Nixon Attorney at Law  
*How to Start Your Own Business Selling Collectible Products of Dachshunds* Jun 24 2019 Selling collectible Dachshund products to others who love the breed can be a fun and profitable business. This book will get you started and the Wholesale Vendor section will give you all the contact information you need to get the products at wholesale prices. Everything from calendars to wind chimes. Great products for fund-raising for rescue groups and dog clubs.

**A Journey on My Own** Feb 10 2021 This book is story of the author, an American raised in Hitler's Germany, where he saw the persecution of Jewish neighbors and experienced the bombing of cities. Vieler tells of his experiences during WWII before repatriating to America and enlisting in the Army during the Korean War.

**My Own Directions** Dec 23 2021 Life in the theatre is often a rollercoaster ride, with all the excitement and occasional anguish that come with the highs and lows. The author's journey in the American theatre has been amplified by his experience as a Black man who has frequently been "one of the few," "the first" or even "the only." His directing career has been full of rewards and opportunities as well as huge challenges and frustrations, along with the anger that has come from being "chased by race" for so many years. Much of the author's experience comes from two decades artistic director of Pasadena Playhouse, one of the oldest and well-known theatres in America, and for a time early in his career, one of the whitest. This is the story of how the author came into leadership at Pasadena Playhouse after a successful career directing on Broadway, in London and all over the world. It relates how the theatre was radically changed and reignited by his leadership, including his insistence on making diversity a priority onstage and off. This is the very personal story of a person who wanted his race to be recognized, but never used as a reason to be less than fully respected. In many ways, this memoir tells the story of what people of color in America must face repeatedly to make their lives matter.

**Peter Parley's Own Story** Jun 04 2020

*Her Own Woman* May 28 2022 Pioneering eighteenth-century feminist Mary Wollstonecraft lived a life as radical as her vision of a fairer world. She overcame great disadvantages -- poverty (her abusive, sybaritic father squandered the family fortune), a frivolous education, and the stigma of being unmarried in a man's world. Her life changed

when Thomas Paine's publisher, Joseph Johnson, determined to make her a writer. Wollstonecraft's great feminist document, *A Vindication of the Rights of Woman*, which brought her fame throughout Europe, insisted that women reap all the new liberties men were celebrating since the fall of the Bastille in France. Wollstonecraft lived as fully as a man would, socializing with the great painters, poets, and revolutionaries of her era. She traveled to Paris during the French Revolution; fell in love with Gilbert Imlay, a fickle American; and, unmarried, openly bore their daughter, Fanny. Wollstonecraft at last found domestic peace with the philosopher William Godwin but died giving birth to their daughter, Mary, who married Percy Bysshe Shelley, wrote the classic *Frankenstein*, and carried on her mother's bold ideas. Wollstonecraft's first child, Fanny, suffered a more tragic fate. This definitive biography of Mary Wollstonecraft gives a balanced, thorough, freshly sympathetic view. Diane Jacobs also continues Wollstonecraft's story by concluding with those of her daughters. *Her Own Woman* is distinguished by the author's use of new first sources, among which are Joseph Johnson's letters, discovered by an heir in the late 1990s, and rare letters referring to Wollstonecraft's lover Gilbert Imlay. Jacobs has written an absorbing narrative that is essential to understanding Mary Wollstonecraft's life and the importance it has had on women throughout history.

**The Henwife, Her Own Experience in Her Own Poultry-yard** Apr 02 2020

**Start Your Own Business** Sep 07 2020 Due to advances in technology, many teens are discovering ways to earn money through entrepreneurship. This guide provides all of the basics to business development, including handling money, making a profit, understanding the market, and expanding a business. Whether the reader has questions about a current business venture or is simply planning for the future, the information is invaluable. It includes charts and checklists, presented in a way that is fun, funny, and very accessible for the business savvy reader.

*A Life of My Own* Oct 28 2019 As part of the incomparable Hazelden Meditations series, the daily readings in *A Life of My Own* ask us to truly reflect on our relationships with people in our lives who are dealing with alcoholism or other substance use and addiction—and more importantly, to establish and improve a relationship with ourselves. When we love people who use or abuse alcohol and other drugs, we can get so wrapped up in trying to understand and “fix” the addiction problem. It is easy to lose sight of ourselves and stop living our own lives. Designed for personal growth, this collection of readings by beloved recovery author Karen Casey inspires readers to invest in

themselves again by addressing the feelings of desperation and frustration at the core of codependency. With the wisdom of Twelve Step principles, relatable anecdotes, and helpful recovery insights, readers can build a daily practice of reflection, inspiration, healing, and meditation. The simple, straightforward quotations and affirmations in *A Life of My Own* offer the strength and courage we all need for true freedom. Encouraging you to connect with your spiritual and emotional health—as well as build self-esteem, serenity, and acceptance—Casey reflects on the type of healing that helps us return to living.

*Shepherds After My Own Heart* Sep 27 2019 Most of Israel's pastoral imagery is grounded in two traditions: Moses as God's under-shepherd and David as shepherd-king. In this *New Studies in Biblical Theology* volume, Timothy Laniak follows the figure of the shepherd through the pages of Scripture to help today's leaders find their place in the ancient pastoral tradition.

*The Complete Idiot's Guide to Starting Your Own Restaurant* Jul 30 2022 Offers advice on opening a restaurant, including site selection, marketing, staff management, menu pricing, kitchen organization, and cash overages.

**The Ultimate Guide to Growing Your Own Food** Nov 09 2020 A full-color year-round guide to growing fruits, vegetables, herbs and even grains includes such specialized topics as fall and winter food growing, nutritional benefits, gardening with limited space and more. Original.

**Finding Your Own North Star** Nov 29 2019 New York Times bestselling author and Life Designs, Inc. creator Martha Beck shares her step-by-step program that will guide you to fulfill your own potential and create a joyful life. In this book, you'll start by learning how to read the internal compasses already built into your brain and body--and why you may have spent your life ignoring their signals. As you become reacquainted with your own deepest desires, you'll identify and repair any unconscious beliefs or unhealed emotional wounds that may be blocking your progress. This will change your life, but don't worry--although every life is unique, major transformations have common elements, and Beck provides a map that will guide you through your own life changes. You'll learn how to navigate every stage, from the first flickering appearance of a new dream to the planning and implementation of your own ideal life. Based on Dr. Beck's work as a Harvard-trained sociologist, research associate at Harvard Business School, instructor at Thunderbird Business School, and especially on her experiences with her clients over

the last six years, *Finding Your Own North Star* offers thoroughly tested case studies, questionnaires, and exercises to help you articulate your core desires and act on them to build a more satisfying life. “Explorers depend on the North Star when there are no other landmarks in sight. The same relationship exists between you and your right life, the ultimate realization of your potential for happiness. I believe that a knowledge of that perfect life sits inside you just as the North Star sits in its unaltering spot.” -- Martha Beck

*The Mormon's Own Book* Sep 19 2021

**A Mind of Its Own** Aug 31 2022 Whether enemy or ally, demon or god, the source of satisfaction or the root of all earthly troubles, the penis has forced humanity to wrestle with its enduring mysteries. Here, in an enlightening and entertaining cultural study, is a book that gives context to the central role of the penis in Western civilization. A man can hold his manhood in his hand, but who is really gripping whom? Is the penis the best in man -- or the beast? How is man supposed to use it? And when does that use become abuse? Of all the bodily organs, only the penis forces man to confront such contradictions: something insistent yet reluctant, a tool that creates but also destroys, a part of the body that often seems apart from the body. This is the conundrum that makes the penis both hero and villain in a drama that shapes every man -- and mankind along with it. In *A Mind of Its Own*, David M. Friedman shows that the penis is more than a body part. It is an idea, a conceptual but flesh-and-blood measuring stick of man's place in the world. That men have a penis is a scientific fact; how they think about it, feel about it, and use it is not. It is possible to identify the key moments in Western history when a new idea of the penis addressed the larger mystery of man's relationship with it and changed forever the way that organ was conceived of and put to use. *A Mind of Its Own* brilliantly distills this complex and largely unexamined story. Deified by the pagan cultures of the

ancient world and demonized by the early Roman church, the organ was later secularized by pioneering anatomists such as Leonardo da Vinci. After being measured "scientifically" in an effort to subjugate some races while elevating others, the organ was psychoanalyzed by Sigmund Freud. As a result, the penis assumed a paradigmatic role in psychology -- whether the patient was equipped with the organ or envied those who were. Now, after being politicized by feminism and exploited in countless ways by pop culture, the penis has been medicalized. As no one has before him, Friedman shows how the arrival of erection industry products such as Viagra is more than a health or business story. It is the latest -- and perhaps final -- chapter in one of the longest sagas in human history: the story of man's relationship with his penis. A Mind of Its Own charts the vicissitudes of that relationship through its often amusing, occasionally alarming, and never boring course. With intellectual rigor and a healthy dose of wry humor, David M. Friedman serves up one of the most thought-provoking, significant, and readable cultural works in years.

**A Couple After God's Own Heart Interactive Workbook** Mar 02 2020 In A Couple After God's Own Heart Interactive Workbook, Jim and Elizabeth George build on the content of their book, A Couple After God's Own Heart, to create a companion guide that leads husbands and wives through a fascinating study on God's plan for marriage. **Make Your Own Damn Cheese** Jan 12 2021 Earl is a curious young mouse who wonders ceaselessly about the maze into which he was born. In trying to escape the maze, he encounters dead ends no matter how hard he works. He yearns for a better life, filled with freedom and happiness. Earl desires more than the maze has to offer—a life where the cheese is plentiful and never out of reach. He believes he needs to get out of the maze, but how? In this delightful and compelling tale, you will follow Earl on his journey through the philosophies of the major players in

the history of personal development. Learned mice Napoleon, Jim, Bob, Brian, Denis, and Price reveal to Earl how his mind looks and functions. They teach him how to master his own mind to design and create his own maze. He learns what cheese really is and why it is essential. Most importantly, Earl discovers who he really is and is joyfully astonished to learn the guiding principles that will revolutionize his life; he does not have to spend his days chasing cheese—he learns to make his own damn cheese! The powerful concepts in this gem of a book will put you on a path out of the mundane and allow you to fulfill your true and immense potential.

**Russia's Own Orient** Jun 16 2021 Russia's own Orient examines how intellectuals in early twentieth-century Russia offered a new and radical critique of the ways in which Oriental cultures were understood at the time. Out of the ferment of revolution and war, a group of scholars in St. Petersburg articulated fresh ideas about the relationship between power and knowledge, and about Europe and Asia as mere political and cultural constructs. Their ideas anticipated the work of Edward Said and post-colonial scholarship by half a century. The similarities between the two groups were, in fact, genealogical. Said was indebted, via Arab intellectuals of the 1960s who studied in the Soviet Union, to the revisionist ideas of Russian Orientologists of the fin de siècle. But why did this body of Russian scholarship of the early twentieth century turn out to be so innovative? Should we agree with a popular claim of the Russian elites about their country's particular affinity with the 'Orient'? There is no single answer to this question. The early twentieth century was a period when all over Europe a fascination with things 'Oriental' engendered the questioning of many nineteenth-century assumptions and prejudices. In that sense, the revisionism of Russian Orientologists was part of a pan-European trend. And yet, Tolz also argues that a set of political, social, and cultural factors, which were specific to Russia, allowed its imperial scholars to engage in an unusual dialogue with representatives of the empire's non-European minorities. It is together that they were able to articulate a powerful long-lasting critique of modern imperialism and colonialism, and to shape ethnic politics in Russia across the divide of the 1917 revolutions.
