Tokyo Vice Jun 18 2021 A riveting true-life tale of newspaper noir and Japanese organized crime from an American investigative journalist who "pulls the curtain back on ... [an] element of Japanese society that few Westerners ever see" (San Francisco Examiner). Now a Max Original Series on HBO Max Jake Adelstein is the only American journalist ever to have been admitted to the insular Tokyo Metropolitan Police Press Club, where for twelve years he covered the dark side of Japan: extortion, murder, human trafficking, fiscal corruption, and of course, the yakuza. But when his final scoop exposed a scandal that reverberated all the way from the neon soaked streets of Tokyo to the polished Halls of the FBI and resulted in a death threat for him and his family, Adelstein decided to step down. Then, he fought back. In Tokyo Vice he delivers an unprecedented look at Japanese culture and searing memoir about his rise from cub reporter to seasoned journalist with a price on his head.

The Newspaper Club Nov 04 2022 Learn what it means to be a journalist in this fun, fast-paced new middle grade series about a club of kid reporters by an award-winning author. Nellie

Murrow -- the daughter of two (former) newspaper reporters -- was named after one of the fiercest journalists who ever lived. When she moves to sleepy Bear Creek, Maine, rumors of vandalism and attacks at the only park in town are keeping her saddled to the house. Some townspeople say the attacks are gang recruitments. Others blame a vagrant spotted on the hiking trails around town. But when Nellie thinks like a reporter, none of those explanations make sense. Something is happening at the park, but what? All of the fake online news and rumors are clouding the truth. Nellie wants to break the story -- and break free from the front yard -- but she can't do it alone. She needs a whole club if she's going to start the Cub Report, the town's first independent newspaper. Creating a newspaper from scratch is going to be tough; but for Nellie, making friends is even harder. Starred Kirkus Review

Columbia Alumni News Jul 28 2019

Lou Grant Aug 09 2020 When Lou Grant premiered in the fall of 1977, it quickly became a symbol of television drama at its best. During its five years on the air, Lou Grant earned critical acclaim as an entertaining yet thoughtful drama about important social and political issues, a rarity for episodic television in the late 1970s. Douglass K. Daniel reveals how the creators of Lou Grant investigated journalism in the post-Watergate era to present a modern-day portrayal of the profession. They based characters, dialogue, and plots on the experiences of dozens of professional journalists. By researching social problems, they developed relevant story lines that gave episodes unusual immediacy. The show won thirteen Emmy Awards, among them two for Best Drama, and a Peabody Award. Journalists hailed the series as television's most realistic newspaper drama. The book describes the bitter controversy that erupted in 1982 when lead actor Edward Asner came under fire for his political beliefs regarding American involvement in El Salvador. Amid calls for advertiser boycotts, right-wing charges that Asner had aided the enemy, and falling ratings, CBS canceled the series. Daniel's intensive retrospect includes interviews with actors, producers, writers, directors, network censors, and journalists. He summarizes all 114 episodes, discusses original character sketches, and includes editorial cartoons.

The Cultural Encyclopedia of Baseball, 2d ed. Nov 11 2020 More than any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game, while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate, and the words and phrases of the game (for example, pinch-hitter and out in left field) have become common in our everyday language. From AARON, HENRY onward, this book covers all of what might be called the cultural aspects of baseball (as opposed to the number-rich statistical information so widely available elsewhere).

Biographical sketches of all Hall of Fame players, owners, executives and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising, agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.
