Weird Kentucky Sep 18 2021 Who knew My Old Kentucky Home could be so weird? As all Kentuckians know, there's more to this state than derbies, bourbon, and a certain fried poultry. We're nearly busting at the seams with local legends and unusual sights. Take a look around, and you'll see all sorts of oddities, some supernatural, some just super weird, that make us proud to call Kentucky home. Follow our author, Jeffrey Scott Holland, as he tours you around every corner of the state to get you to your ultimate destination, the weird state of mind. The Bluegrass State is indeed a haunted place—a mysterious landscape permeated with strange creatures, ancient and unexplained anomalies, offbeat characters, and some really bizarre roadside oddities. Visit the Lock & Key Coffeehouse, once a funeral parlor, bank, furniture store, and food stamp office. Head to Herrington Lake and be on the lookout for Herry, Kentucky's most famous—and elusive—aquatic monster; drop in to Middlesboro, the only town in the U.S. built inside a meteor crater. We've got Goat Men and Lizard Men and albino ape creatures, not to mention the legendary Wampus Cat. Find out what the number thirteen and our state song have in common—it's pretty creepy. The Creation Museum is here and so are the Gates of Hell. There's even a museum for dummies and the world's largest baseball bat. Experience Gravity Hill and learn just why on earth there is a cemetery right in the middle of the zoo! Yes, the Bluegrass State is a whole lot weirder than you ever imagined, and it's all here in these pages. So come along with Jeffrey and join the campaign to keep Kentucky weird! A

brand-new entry in the best-selling Weird U.S. series, *Weird Kentucky* is packed with all that great stuff your history teacher wouldn't teach you. It's a journey you'll never forget.

The Creation of Manitoba ; Or, A History of the Red River Troubles Aug 18 2021

The Rock Hole Aug 30 2022 In 1964, farmer and part-time Constable Ned Parker combine forces with John Washington, the almost mythical black deputy sheriff from nearby Paris, to track down a disturbed individual who is rapidly becoming a threat to the entire small Texas community of Center Springs. When Ned is summoned to a hot cornfield one morning to examine the remains of a tortured bird dog, he finds a dark presence in their quiet community. A farmer by trade, Ned is usually confident when it comes to handling moonshiners, drunks and domestic disputes. But the animal atrocities turn to murder, and the investigation spins beyond his abilities. After a dizzying series of twists, eccentric characters and dead-ends, Ned's friend, cranky Judge O.C. Rains, is forced to contact the FBI. Worse, sinister warnings that his family has been targeted by the killer lead Ned to the startling discovery that he knows the murderer very well. After the failed abduction of his precocious grandchildren Top and Pepper, the old lawman becomes judge and jury to end the murder spree in the Red River bottomlands. With a heart-pounding pace, country humor and a stunning climax speaks to the darkness in us all. In bald-headed pot-bellied Ned Parker, Wortham has created an authentic American hero who will put you in mind of the best heroes and antiheroes you've ever experienced. The year 1964 was the end of an era in Center Springs, and the climax may well shock your civilized sensibilities.

The Revised Statutes of Manitoba, 1913 Aug 06 2020

Laying Bones Jul 17 2021 The stakes don't get much higher than murder... It's January 1969 in the small rural community of Center Springs, Texas. Constable Ned Parker is looking into the seemingly accidental death of his nephew R. B., who was found in his overturned pickup near Sanders Creek bridge. At first it appears that R. B. drowned in the shallow water, but something doesn't add up for Ned, who begins turning over stones in search of what really happened the night R. B. died. Eventually, the investigation leads Ned back to the Starlite Club, a dangerous honky-tonk recently constructed in a no-man's land on the Lone Star side of the Red River. Although his investigation uncovers suspicious characters, drugs, and gambling, it's the series of murders that eliminated any potential witnesses to what happened to R. B. on that cold January night, that's the most troubling. As he works his way through the cover-up, which leads all the way to the coroner's office, Ned finds himself involved in a high-stakes game of consequences with no good end in sight. Are the good citizens of Center Springs conspiring against Constable Parker in his search for the truth?

Where the Red Fern Grows Jun 03 2020 For fans of *Old Yeller* and *Shiloh*, *Where the Red Fern Grows* is a beloved classic that captures the powerful bond between man and man's best friend. This special edition includes new material, including a note to readers from Newbery Medal winner and Printz Honor winner Clare Vanderpool, a letter from Wilson Rawls to aspiring writers, original jacket artwork, and more. Billy has long dreamt of owning not one, but two dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It's true that times are tough, but together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair. Praise for *Where the Red Fern Grows* A Top 100 Children's Novel, School Library Journal A Must-Read for Kids 9 to 14, NPR A Great American Read's Selection (PBS) Winner of Multiple State Awards Over 14 million copies in print! "A rewarding book . . . [with] careful, precise observation, all of it rightly phrased....Very touching." —The New York Times Book Review "One of the great classics of children's literature . . . Any child who doesn't get to read this beloved and powerfully emotional book has missed out on an important piece of childhood for the last 40-plus years." —Common Sense Media "An exciting tale of love and adventure you'll never forget." —School Library Journal "A book of unadorned naturalness." —Kirkus Reviews "Written with so

Law, Life, and Government at Red River, Volume 2 Jul 29 2022 Inhabited by a diverse population of First Nations peoples, Métis, Scots, Upper and Lower Canadians, and Americans, and dominated by the commercial and governmental activities of the Hudson’s Bay Company, Red River - now Winnipeg - was a challenging settlement to oversee. This illuminating account presents the story of the unique legal and governmental system that attempted to do so and the mixed success it encountered, culminating in the 1869-70 Red River Rebellion and confederation with Canada in 1870. In *Law, Life, and Government at Red River*, Dale Gibson provides rich, revealing glimpses into the community, and its complex relations with the Hudson’s Bay: the colony’s owner, and primary employer. Volume 2 provides a complete annotated, and never-before-published transcription of testimony from Red River’s courts, presenting hundreds of vignettes of frontier life, the cases that were brought before the courts, and the ways in which the courts resolved conflicts. A vivid look into early settler life, *Law, Life, and Government at Red River* offers insights into the political, commercial, and legal circumstances that unfolded during western expansion.

On My Honor Sep 26 2019 Joel dares his best friend, Tony, to a swimming race in a dangerous river. Both boys jump in, but when Joel reaches the sandbar, he finds Tony has vanished. How can he face their parents and the terrible truth?

Red River Blues Jun 15 2021 This story of the origins and evolution of the American blues tradition draws on oral history interviews and research into neglected primary sources. Book jacket.

Burrows May 27 2022 Lyndon B. Johnson is President, Beatlemania is in overdrive and gasoline costs 30 cents a gallon when Ned Parker retires as constable in Center Springs, Texas. But his plan to live a quiet life as a cotton farmer is torpedoed. A phone call leads Ned to a body in the Red River and into the urgent investigation headed by his nephew, the newly elected constable Cody Parker. Together they work to head off a multi-state killing spree that sets northeast Texas on fire. As the weeks pass, Ned's grandchildren, ten-year-old Top and his tomboy cousin Pepper, struggle with personal issues resulting from their traumatic experiences at the Rock Hole only months before. They now find themselves in the middle of a nightmare for which no one can prepare. Cody and Deputy John Washington, the law south of the tracks, follow a lead from their small community to the long abandoned Cotton Exchange warehouse in Chisum. Stunned, they find the Exchange packed full of the town's cast off garbage and riddled with booby-trapped passageways and dark burrows. Despite Ned's warnings, Cody enters the building and finds himself relying on his recent

The Red River Ring Feb 09 2021 An Old West adventure set in the rugged Palo Duro Canyon of Texas, The Red River Ring is the story of Pommel McMurphy, a successful pioneer rancher, Confederate soldier, and trail boss. McMurphy returns to the Palo Duro after being summoned by his former wife and mother of his three sons to help face a determined assault by the Red River Ring, a band of notorious rustlers and land grabbers. McMurphy has a dark past, however, that plagues him. Twenty years before, he abandoned his wife and sons without a word. He must return to grown sons who have no idea that he still lives and confront the woman he left behind. He must also battle Black Tom Bent, the leader of the Ring and his long-time foe, for the land, the woman, and the respect of his sons. Dark secrets and hidden guilt torment him as he struggles to save his family and come to terms with what he has done. A bold action-packed drama unfolds as McMurphy uses old-time vigilantism and the code of the vendetta to overcome a dangerous foe in a time when the law of the gun is being quickly overshadowed by the rule of law. Boson Books offers several novels and nonfiction works about the Old West by Randy Smith. For an author bio and photo, reviews and a reading sample, visit bosonbooks.com.

The Rock Hole Nov 01 2022 Named one of the Top 12 Mysteries of 2011 by Kirkus Reviews Finalist in the Benjamin Franklin Awards (Mystery) It's 1964: farmer and part-time Constable Ned Parker combines forces with John Washington, the almost mythical black deputy sheriff from nearby Paris, to track down a disturbed individual who is rapidly becoming a threat to the small Texas community of Center Springs. Summoned to a hot cornfield one morning to examine the remains of a tortured bird dog, Ned finds a dark presence in their quiet community. Ned is usually confident when it comes to handling moonshiners, drunks, and domestic disputes. But when the animal atrocities turn to murder, the investigation spins beyond his abilities. After a dizzying series of twists, eccentric characters, and dead ends, Judge O.C. Rains is forced to contact the FBI. Worse, sinister warnings that Ned's family has been targeted by the killer lead the old lawman to become judge and jury in order to end the murder spree in the Red River bottomlands.

The Texas Red River Country Oct 27 2019 In 1985 T. Lindsay Baker edited the diary and the manuscript of the official report from the National Archives and published them for a limited readership as a special issue of the Panhandle-Plains Historical Review. Not included in the 1985 publication was the survey party's ornithological report, written by Charles A. H. McCauley, which Baker subsequently found and published in 1988 as an article in the Panhandle-Plains Historical Review, including ornithological annotation by Kenneth D.
