**Jeep CJ 1972-1986** Jun 28 2022 Identifying the Jeep CJ series vehicles as the most popular off-road vehicles of all time may actually qualify as an understatement. They really are that popular. The CJ series arguably started after World War II with the CJ-2A being introduced to the masses, and while the early CJs have their share of enthusiasts, the largest group of enthusiasts began their love affair with the AMC-powered Jeep CJ-5s beginning in 1972. Joined by the longer-wheelbase CJ-7 models introduced in 1976, the CJ models were wildly popular through their discontinuation in 1986, when the Wrangler was introduced. These were the only models originally equipped with V-8 engines in any meaningful way. This era combined the ruggedness of the early Jeeps with some of the advancements and horsepower of a more modern era; it makes a platform that is both fun to own and to modify. Jeep guru Michael Hanssen covers all of the systems that can be upgraded to improve your Jeep's performance. Upgrades include suspension components such as springs, shocks, and steering modifications; driveline components including differentials, transmissions, transfer cases, and axles; engine upgrades including engine swaps; wheel and tire upgrades; aftermarket accessories; and armor such as skid plates, bumpers, brake upgrades, and more. Whether you are looking to get into serious off-roading or just want to make your classic CJ a little more fun, this book will be a valuable tool in your shop or library. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

*Kika & Me* Dec 31 2019 From the challenges of travelling when blind to becoming a parent for the first time, Kika & Me is the moving, heart-warming and inspirational story of Dr Amit Patel's sight-loss journey and how one guide dog changed his world. 'Inspiring and compelling . . . rekindles one's faith in human nature' - Andrew Marr Amit Patel is working as a trauma doctor when a rare condition causes him to lose his sight within thirty-six hours. Totally dependent on others and terrified of stepping outside with a white cane after he's assaulted, he hits rock bottom. He refuses to leave home on his own for three months. With the support of his wife Seema he slowly adapts to his new situation, but how could life ever be the way it was? Then his guide dog Kika comes along . . . But Kika's stubbornness almost puts her guide dog training in jeopardy – could her quirky personality be a perfect match for someone? Meanwhile Amit has reservations – can he trust a dog with his safety? Paired together in 2015, they start on a journey, learning to trust each other before taking to the streets of London and beyond. The partnership not only gives Amit a renewed lease of life but a new best friend. Then, after a video of an irate commuter rudely asking Amit to step aside on an escalator goes viral, he sets out with Kika by his side to spread a message of positivity and inclusivity, showing that nothing will hold them back. 'An incredible story of courage, perseverance and, ultimately love' - Sun 'The most moving book of the year' - The Lady
