*The Bad Boy's Girl Jan 24 2022 Tessa O'Connell is a girl as ordinary as they come - or so she thinks. Her aim for senior year is to keep her head down yet somehow manage to convince her childhood love Jay Stone to love her back. What she isn't prepared for is for Jay's brother, Cole, to return to town and change the life she's always been seemingly content to live.*

*The Psychopath Inside May 04 2020 "Compelling, essential reading for understanding the underpinnings of psychopathy." — M. E. Thomas, author of Confessions of a Sociopath For his first fifty-eight years, James Fallon was by all appearances a normal guy. A successful neuroscientist and professor, he'd been raised in a loving family, married his high school sweetheart, and had three kids and lots of friends. Then he learned a shocking truth that would not only disrupt his personal and professional life, but would lead him to question the very nature of his own identity. While researching serial killers, he uncovered a pattern in their brain scans that helped explain their cold and violent behavior. Astonishingly, his own scan matched that pattern. And a few months later he learned that he was descended from a long line of murderers. Fallon set out to reconcile the truth about his own brain with everything he knew as a scientist about the mind, behavior, and personality.*

*Dear Future Boyfriend Jul 26 2019 In her celebrated debut volume, Cristin O'Keefe Aptowicz tackles, among other idiosyncratic topics, love ("Science"), heartbreak ("Lit"), and thieving suburban punks ("Ode to the Person Who Stole My Family's Lawn Gnome"). Quirky and funny with a subtext of social commentary, Aptowicz's writing lets the reader ride shotgun in a hilarious sprawling road trip through America's youth culture. Cristin O'Keefe Aptowicz is a dizzying dervish of a poet, an astounding talent, a deft lyricist whose patented take on this dopey world is dazzling in its originality. Everything she encounters is fair game, and she jolts us into unexpected, delightful recognition. -Patricia Smith, "Blood Dazzler" Cristin O'Keefe Aptowicz is a flash flood of uppercut quotes. Reading her work tempts me to lean over to the people next to me, and say, "Hey, you gotta see this." Do not miss the opportunity to absorb this woman's work, page or stage." - Buddy Wakefield, "Live for a Living"*

*Rugby World Cups - 2003 and 2015 Jun 24 2019 History was made on November 22 2003 - England was crowned the World Champion. Everything was ready for rugby to explode in England, for the national team to kick-on, for the level of the domestic game to continue growing and for the sport to truly become prominent nationwide. It did not eventuate. England lost far too many matches and the Aviva Premiership does not match the French Top 14. The result for Rugby World Cup 2015 is a match schedule allocating more games to Wales than to the north of England. Understanding how this came about and also how and why Wales secured matches is an important part of the puzzle and carries substantial implications for future Rugby World Cups. Local and global issues including decision making, rival sports and nationalized players are all tackled in an analysis that seeks to offer realistic and viable solutions for the benefit of English and global rugby.*

*Nothing Feels Good Oct 28 2019 Nothing Feels Good: Punk Rock, Teenagers, and Emo tells the story of a cultural moment that's happening right now-the nexus point where teen culture, music, and the web converge to create something new. While shallow celebrities dominate the headlines, pundits bemoan the death of the music industry, and the government decries teenagers for their morals (or lack thereof) earnest, heartfelt bands like Dashboard Confessional, Jimmy Eat World, and Thursday are quietly selling hundreds of thousands of albums through dedication, relentless touring and respect for their fans. This relationship - between young people and the empathetic music that sets them off down a road of self-discovery and self-definition - is emo, a much-maligned, mocked, and misunderstood term that has existed for nearly two decades, but has flourished only recently. In Nothing Feels Good, Andy Greenwald makes the case for emo as more than a genre - it's an essential rite of teenagehood. From the '80s to the '00s, from the basement to the stadium, from tour buses to chat rooms, and from the diary to the computer screen, Nothing Feels Good narrates the story of emo from the inside out and explores the way this movement is taking shape in real time and with real hearts on the line. Nothing Feels Good is the first book to explore this exciting moment in music history and Greenwald has been given unprecedented access to the bands and to their fans. He captures a place in time and a moment on the stage in a way only a true music fan can.*

*Lewis Moody: Mad Dog - An Englishman Nov 29 2019 Lewis 'Mad Dog' Moody has been a familiar face in English rugby for fifteen successful and, at times, painful years. The former Leicester and now Bath flanker has seen and done it all in a sport that has changed beyond recognition from his first forays into the sport to the huge spectacle that rugby, and especially test match rugby, has become. Known for his*

near-suicidal fashion of playing the game, Moody has achieved as much as anyone in the history of the sport, from league, cup and European honours with an iconic Leicester Tigers team alongside the likes of Martin Johnson and Neil Back, to a 2003 World Cup winners medal and an MBE when still a young man. A great deal of heartbreak would follow - pain, illness, self-doubt and dark days in the four years before the next World Cup campaign that saw Moody and England fall in the 2007 final but he re-emerged to finally captain his country to a third World Cup campaign in 2011. *Mad Dog - An Englishman* is the story, warts and all, of one of the most-loved and respected British sporting figures; a story that allows the reader into the inner sanctum of a top rugby star's life, from the early days of student and rugby dressing room mayhem, to the latter years of dedication to the cause, and utter professionalism against all odds. You may think some of Lewis Moody's adventures are well-known. You would be wrong. In this searingly honest autobiography the original 'Mad Dog' lays himself bare and, along the way, takes you on an incredible journey that will make you laugh, cry and understand what it takes to construct a career as successful as Lewis Moody's.

**Remembering Slavery Apr 14 2021** The groundbreaking, bestselling history of slavery, with a new foreword by Pulitzer Prize-winning historian Annette Gordon-Reed With the publication of the 1619 Project and the national reckoning over racial inequality, the story of slavery has gripped America's imagination—and conscience—once again. No group of people better understood the power of slavery's legacies than the last generation of American people who had lived as slaves. Little-known before the first publication of *Remembering Slavery* over two decades ago, their memories were recorded on paper, and in some cases on primitive recording devices, by WPA workers in the 1930s. A major publishing event, *Remembering Slavery* captured these extraordinary voices in a single volume for the first time, presenting them as an unprecedented, first-person history of slavery in America. *Remembering Slavery* received the kind of commercial attention seldom accorded projects of this nature—nationwide reviews as well as extensive coverage on prime-time television, including *Good Morning America*, *Nightline*, *CBS Sunday Morning*, and *CNN*. Reviewers called the book “chilling . . . [and] riveting” (*Publishers Weekly*) and “something, truly, truly new” (*The Village Voice*). With a new foreword by Pulitzer Prize-winning scholar Annette Gordon-Reed, this new edition of *Remembering Slavery* is an essential text for anyone seeking to understand one of the most basic and essential chapters in our collective history.

**Flight Aug 07 2020** From the National Book Award-winning author of *The Absolutely True Diary of a Part-Time Indian*, the tale of a troubled boy's trip through history. Half Native American and half Irish, fifteen-year-old “Zits” has spent much of his short life alternately abused and ignored as an orphan and ward of the foster care system. Ever since his mother died, he's felt alienated from everyone, but, thanks to the alcoholic father whom he's never met, especially disconnected from other Indians. After he runs away from his latest foster home, he makes a new friend. Handsome, charismatic, and eloquent, Justice soon persuades Zits to unleash his pain and anger on the uncaring world. But picking up a gun leads Zits on an unexpected time-traveling journey through several violent moments in American history, experiencing life as an FBI agent during the civil rights movement, a mute Indian boy during the Battle of Little Bighorn, a nineteenth-century Indian tracker, and a modern-day airplane pilot. When Zits finally returns to his own body, “he begins to understand what it means to be the hero, the villain and the victim. . . . Mr. Alexie succeeds yet again with his ability to pierce to the heart of matters, leaving this reader with tears in her eyes” (*The New York Times Book Review*). Sherman Alexie's acclaimed novels have turned a spotlight on the unique experiences of modern-day Native Americans, and here, the *New York Times*-bestselling author of *The Lone Ranger and Tonto Fistfight in Heaven* and *The Absolutely True Diary of a Part-Time Indian* takes a bold new turn, combining magical realism with his singular humor and insight. This ebook features an illustrated biography of Sherman Alexie including rare photos from the author's personal collection.

**Victor: My Journey Aug 19 2021** As one of the most capped Springboks ever, Victor Matfield is a national hero who transcends rugby provincialism and has fans across the world. His rugby exploits and achievements are numerous: he was an instrumental part of the team that won the 2007 Rugby World Cup, he helped win two Tri Nations tournaments for the Boks, he has lifted the Super 14 trophy three times with the Bulls and he has enjoyed Currie Cup glory. In his much-anticipated autobiography, he opens up about his life, from growing up as a shy boy in Pietersburg to moving to Pretoria, where he had to learn the hard way about dealing with the pleasures of life as a talented young rugby player. He talks frankly about his issues with coaches, including his mentor Heyneke Meyer, Pieter de Villiers and former Bok coach Jake White, who once tried to physically attack him. Victor also discusses Kamp Staalraad, the Bulls' lack of form in his final season, the controversial refereeing decisions that led to the Boks' quarter-final departure from the Rugby World Cup in 2011 and his retirement from rugby. This is undoubtedly the one book every rugby fan will want to read.

**From the Basement Jul 30 2022** A deep dive into the cultural, social, and psychological impact that the emo scene had on pop culture—featuring inside stories from music legends. Though music always comes from a unique time and place, its influence can be timeless and universal. In the 1990s and 2000s, an explosion of indie, emo, and punk rock carried a raw emotional that has resonated with listeners ever since. In *From the Basement*, music journalist Taylor Markarian examines the underground emo scene that had an indelible influence on popular culture. Markarian grew up in the emo scene. She's been backstage with Hawthorne Heights and appeared in a *Senses Fail* music video. With her intimate perspective, she explores not only the music itself but its fans and creators. With extensive band interviews and an exploration of music's relationship to culture and mental health, *From the Basement* demonstrates that there's much more to emo than black eyeliner and colored Converse.

**The Imagination Thief Nov 09 2020** *The Imagination Thief* by Rohan Quine is about a web of secrets, triggered by the stealing and copying of people's imaginations and memories. It's about the magic that can be conjured up by images of people, in imagination or on film; the split between beauty and happiness in the world; and the allure of various kinds of power. A Distinguished Favorite in the NYC Big Book Award 2021, it celebrates some of the most extreme possibilities of human imagination, personality and language, exploring the darkest and brightest flavours of beauty living in our minds. Alone in his skyscraper office one night, Jaymi undergoes a transformation that will change his life: he acquires the power to see into others' minds, and then to control and project their thoughts. Realising the potential of this gift, he hypnotises a media mogul into agreeing to broadcast an electrifying extravaganza of sound and vision emanating from Jaymi, the like of which has never been witnessed before, that will captivate millions. However, one of the mogul's underlings has more subversive plans for milking Jaymi's talent, involving the theft of others' imaginations and intimate memories for commercial gain. The broadcasting of his visions plunges Jaymi and his best friend Alaia on a journey into the underbelly of Asbury Park - a seaside town once full of life but now half-forgotten. The town's entire oceanfront is now almost a ghost town: ruled by gangsters and drug dealers, headed by Lucan, it is populated by lost souls and the beautiful who have fallen on hard times. Blackmailed into thieving the most private and primal memories and experiences from these people's imaginations, Jaymi discovers a web of secrets and provocations simmering beneath the surface of the town, about to explode. When a waxwork of Lucan's decapitated head is anonymously planted in his own bar, fear bubbles up, as everyone becomes a suspect in this unforgivable challenge to Lucan's dominance. Then when another provocative waxwork appears - a naked full-body modelling of Lucan's beautiful but tortured lover, Angel - Jaymi knows he must use his own gift to discover the perpetrator before Lucan does. Delving into and celebrating the most beautiful and extreme possibilities of human imagination, personality and love, *The Imagination Thief* is literary fiction, with a touch of magical realism and a dusting of horror. It explores the universal human predicaments of power, beauty, happiness, hopelessness, good and evil. Keywords: literary fiction, magical realism, dark fantasy, horror, gay, Asbury Park, psychic, New York, broadcast, imagination, transgender, contemporary, enhanced ebook

**Never Talk Back to a Gangster Part 2 Dec 11 2020** *Never Talk Back to a Gangster Part 2* by Alesana Marie Muli kong naalala kung ano ang naramdaman ko sa kanya, sa halik niya. Kung gaano ako kasaya nang mga sandaling 'yon at kung gaano kaperpekto ang oras na 'yon para sa akin. Kaya naman nakapag-desisyon na ako. Alam ko na mahihirapan ako sa hinaharap pero ayokong isuko ang pagmamahal ko para sa taong una kong minahal simula palang. Kung hindi ko gagawin'to, baka sa hinaharap mag-sisi ako at tanungin ko ang sarili ko kung bakit pinagbawalan ko ang sarili ko? Palagi kong tatanungin kung ano ang mangyayari kung sakali na hinayaan ko ang sarili ko na mahulog din sa kanya. Isa itong makasariling desisyon, alam ko. Pero gusto ko siyang mahal. Gustong-gusto kong mahal in siya kahit na mali pa. Published by Psicom Publishing Inc.

**The Crisis of Theory** Oct 09 2020 The Crisis of Theory, available in paperback for the first time, tells the story of the political and intellectual adventures of E. P. Thompson, one of Britain's foremost twentieth-century thinkers. Drawing on extraordinary new unpublished documents, Scott Hamilton shows that all of Thompson's work, from his acclaimed histories to his voluminous political writings to his little-noticed poetry, was inspired by the same passionate and idiosyncratic vision of the world. Hamilton shows the connection between Thompson's famously ferocious attack on the 'Stalinism in theory' of Louis Althusser and his assaults on positivist social science in books like The making of the English working class, and he produces previously unseen evidence to show that Thompson's hostility to both left and right-wing forms of authoritarianism was rooted in first-hand experience of violent political repression. This book will appeal to scholars and general readers with an interest in left-wing politics and theory, British society, twentieth-century history, modernist poetry, and the philosophy of history.

**Strangely Sophomore** Jan 30 2020 Illyria Rose is your typical sophomore, with the exception of being the only girl in school who isn't a prep. Danni Frost is the cousin of Illyria's best friend, Angel. Danni has just moved into town and on his first day at school, he gets knocked over by a late student and feels a connection to her instantly. He will stop at nothing to convince her of the truth, but she keeps pushing him away. Rejection will not stop him, though. Danni is persistent and Illyria is stubborn. Who will win?

**Pixels of You** Mar 26 2022 A human and human-presenting AI slowly become friends—and maybe more—in this moving YA graphic novel In a near future, augmentation and AI changed everything and nothing. Indira is a human girl who has been cybernetically augmented after a tragic accident, and Fawn is one of the first human-presenting AI. They have the same internship at a gallery, but neither thinks much of the other's photography. But after a huge public blowout, their mentor gives them an ultimatum: work together on a project or leave her gallery forever. Grudgingly, the two begin to collaborate, and what comes out of it is astounding and revealing for both of them. Pixels of You is about the slow transformation of a rivalry to a friendship to something more as Indira and Fawn navigate each other, the world around them—and what it means to be an artist and a person.

**Belonging: The Autobiography** Sep 27 2019 'People think they know him but unless you read this book you will never know the REAL Alun Wyn Jones' - Warren Gatland 'One of the greatest, and seemingly indestructible, players in history' - A Daily Mail Book of the Year Belonging is the story about how the boy from Mumbles became the most capped rugby union player of all time. It is the story of what it takes to become a man who is seen by many as one of the greatest ever Welsh players. What it takes to go from sitting cross-legged on the hall floor at school watching the 1997 Lions tour of South Africa, to being named the 2021 Lions captain. But is it also about perthyn - belonging: playing for Wales, working his way through the age grades and club rugby and his regional side. How to earn the right to be there, and what it feels like to make the sacrifices along the way. Feeling the connection to players who have come before, and feeling the ties to the millions in front rooms and pubs across the country, coast to coast. Knowing that deep down you want to belong, as everyone does. From playing on the rain-swept pitches of Swansea to making his test debut against Argentina in Patagonia in 2006; from touring with the Lions in 2009, 2013, 2017 and 2021 to dealing with loss and creating a family - Belonging is the autobiography of one of the most compelling figures in world rugby. Told with characteristic honesty, this is his unique personal story of what it takes and what it means to play for your country: what it means to belong.

**The Neglected War** Jul 18 2021 In the summer of 1914 Germany's Pacific colonies were a quiet backwater of its empire. But the shots of Sarajevo shattered the Pacific as well as Europe. Within weeks of the outbreak of World War I Western Samoa - German territory to be taken in the war - New Guinea, and the Micronesian lands, were occupied by Australian, New Zealand, and Japanese forces. Current historiography claims that World War I made little difference to the indigenous populations of the Pacific and that this change in colonial masters had little effect on those they ruled. The Neglected War challenges this interpretation. World War I and its aftermath, Hermann Hiery claims, had a tremendous effect on the Pacific Islands. Hiery details the policies pursued by Australia, New Zealand, and Japan, showing how each viewed and treated the indigenous populations. Administered by military officers with little civil oversight, the new colonial regimes employed the mandates they had received at the Paris Peace Conference with impunity. Hiery's scrupulous review of the evidence, gathered from largely unknown primary sources, has uncovered a story of masquerades and coverups, negligence and duplicity, leading in some cases to full blown atrocities. Most of all, he tells the story of Pacific Islanders ,how they coped with the dramatic changes brought about by the war, and how they tried to influence its consequences. Many Islanders were fully aware that their political destiny was to be redefined after the war, and a few even saw it as an opportunity to achieve independence. This is also the story of their failure. Behind the evidence gathered here lie fundamental questions. How important are the differences in the nature of particular colonial regimes, and what effect do such differences have on indigenous peoples? How do indigenous peoples interpret disparities in colonial rule? This revisionist work addresses these issues while shedding light on a crucial time in the history of the Pacific.

**Globalisation and Governance in the Pacific Islands Aug 31 2022** "The Pacific Islands are feeling the effects of globalisation. Free trade in sugar and garments is threatening two of Fiji's key industries. At the same time other opportunities are emerging. Labour migration is growing in importance, and Pacific governments are calling for more access to Australia's labour market. Fiji has joined Samoa, Tonga, Tuvalu and Kiribati as a remittance economy, with thousands of its citizens working overseas. Meantime, Papua New Guinea and Solomon Islands grapple with an older kind of globalisation in which overseas companies exploit mineral and forest resources. The Pacific Islands confront unique problems of governance in this era of globalisation. The modern, democratic state often fits awkwardly with traditional ways of doing politics in that part of the world. Just as often, politicians in the Pacific exploit tradition or invent it to serve modern political purposes. The contributors to this volume examine Pacific globalisation and governance from a wide range of perspectives. They come from Papua New Guinea, Solomon Islands, Hawai'i, the Federated States of Micronesia, Samoa, Fiji, New Zealand and Jamaica as well as Australia."--Publisher's description.
